INTRODUCTION OF APPROPRIATION ORDINANCES.

By the City Controller:

Appropriation Ordinance No. 1—1907: An ordinance appropriating the sum of two thousand dollars with which to pay the Indianapolis Map and Platting Company for services rendered the City of Indianapolis in making complete copies of land plats for use of the Bureau of Assessment.

WHEREAS, On November 29, 1905, a contract was entered into between the City of Indianapolis and the Indianapolis Map and Platting Company, by which said City was to pay said Company the sum of \$2,000 for preparing for the use of said City, a true and complete copy of all land platted and unplatted within the limits of the City of Indianapolis, as the plat books in the office of the Township Assessor of Center Township existed on the first day of January, 1905; and

WHEREAS, For reasons satisfactory to the Mayor and Board of Public Works, it was, on the 3d day of December, 1906, ascertained by the Mayor and members of the present Board of Public Works, that the whole of said work could not be completed by the 31st day of said month, which was the limit of the time specified in said contract for completing the same, and the time was thereupon extended by a supplemental contract, until March 1, 1907, within which said work may be completed; and

WHEREAS, Said work is now nearing completion, and all of said plats covered by said original contract will be delivered to the Bureau of Assessment on or before said first day of March, at which time the \$2,000 will be due and owing to said Company, and there is now no appropriation available out of which to pay the same; therefore,

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, That the sum of two thousand dollars be, and the same is hereby, appropriated out of any money in the treasury of said city not otherwise appropriated, with which to pay said Indianapolis Map and Platting Company for the making of true and complete copies of said platted and unplatted land within said city limits on the first day of January, 1905.

The Controller is hereby authorized to pay said sum of \$2,000 hereby appropriated to said Company, out of any available funds of the City of Indianapolis, as soon as all of said plats shall have been completed and delivered to said City, to the satisfaction of the Board of Public Works.

SEC. 2. This ordinance shall take effect and be in force from and after its passage.

Which was read a first time and referred to the Committee on Finance.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works:

General Ordinance No. 9—1907: An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve first alley east of Park avenue from north property line of Seventeenth street to south property line of Twentieth street with brick roadway.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana, did on the 14th day of December, 1906, adopt Improvement Resolution No. 4938, 1906, for the improvement of first alley east of Park avenue from the north property line of Seventeenth street to the south property line of Twentieth street with brick roadway.

WHEREAS, The said Board of Public Works did at the same time fix the 31st day of December, 1906, at 10 o'clock A. M., as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 15th day of December, 1906, and the 22d day of December, 1906, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, On the 31st day of December, 1906, the Board having met in regular session, took final action on said Improvement Resolution without modification; and

WHEREAS, On the 8th day of January, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said improvement of first alley east of Park avenue, and

WHEREAS, On the 11th day of January, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve first alley east of Park avenue from the north property line of Seventeenth street to the south property line of Twentieth street with brick roadway, in accordance with Improvement Resolution No. 4938, 1906, adopted by the Board of Public Works on the 14th day of December, 1906.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Sewers, Streets and Alleys.

By Board of Public Works:

General Ordinance No. 10—1907: An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve first alley east of Park avenue from north property line of Twentieth street to the south property line of Twenty-first street with brick roadway.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana, did on the 14th day of December, 1906, adopt Improvement Resolution No. 4936, 1906, for the improvement of first alley east of Park avenue from the north property line of Twentieth street to the south property line of Twenty-first street with brick roadway.

WHEREAS, The said Board of Public Works did at the same time fix the 31st day of December, 1906, at 10 o'clock A. M., as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 15th day of December, 1906, and the 22d day of December, 1906, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, On the 31st day of December, 1906, the Board having met in regular session, took final action on said Improvement Resolution without modification; and

WHEREAS, On the 4th day of January, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said improvement of first alley east of Park avenue, and

WHEREAS, On the 11th day of January, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance

authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve first alley east of Park avenue from the north property line of Twentieth street to the south property line of Twenty-first street with brick roadway, in accordance with Improvement Resolution No. 4936, 1906, adopted by the Board of Public Works on the 14th day of December, 1906.

Which was read a first time and referred to the Committee on Sewers, Streets and Alleys.

By Mr. Neukom :

General Ordinance No. 11—1907: An ordinance requiring persons giving or holding boxing and sparring matches in the City of Indianapolis to obtain a permit and pay a license fee of \$200.00 therefor.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That before any one shall give, hold or carry on, or cause to be given, held or carried on, any sparring or boxing match within the City of Indianapolis, Indiana, he shall first procure a permit by ordinance from the Common Council of said City of Indianapolis, Indiana. If this permit is granted he shall then procure a license from the City Controller. Before any such license shall be issued, the person desiring to give, hold or carry on any such sparring or boxing match, shall pay to the City Controller the sum of two hundred dollars (\$200.00) for each day's exhibition.

SEC. 2. Any person giving, holding or carrying on any such sparring or boxing match within the limits of said city, without having first procured the permit and license so to do, as required by the provisions of the first section of this ordinance, shall be fined in any sum not less than \$200.00 and not more than \$500.00 for each offense; each day shall constitute a separate offense.

SEC. 3. This ordinance shall take effect and be in force from and after its passage and publication according to law.

Which was read a first time and referred to the Committee on Public Safety and Comfort.

By Mr. Wood :

General Ordinance No. 12—1907: An ordinance to amend Sections 11 and 12 of an ordinance, entitled, "an ordinance providing for the in-

spection of scales, weights and measures in the City of Indianapolis, Indiana; providing for the appointment of an Inspector of Scales, Weights and Measures, and defining his duties and compensation; providing penalties for the violation thereof, and fixing a time when the same shall take effect," approved June 20, 1902.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That Sections 11 and 12 of an ordinance providing for the inspection of scales, weights and measures, on page 1207, approved June 20, 1902, be, and the same are hereby, amended to read as follows:

SEC. 11. The Inspector of Scales, Weights and Measures shall employ, with the approval and consent of the Mayor, two or more suitable and competent persons as assistants, who shall receive for their services the sum of two dollars and fifty cents per day each, to be paid out of the City Treasury monthly for the number of days employed during the month. The said assistants shall be under the direction and control of the Inspector of Scales, Weights and Measures, and shall perform such duties as the said Inspector of Scales, Weights and Measures shall direct and he may, whenever in his opinion the interests of the city shall be subserved thereby, dismiss any of said assistants, and may appoint other assistants in their stead, with the approval of the Mayor.

SEC. 12. The Inspector of Scales, Weights and Measures shall receive from the city as compensation for his services the sum of fifteen hundred dollars per annum, payable monthly.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Public Safety and Comfort.

MISCELLANEOUS BUSINESS.

By Mr. Uhl:

Resolution No. 1—1907:

WHEREAS, On the 30th day of August, 1905, this body passed an ordinance ratifying a contract between the City and the President of the Board of Trade, the President of the Commercial Club and their associates and assigns, providing for the furnishing of gas to the residents of the city not to exceed sixty cents (60) per thousand cubic feet; and

WHEREAS, In which contract it was provided that the holders of the franchise should put into operation a gas plant within eighteen months (18) from the date of the sale of the Consumers' Gas Trust Company mains; and

WHEREAS, The sale of the Consumers' Gas Trust Company mains has ever since been delayed by litigation; and

WHEREAS, It is of extreme importance that the residents of the city receive as early as possible gas at a reasonable price, both on account of the large sum saved to the individual citizens and also on account of the general effect upon the prosperity of the city which would be greatly promoted if the price of gas were not prohibitive for commercial purposes; and

WHEREAS, During the campaign in the year 1905, the members of this body, while candidates, pledged themselves to the people to do all in their power to provide a supply of gas at not a greater price than sixty cents (60) per thousand cubic feet; and

WHEREAS, A bill has been introduced at the session of the General Assembly now pending providing that in cities of one hundred thousand (100,000) population, or over, no future gas contracts shall be made at a price greater than sixty cents (60) per thousand cubic feet, and further providing that any future gas contract shall be subject to ratification by vote of the people; therefore, be it

Resolved, By the Common Council of the City of Indianapolis, That we regret and disapprove of the delay in bringing about a sale of the Consumers' Gas Trust Company mains; and be it further

Resolved, That we strongly urge upon each and every member of the present General Assembly the passage of the bill above mentioned.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., January 28, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I return herewith with my approval the following ordinances:

General Ordinance No. 150, 1906, being "an ordinance to amend Section

One of an ordinance entitled, 'an ordinance providing for the confiscation of unwholesome food; prohibiting the sale of the same, and of food preservatives; providing a penalty for the violation thereof, and repealing Section Two of an ordinance providing better sanitary regulations for the City of Indianapolis, and empowering the Board of Health to enforce observance thereof,' and repealing Section Three of an ordinance entitled, 'an ordinance regarding public safety, comfort and convenience,' approved February 23, 1885."

General Ordinance No. 103, 1906, being "an ordinance for the protection of permanently improved streets, requiring owners of property to make private connections with sewer, gas, water and other like pipes and public conveniences and bring the same inside the curbs of streets before the permanent improvement thereof;" repealing all ordinances in conflict therewith and fixing a time when the same shall take effect."

General Ordinance No. 8, 1907, being "an ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve the first alley west of West street from south property line of Washington street to the north property line of Maryland street with brick roadway."

Appropriation Ordinance No. 35, 1906, being "an ordinance appropriating the sum of fifteen hundred dollars to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,

Mayor.

REPORTS FROM CITY OFFICERS.

From the City Controller:

Mr. Uhl moved the reading of Controller's report be dispensed with, and the same printed in the Journal of this meeting. Carried.

CONTROLLER'S REPORT.

DEPARTMENT OF FINANCE,
OFFICE OF THE CITY CONTROLLER,
INDIANAPOLIS, IND., January 31, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I submit herewith my report for the fiscal year ending December 31, 1906, exhibiting revenues, receipts and expenditures, and the sources from which the revenues are derived.

The bonded debt on January 1, 1906, was \$2,585,800, which was increased during the year by the issuance of \$100,000 City Hospital bonds and \$300,000 City Hall bonds. During the year maturing bonds amounting to \$56,000 were paid, \$24,000 out of the General Fund and \$32,000 out of the Sinking Fund, leaving a bonded debt of \$2,929,800 on January 1, 1907; of this amount \$2,839,500 is city debt proper and \$90,300 assumed by reason of the annexation of certain incorporated towns. Of the city debt proper, \$1,130,000 bears $3\frac{1}{2}\%$ interest, and \$1,709,500 bears 4%; of the suburban bonds \$3,500 is at 3.65-100%, \$8,000 at 4%, \$12,800 at 5% and \$66,000 at 6%.

The total assessed valuation of taxable property in the city, for the year 1906, is \$162,450,315, from which is deducted mortgage exemptions aggregating \$4,363,005, leaving net total appraisement of \$158,087,310. The constitutional debt limit of 2% is \$3,161,746, from which amount is deducted the bonded debt of \$2,929,800, leaving a margin of \$231,946.

The rapid growth of our city, both in population (now estimated to be 228,880) and in area, makes it necessary to provide for a larger police force and better facilities for transacting the business of the Police Department, which better facilities among other improvements require the erection and installation of one or more substations. The expense for maintenance of the Police Department for the year 1905, was \$198,248.47, and for 1906, \$229,632.86, an increase of \$31,384.39, which increase was largely caused by the appointment of some forty-five additional patrolmen.

A material increase in the expenditures for this department will have to be provided for either by an increase in the tax

levy, which should be avoided if possible, or by revenues secured from special sources. There is a very strong sentiment among our people in favor of a material increase in amount of license fees to be charged for retail liquor licenses, with which sentiment I am in hearty sympathy. If such license fees are to be increased I am of the firm opinion that municipalities should receive, if not all, the largest portion thereof. In 1905 the expenditures for the Police Department exceeded the receipts from brewery and retail liquor licenses by \$7,484.47, while in 1906 the excess of expenditures over such receipts was \$34,082.86, although the receipts in 1906 were \$4,750 greater than in 1905. Your careful consideration of this subject is respectfully solicited.

I take pleasure in calling your attention to the excellent condition of the city treasury at the end of our first fiscal year. On January 1, 1906, the gross cash balance was \$254,307.47, which amount included special appropriations and revenues for specific purposes aggregating \$56,151.94, leaving a cash balance of \$198,155.53 available for general purposes. On January 1, 1907, the gross cash balance was \$587,066.59, including special appropriations for specific purposes amounting to \$383,318.65, leaving a cash balance for general purposes of \$203,747.94.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works:

General Ordinance No. 13—1907: An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Seventeenth street from west property line Martindale avenue to west property line Roosevelt avenue with brick roadway.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana, did on the 21st day of December, 1906, adopt Improvement Resolution No. 4949, 1906, for the improvement of Seventeenth street from west property line of Martindale avenue to west property line of Roosevelt avenue with asphalt roadway, brick gutters and curbing.

WHEREAS, The said Board of Public Works did at the same time fix the 7th day of January, 1907, at 10 o'clock A. M. as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 22d day of December, 1906, and the 29th day of December, 1906, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, On the 7th day of January, 1907, final action having been postponed to January 14, 1907, and

WHEREAS, On the 14th day of January, 1907, the Board having met in regular session, took final action on said Improvement Resolution modifying same so as to provide for brick roadway, as requested in a majority petition, and

WHEREAS, On the 23d day of January, 1907, a written remonstrance was filed with the Board against the said improvement of Seventeenth street, and the same was referred to the City Civil Engineer for investigation and report; and

WHEREAS, On the 30th day of January, 1907, the City Civil Engineer filed his written report, stating that a majority of the resident property owners had signed said remonstrance, and

WHEREAS, On the 30th day of January, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve Seventeenth street from the west property line of Martindale avenue to the west property line of Roosevelt avenue with brick roadway, in accordance with Improvement Resolution No. 4949, 1906, adopted by the Board of Public Works on the 21st day of December, 1906.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Sewers, Streets and Alleys.

By Board of Public Works:

General Ordinance No. 14—1907: An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Seventeenth street from L. E. & W. Ry. tracks to west property line Martindale avenue with brick roadway.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana, did on the 21st day of December, 1906, adopt Improvement Resolu-

tion No. 4950, 1906, for the improvement of Seventeenth street from L. E. & W. Ry. tracks to west property line of Martindale avenue with asphalt roadway and brick gutters.

WHEREAS, The said Board of Public Works did at the same time fix the 7th day of January, 1907, at 10 o'clock A. M. as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 22d day of December, 1906, and the 29th day of December, 1906, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, On the 7th day of January, 1907, final action having been postponed to January 14, 1907, and

WHEREAS, On the 14th day of January, 1907, the Board having met in regular session, took final action on said Improvement Resolution modifying same so as to provide for brick roadway, as requested in a majority petition, and

WHEREAS, On the 23d day of January, 1907, a written remonstrance was filed with the Board against the said improvement of Seventeenth street, and the same was referred to the City Civil Engineer for investigation and report; and

WHEREAS, On the 30th day of January, 1907, the City Civil Engineer filed his written report, stating that a majority of the resident property owners had signed said remonstrance, and

WHEREAS, On the 30th day of January, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve Seventeenth street from L. E. & W. Ry. tracks to west property line of Martindale avenue with brick roadway, in accordance with Improvement Resolution No. 4950, 1906, adopted by the Board of Public works on the 21st day of December, 1906.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Sewers, Streets and Alleys.

By Board of Public Works:

General Ordinance No. 15—1907: An ordinance approving a certain contract granting Daniel W. Marmon the right to lay and maintain a side-track or switch in and across East Market street, in and along Fulton street, and in and across the first alley north of East Market street and between Fulton and Spring streets, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore to-wit: On the 31st day of January, 1907, Daniel W. Marmon filed his petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

GENTLEMEN: The undersigned, Daniel W. Marmon, respectfully petitions your Honorable Board, asking permission to construct and maintain a certain standard gauge switch or side-track in and across East Market street, and in and along Fulton street, and in and across the first alley north of said Market street between Fulton and Spring streets, more particularly described as follows: Beginning at a point in the center of the west main tracks of the Lake Erie and Western Railway Company, eleven (11) feet south of the south property line of East Market street; thence north and west in, on and across East Market street and in and along said Fulton street, and in, on and across the first alley north of said East Market street, and between Fulton and Spring streets, on a sixteen degree curve to a point in the west property line of Fulton street seventy-one feet north of the north property line of East Market street measured at right angles to said north property line of East Market street, 266 feet from the intersection of the west property line of Davidson street, with the north property line of said East Market street, and in and across the first alley north of East Market street between Fulton and Spring streets, the same being one hundred and fifty-one feet in length, more or less, all as shown by the drawing hereto attached, made a part hereof and marked Exhibit "A."

DANIEL W. MARMON.

Now, Therefore, This agreement, made and entered into this 31st day of January, 1907, by and between Daniel W. Marmon, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

Witnesseth: That the party of the first part, being desirous of securing a right-of-way for a side-track or switch in and across East Market street, and in and along Fulton street, and in and across the first alley north of East Market street, between Fulton and Spring streets, in the City of Indianapolis, which is more specifically described as follows: Beginning at a point in the center of the west main tracks of the Lake Erie and Western Railway Company, eleven (11) feet south of the south property line of East Market street; thence north and west in, on and across East Market street, and in and along said Fulton street, and in, on and across the first alley north of East Market street between Fulton and Spring streets, on a sixteen degree curve to a point in the west property line of Fulton street seventy-one feet north of the north property line of East Market street, measured at right angles to said north property line of East Market street, 266 feet from the intersection of the west property line of Davidson street with the north property line of East Market street and in and across the first alley north of Market street between Fulton and Spring streets, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Coun-

cil or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects said East Market street and in and along Fulton street shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be in and along said Fulton street or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract; *Provided, however*, That the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled, "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional side-track or switch across

in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

In Witness Whereof, We have heretunto set our hands this 4th day of February, 1907.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.**By Board of Public Works:**

General Ordinance No. 20—1907: An ordinance approving a certain contract granting Levi S. Pierson the right to lay and maintain a side-track or switch from the main track of the Pennsylvania railroad across Drover street and Kentucky avenue, south of Ray street, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: On the 13th day of February, 1907, Levi S. Pierson filed his petition before the Board of Public Works of the City of Indianapolis, Indiana, as follows:

PETITION.

INDIANAPOLIS, IND., February .., 1907.

To the Board of Public Works, Indianapolis, Indiana:

GENTLEMEN: The undersigned, L. S. Pierson, respectfully petitions your Honorable Board, asking permission to construct and maintain a side-track or switch from the main track of the Pennsylvania railroad across Drover street and Kentucky avenue, south of Ray street, in the City of Indianapolis; said side-track or switch to be constructed and maintained across said above named streets from the points designated as "A" and "B" on the drawing attached hereto, filed herewith and made a part of this petition and for certainty marked "Exhibit A."

Your petitioner prays that the privileges and authorities herein requested shall be granted upon such terms and conditions as may hereafter be agreed upon by contract.

L. S. PIERSON.

Now, therefore, This agreement, made and entered into this 18th day of February, 1907, by and between Levi S. Pierson, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part, witnesseth:

That the party of the first part being desirous of securing the right-of-way for a switch or side-track across Drover street and Kentucky avenue in the City of Indianapolis, which is more specifically described in the petition of the said first party hereto attached and made a part of this contract, hereby covenants and agrees and fully binds itself, its successors, legal representatives and assigns, that in consideration of the grant and privileges and authority herein given, it will lay, construct and maintain said switch or side-track upon terms and conditions hereinafter set forth, to-wit:

1. It shall be laid, improved and kept in repair so as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

2. Said side-track or switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said side-track or switch shall be raised or lowered to conform to any grade which may, from time to time be hereafter established whenever so ordered in writing by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said side-track or switch.

3. The crossings where said side-track or switch intersects Drover street and Kentucky avenue shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossings or to be thereon except for such time as may be absolutely necessary in moving them back and forth and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

4. Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the city or the public welfare, to take up and remove said side-track or switch, and upon said parties failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done and the party of

the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal, and in removing said track or causing the same to be done said Board shall in nowise become a trespasser.

5. The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said side-track or switch shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

6. The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said side-track or switch and to pay any judgments with cost, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

7. Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract: *Provided, however,* That the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled, "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional side-track or switch across Drover street and Kentucky avenue in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

In Witness Whereof, We have hereunto set our hands this 18th day of February, 1907.

Board of Public Works,
Party of the second part.

AND, WHEREAS, Said contract has been submitted by the Board of Public Works to the Common Council of the City of Indianapolis for its consideration and action; now, therefore,

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That such contract above set forth be, and the same is hereby, in all things confirmed and approved.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Railroads.

By Board of Public Works:

General Ordinance No. 21—1907: An ordinance approving a certain contract granting to the Vandalia Railroad Company the right to lay and maintain additional tracks across Belmont avenue in the City of Indianapolis, Indiana.

WHEREAS, The City of Indianapolis, State of Indiana, by and through its Board of Public Works, and the Vandalia Railroad Company, a consolidated, corporation under the laws of the States of Indiana and Illinois, have entered into the following agreement, to-wit:

This indenture, made and entered into by and between the City of Indianapolis, in the State of Indiana, and the Vandalia Railroad Company, a consolidated corporation under the laws of the States of Indiana and Illinois, witnesseth:

I.

The City of Indianapolis, by its Board of Public Works, in consideration of the covenants and agreements hereinafter set forth to be by the Vandalia Railroad Company kept and performed, and subject to the terms and conditions hereinafter specified, hereby grants to said Vandalia Railroad Company the right and privilege of constructing, maintaining and operating across Belmont avenue, in the City of Indianapolis, the five (5) tracks shown in red upon the blue print hereto attached as an exhibit marked "A" and made part hereof.

II.

In consideration of the premises, said Vandalia Railroad Company hereby covenants and agrees that the rights and privileges above granted shall be exercised and enjoyed in the following manner and upon the following terms and conditions, to-wit:

Said tracks shall be constructed at the present grade of Belmont avenue, under the supervision and to the satisfaction and approval of the Board of Public Works of the City of Indianapolis, and shall be so constructed and as long as Belmont avenue continues to be a public street at the crossing of said tracks, shall be so maintained as to be safe for the passage of persons on foot, in vehicles, or otherwise, and shall be kept in repair and free from obstructions or defects of any kind. For the purpose of making said tracks safe, they shall at all times be subject to the orders of said Board of Public Works, and when ordered in writing by said Board, they shall be raised or lowered to conform to any grade of Belmont avenue which may from time to time be established. No car or cars shall be permitted to obstruct the crossing on Belmont avenue of said tracks, or to be thereon, except for such time as may be absolutely necessary in being moved back and forth on said tracks, and cars shall at no time be stopped and detained on any of said tracks, in such manner as to obstruct travel on Bel-

mont avenue. The space between said tracks on Belmont avenue shall be planked or paved to the entire satisfaction of said Board of Public Works, and in case said crossings, or any of them, get out of repair, or need reconstruction, or become in any way defective, of which fact said Board of Public Works shall be the exclusive judge, it shall be the duty of the Vandalia Railroad Company to promptly repair the same, failing in which, after notification in writing of ten (10) days, said Board of Public Works shall do, or cause the same to be done at the expense of said Vandalia Railroad Company, and for such expense and cost said railroad company shall be liable.

III.

Said Vandalia Railroad Company hereby binds itself to hold the City of Indianapolis harmless against any and all claims for damages growing out of the construction, maintenance or use of said tracks across Belmont avenue, and to pay any judgments with costs that may on that account be rendered against said city or said Board of Public Works.

IV.

Any violation of any of the provisions of this indenture by the Vandalia Railroad Company, or by anyone for it, at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the rights and privileges granted by this indenture, and upon such violation the Board of Public Works of said City of Indianapolis may cause said tracks to be removed at once, and the fact of such violation shall constitute a full defense to any action to prevent such removal, or to recover damages therefor.

V.

Should the City of Indianapolis at any time, pursuant to the authority conferred upon it by law, order the separation of grades at said crossing of Belmont avenue, the Vandalia Railroad Company hereby covenants and agrees that it will either remove the five (5) tracks which by the terms of this indenture it is authorized to construct, maintain and operate across Belmont avenue, or will bear the entire cost of the separation of grades, with respect to so many of the said five (5) tracks as it may elect to retain.

In Witness Whereof, The parties hereto have caused this indenture to be executed in duplicate, the City of Indianapolis by its Board of Public Works and the Vandalia Railroad Company by its proper officer, all done this 15th day of February, A. D. 1907.

Special Ordinance No. 3—1907: An ordinance providing for the annexation of certain contiguous territory therein described to the City of Indianapolis, Indiana, and fixing the time when the same shall take effect.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That the boundary lines of said City of Indianapolis be, and the same are hereby, extended so as to include the following described contiguous territory, whether platted or not, to-wit: Beginning at the point of intersection of the center line of Ritter avenue with the center line of the Brookville Free Gravel Road; thence north along said center line of Ritter avenue to the half-section line of Section ten (10), Township fifteen (15) north, Range four (4) east; thence east along said half-section line thirteen hundred and twenty (1,320) feet, more or less, to a point at an angle in the present corporation boundary line of said City of Indianapolis; thence south parallel with the east line of said Section to the center line of said Brookville Free Gravel Road; thence in a northwesterly direction along the center line of said Brookville Free Gravel Road to the place of beginning, all of which described territory, whether platted or not, is hereby annexed to and made a part of the territory constituting and forming the City of Indianapolis, Marion County, Indiana.

SEC. 2. This ordinance shall be in full force and effect from and after its passage and publication once each week for two (2) consecutive weeks in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, Indiana.

Which was read a first time and referred to the Committee on Ordinances.

MISCELLANEOUS BUSINESS.

By President Eppert:

Resolution No. 3—1907:

WHEREAS, The Common Council of the City of Indianapolis, Indiana, has learned of the death of the father of Louis F. Henry, a member of this body, and deploring the same; therefore, be it

Resolved, That we extend to him our sincere and heartfelt sympathy in this his hour of bereavement. That our hand of fellowship is far from reaching out to our Council associate our innermost feelings for him. Be it further

Resolved, That a copy of these sentiments be sent him and as a further mark of regard, that they be spread as a matter of record on the minutes of this body.

Mr. Royse moved that the resolution be adopted. Carried.

By Mr. Neukom:

I move that a special committee of three be appointed to consult with Board of Works in reference to having a few more electric lights distributed.

Which motion carried.

In compliance with the motion President Eppert appointed the following committee. Messrs. Neukom, Stickelman and Hilkene.

HEADQUARTERS CARPENTERS' DISTRICT COUNCIL,
54 VIRGINIA AVE.,
INDIANAPOLIS, IND., February 13, 1907.

To the President and Members of the Common Council:

The Carpenters' District Council have watched with considerable interest the many efforts put forth by the Mayor, your Honorable Body and the Board of Public Works to build a Colloseum and City Hall and believe that such a building is needed, and would be a credit to our fair city.

Still we believe we are justified in entering a protest against the letting

of this contract to any firm or firms who are unfair to organized labor in general and our trade in particular, and therefore respectfully ask your Honorable Body to reject the bids received to date, and advertise for new bids on this most important work, which necessarily will be used by all classes of citizens of our city.

Sincerely yours,

Z. F. CARRIGAN,
Secretary.

Mr. Royse moved that the communication be referred to a special committee. Carried.

President Eppert then referred the communication to the Building Committee appointed in connection with the New City Hall.

ORDINANCES ON SECOND READING.

Mr. Royse called for Appropriation Ordinance No. 1, 1907, for second reading. It was read a second time.

Mr. Royse moved that Appropriation Ordinance No. 1, 1907, be ordered engrossed, read a third time and placed upon its passage. Carried.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., February 27, 1907.

To the President and Members of the Common Council:

GENTLEMEN: There will be submitted to you at to-night's meeting for your consideration and action, two ordinances which I consider to be of such importance that I have decided to depart from my general rule and call your special attention thereto.

The ordinance appropriating \$22,000 for the use of the Board of Public Works in connection with the construction of the new City Hall and auditorium is absolutely necessary to enable such Board to enter into the contract with the Wm. P. Jungelaus Company, the lowest bidder for such work. Under the bid of this Company, the auditorium part of the new City Hall, excluding certain specified items, will cost \$313,500, in addition to which sum there will be necessary in order that the work may proceed without delay, an additional sum of \$7,500, being the compensation of the firm of Rubush & Hunter, architects of the proposed City Hall and auditorium, due them under their contract heretofore made with the City of Indianapolis by and through the Board of Public Works.

My attention has been called to the opinions of certain members of your honorable body expressed through the medium of the public press in which was set out the idea that the city should proceed with the construction of the City Hall and auditorium by the immediate erection of the western portion of the building, which is to be constructed for the use of the city departments. I cannot bring myself to concede that this is the best policy. At present Tomlinson Hall is the only meeting place open to the people of Indianapolis, and should we, before the completion of the auditorium section of the new City Hall building, demolish the present hall, it would leave the people of Indianapolis wholly without a suitable place for public gatherings. Should the contract for the City Hall portion of the new

building be let immediately, it would not be possible under the most favorable conditions to complete the work before October or November of the present year. From the time work was commenced there would be no meeting place or hall, and as it will be necessary to carry over the construction of the entire building into the year of 1908 because of the financial arrangements which must be made, I feel that I am safe in the prediction that the entire structure including both auditorium and rooms for city offices will not be completed before October, 1908. From this you will perceive that should Tomlinson Hall be placed out of commission now, not only would the people of Indianapolis be deprived of a meeting place for a period of more than one year, but the city would find itself in no position in the spring of 1908 to accommodate the conventions of both the great political parties which will meet in this city on or about May or June.

In my opinion the best business policy is to let the present contract with the Jungclaus Company, thus making available the money secured by the issuance of bonds, and with which money added to the present appropriation it will be possible to practically complete the auditorium, leaving the sum of \$91,500 to be provided for later in order to include all the items entering into the complete finishing of this section of the proposed building. Such work doubtless cannot be finished during the present year, thus deferring the time when additional funds must be secured for the finishing of the western half or City Hall portion of the structure.

The ordinance appropriating \$15,000 to the Board of Park Commissioners as set out herein, is for the purpose of providing the necessary funds to purchase the tract of land lying in the northern section of that portion of the city known as Irvington, which tract of land is generally known as the Ellenberger Woods. The rapid growth of Indianapolis should cause every close student of municipal affairs to realize the importance of securing from year to year additional tracts of land to be used for park purposes. In view of what has occurred in the northern portion of the city where land used for farming purposes less than twenty years ago is now thickly covered with some of the best residences in Indianapolis, it occurs to me that it is a most excellent business policy to discount the future and even though the ground named may at this time appear to be somewhat outside the congested parts of the city, to secure the same even though but little money is expended in its beautification within the next five years. I feel that I am violating no confidence in saying in this connection that when I last met our distinguished citizen, Vice-President Fairbanks, I was urged by him to buy ground for park purposes. The arguments advanced by him at that time struck me as being most convincing, and even though there may be a difference of opinion that the condition of the city treasury will not at this time warrant this expenditure, I am convinced that the future will justify favorable action on your part upon this ordinance. The land in question is held under option by citizens of Indianapolis, which option will expire on March 1, 1907, and which cannot be renewed as I am informed. The price of the land is regarded by those best informed as to values in the eastern portion of the city as being most reasonable. I sincerely trust that both the ordinances above mentioned will receive your favorable consideration.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

Which was read.

The Chair declared there was not enough members present to transact the business named in the call, being Appropriation Ordinances requiring a two thirds vote to pass.

On the motion of Mr. Rhodes, the Common Council at 8:20 P. M. adjourned.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works:

General Ordinance No. 23—1907: An ordinance approving a certain contract granting The J. C. Hirschman Company the right to lay and maintain a side-track or switch from the south switching track of the C., H. & D. Ry. across Leota and Maryland streets, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: On the 1st day of March, 1907, The J. C. Hirschman Company filed his petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

GENTLEMEN: We, the undersigned corporation, petition your Honorable Body for permission to lay a switch track across Leota and Maryland streets as shown by attached drawing.

THE J. C. HIRSCHMAN CO.,
Per F. H. HIRSCHMAN, Sec'y and Treas.

Now, therefore, This agreement, made and entered into this 1st day of March, 1907, by and between The J. C. Hirschman Company of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

Witnesseth: That the party of the first part, being desirous of securing a right-of-way for a side-track or switch from C., H. & D. railroad to The J. C. Hirschman Company's factory in the City of Indianapolis, which is more specifically described as follows:

A siding for J. C. Hirschman Company extending from the south switching track of the C., H. & D. R. R., near where said track crosses South-eastern avenue, and running in a southwestwardly direction for a distance of 585 feet, more or less.

Said siding to cross Leota street from a point on the east side of said street, distant 40 feet, northwardly from the north line of Maryland street, to a point on the west side of Leota street, distant 8 feet southwardly from the north line of Maryland street; and crossing Maryland street from the point last mentioned to a point on the south line of Maryland street, distant 48 feet, more or less, from the west line of Leota street, as shown on plan hereto attached, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in nowise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract; *Provided, however,* That the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled, "An act concerning municipal corporations," approved March 6, 1905, and in consideration of

the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional side-track or switch across _____ in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

In Witness Whereof, We have hereunto set our hands this 1st day of March, 1907.

General Ordinance No. 25—1907: An ordinance regulating the location and maintenance of places wherein are kept for sale intoxicating liquors to be drunk on the premises, fixing a penalty for the violation thereof, and fixing a time when the same shall take effect.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, That it shall be unlawful for any person to locate or maintain any room or place where intoxicating liquors are kept for sale, or to be kept for sale, are sold, or to be sold, to be drunk on the premises by virtue of any license issued under the laws of the State of Indiana or under the ordinances of the City of Indianapolis within the City of Indianapolis within five hundred feet of any premises occupied as a public school except as in this ordinance otherwise provided.

SEC. 2. No license hereafter shall be issued for the sale of any intoxicating liquors at any place within five hundred feet of such public school premises, and any license so issued shall be void.

SEC. 3. The provisions of this ordinance shall not apply to the district bounded on the north by Ohio street, on the east by Alabama street, on the south by South street and on the west by Capitol avenue.

SEC. 4. Any person who shall violate any of the provisions of this ordinance shall be fined in any sum not exceeding one hundred dollars. Every day this ordinance is violated shall constitute a separate offense.

SEC. 5. This ordinance shall take effect from and after its passage and its publication once each week for two consecutive weeks in the Indianapolis Sun, a newspaper of general circulation, save that as to any and all dealers in intoxicating liquors now conducting their business under a city license it shall be operative only to prevent the renewal of any license for the same.

Which was read a first time and referred to the Committee on Public Health.

ORDINANCES ON SECOND READING.

Mr. Cottey called for General Ordinance No. 20, 1907, for second reading. It was read a second time.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., March 7, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I return herewith with my approval General Ordinance, No. 20, 1907, being "An ordinance granting Levi S. Pierson the right to lay and maintain a side track or switch from the main track of the Pennsylvania railroad crossing Drover Street and Kentucky Avenue south of Ray Street."

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., March 16, 1907.

To the President and Members of the Common Council:

GENTLEMEN: There will be presented to your honorable body at your meeting tonight, an ordinance calling for an appropriation of \$1,000 with which to make repairs to the bridge over Fall Creek, at Northwestern Avenue. This bridge was constructed during the administration of my predecessor, and although the work had not been completed, was more than paid for before the commencement of the present administration, and not only was the full contract price paid to such contractor before the completion of the bridge, but allowances aggregating \$5,200.98 were made to such contractor over and above the contract price.

Repeated efforts have been made on the part of the present City Engineer to force the contractor for the bridge to make necessary repairs, but as he had received all his money, we have not been able to get work done which was absolutely necessary to protect the integrity of the structure. The present City Engineer has refused to accept this bridge because of the imperfect work done.

The appropriation provided for by the ordinance above referred to, I deem to be absolutely necessary, but proceedings will be immediately instituted upon the bond of the contractor to secure a reimbursement to the city of the moneys expended on this account. This bridge is less than two years old. Today we find the coping of the balustrade partly in the bed of Fall Creek, where it has either fallen or been pushed over. All of the stone columns in the balustrade were set in place without being fastened with dowel pins, being merely tipped on the top and bottom with a little cement, which of course yielded to frost and thus loosened such posts or balustrades to such an extent that unless the repairs contemplated are made at once the bridge will be damaged to the extent of many thousands of dollars. Every effort will be made to secure the return of this money from the contractor, as the repairs properly belong to him, his contract providing that upon the completion and acceptance of the bridge he should file a maintenance bond good for three years, a thing he has not done, and has refused to do. The city has been unable to get this bond because all the money was paid the contractor before the work was completed. If necessary to resort to the courts to secure the return of this money to the city, such action will be taken without delay. I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By the Board of Public Works:

General Ordinance No. 26—1907: An ordinance approving a certain contract granting the National Dry Kiln Company the right to lay and maintain a sidetrack or switch across Leota street south of C., H. & D. Railroad, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, *heretofore, to wit:* On the 6th day of March, 1907, filed its petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

GENTLEMEN—We the undersigned corporation petition your honorable body for permission to lay a switch track immediately south of the C., H. & D. railroad and across Leota street, as shown by attached drawing.

Now, therefore, This agreement, made and entered into this 6th day of March, 1907, by and between the National Dry Kiln Company, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

Witnesseth: That the party of the first part, being desirous of securing a right of way for a sidetrack or switch from the west line of Leota street to the east line of Leota street, just south of the C., H. & D. south track, in the City of Indianapolis, which is more specifically described as follows: Commencing at a point in the west line of Leota street at a distance of ninety-five (95) feet north of the northwest corner of Leota and E. Maryland streets; running thence in an easterly direction across Leota street to a point in the east line of Leota street, which is one hundred two and six-twelfths (102 6-12) feet north of the north line of E. Maryland street, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privilege and authority herein given, he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to properly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional side track or switch across in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

In Witness Whereof, We have hereunto set our hands this 6th day of March, 1907.

EXECUTIVE DEPARTMENT.
CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., March 27, 1907.

To the President and Members of the Common Council.

GENTLEMEN: The future of the Brightwood Water Works, acquired by the city at the time of the annexation of the town of Brightwood, has long been a subject requiring most serious consideration. In 1902, during my former term as mayor, the city found it necessary to expend a considerable sum of money in making repairs which were absolutely necessary to enable the plant to furnish water not only for domestic purposes, but for fire protection as well. In 1902-3-4 and 5, the city expended on this plant the sum of \$22,565.41, while the receipts for the same term from domestic and other users amounted to but \$10,608.96. During the same years there were in service thirty-nine fire hydrants in the territory embraced in the old town of Brightwood. Giving credit for these fire hydrants at the same price per hydrant paid by the city to the Indianapolis Water Company, amounting to \$6,620.00, would place the total revenues of the plant at \$17,228.96, thus showing the actual loss to the city for the operation of this plant during the four years named of \$5,336.45. This does not take into account any interest upon the investment of the city, nor does it include the payments made by the city upon the principal and interest of the bonds issued by the town of Brightwood for the construction of this plant. Even though this loss had been sustained, had the general physical condition of the plant been maintained to a high point of efficiency; had the necessary extensions been made and charged against the earnings; had replacements of worn out machinery been made and paid for from the same source, there might be some justification for a continuance of the present policy of management, but today, after sustaining this loss, we find ourselves confronted with the necessity of practically rebuilding both pumps and repairing both boilers should we endeavor to furnish even the small area now served with adequate fire protection. We are also called upon to make liberal appropriations for those extensions in pipe lines to which the people living in the northeast section of the city are undoubtedly entitled. In addition to this,

if the plant is to be made adequate for the wants not only of the new consumers who would be added after these extensions are made, but also to properly serve those already connected, the city must at once proceed to provide additional reservoir capacity or erect a stand pipe to furnish a reserve pressure for domestic as well as fire purposes.

In the matter of fire protection the plant is notoriously weak. An examination of the report of Messrs. Brossmann & King will show that even with the improvements provided for, the plant would not be able to furnish sufficient water to handle a blaze of more than ordinary size.

Personally, I do not believe that the present makeshift policy should continue. The city should do one of two things. It should either at once determine upon the expenditure of enough money to place this plant in first class condition together with sufficient funds to make extensions in order to secure consumers in sufficient numbers to render the plant not only self-sustaining but profitable, or it should determine upon a policy looking towards the disposal of the plant itself.

At the meeting of your honorable body held on October 15, 1906, acting upon a communication sent by myself to the Common Council, the President of the Council appointed a special committee of five, consisting of President Eppert and Messrs. Hofmann, Brown, Cotter and Sullivan to advise with the members of the Board of Public Works and myself as to the policy to be adopted in regard to this water works system. Sometime subsequent to this date, such committee engaged the services of Brossmann & King, consulting engineers, and the members of such firm were requested to make complete and thorough investigation of the plant, and to submit their recommendations. Such report I transmit herewith and embody as a part of this communication, marked "Exhibit A." After receiving this report, upon my own motion, I forwarded the same to Dabney H. Maury of Peoria, Ill., a consulting water works engineer, recognized as one of the leading authorities in this line of engineering, with the request that he analyze the same, accepting the statements of Messrs. Brossman & King as a true statement of the condition of the plant, and asking that his opinion be furnished as to whether or not the plant presented possibilities of profit should it continue to be operated by the city. This report of Mr. Maury, I transmit herewith, marked "Exhibit B."

I would suggest that both of these reports together with this communication be set out in full in the proceedings of your honorable body; that the city clerk be instructed to have sufficient number of extra copies printed in order that the people interested in the plant might be given an opportunity to study for themselves all the facts as set forth by the engineers named.

I am not ready as yet to take a decided stand upon the questions of the future of this plant, but I do not feel like longer permitting an injustice to be done to the great majority of the tax payers of Indianapolis in order that a small minority may be permitted to enjoy the doubtful advantage of a separate water works system.

The members of the Board of Public Works and myself are ready to confer with the members of your honorable body at any time you may fix.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

BRIGHTWOOD WATER WORKS.

BROSSMANN & KING,
CONSULTING ENGINEERS.

INDIANAPOLIS, IND., December 28, 1906.

To Hon. Chas. A. Bookwalter and Committee on Brightwood Water Works, Indianapolis, Ind.

GENTLEMEN: We herewith submit for your information and consideration the following report of our investigations of the Brightwood Water Works system. This investigation being taken to determine whether this system could be put in such condition that it would be self-supporting as well as handle a greater supply of water due to a spreading and increasing population. We submit first the report of our investigation and tests at the Olney street pumping station.

Equipment

The equipment of plant being tabulated below.

One 10x16x8½x10 inches Worthington Compound Duplex pump. Capacity, 600,000 gallons per day.

One 9x7x10 inches Worthington Duplex pump. Capacity, 400,000 gallons per day.

Two Cook deep well pumps, 10x36 inches steam engine. Capacity, 200,000 gallons per day.

One tank 16'-0x4'-0 dia. used for feed water heater.

Two 54"x16'-0 return tubular boilers, Chandler & Taylor, 70 H. P. Reservoir 18'-8 dia. x 20'-0 deep. Capacity 40,000 gallons.

Tests

Two tests were taken at the pumping station to determine the amount of water being pumped, the coal burned and cost of pumping water with a view toward making a reduction in the operating expenses at the pumping station.

The first test taken was with Indiana coal, December 1.

The second test was with Pocahontas coal, December 7.

Pumpage of Plant

The pumpage of plant was determined by measurement from the reservoir. The deep well pump being stopped during the measurement period. The service pump used was the 10x16x8½x10 Worthington Compound. The average amount of water pumped being 4400 gallons per hour, or 105,600 gallons per 24 hours, at the above rate per hour. This amount of water, however, is not used, as the night consumption is less than the day, the actual consumption was determined by placing counters on the pumps.

Below is given the actual water pumped per day:

6 p. m. to 6 a. m.... 45,588 gallons

6 a. m. to 6 p. m... 47,869 gallons

93,457 gallons 24 hours.

The amount of water pumped per hour during the test averaged 4400 gallons, which is about one-third of what a pump of such size (10x16x8½x10) duplex should deliver at the speed indicated by counter (1400 revolutions per hour).

After the tests an examination of the water end disclosed the fact that the WATER END of pump was in bad CONDITION. The pump was tested for slippage and it was found that MORE WATER WAS PASSING AROUND THE PLUNGERS THAN WAS BEING PUMPED INTO THE MAINS.

The boilers are rated at 70 H. P. on the first test they developed 32 H. P. and on the second test 35 H. P. As the water pumped in summer is much greater than at the present time of year there is little doubt that the boilers work almost double this at times in the summer months.

However the grate surface under boilers which is 22½ square feet, is much too large for the present work admitting an excess of air and producing improper combustion.

The tank used as a feed WATER HEATER is very INEFFICIENT for this purpose, allowing the exhaust steam to waste before the water is heated; and delivering the feed water to boilers at a low temperature.

The BOILER FEED PUMPS are in POOR CONDITION and should be replaced with a new pump or repaired and put in good condition. In general the entire equipment at the Olney street pumping station is in such shape that it is impossible to run the plant economically, owing to the fact that PARTS OF THE PLANT ARE IMPROPERLY ARRANGED AND PROPORTIONED, and parts of the machinery are in such shape that it is OPERATING UNDER WASTEFUL CONDITIONS.

It will be possible to save at least 20 per cent, and perhaps as high as 40 per cent in fuel bills at this station by making the proper changes. We would recommend changes as follows:

Replace water plungers in 10x16x8½x10 pump with packed piston.

Replace present tank used as Feed Water Heater with a modern heater that will give a high feed water temperature.

Repair boiler feed pump.

Equip boilers to burn a cheap grade of coal.

These changes would involve an expenditure as shown below:

| | |
|----------------------------|-----------|
| Repairing Pump..... | \$ 300.00 |
| New Feed Water Heater..... | 175.00 |
| Boiler Feed Pump..... | 90.00 |
| Changes on one boiler..... | 1,200.00 |

Total\$1,765.00

These improvements will make a saving under the following conditions:

That Pumps BEING KEPT IN GOOD CONDITION and that a CHEAP GRADE OF COAL BE USED, say Indiana nut and slack, at \$1.65 per ton, it will be possible to cut down the present coal bill 25 per cent at least, which will amount to \$400.00 per year.

The above amount expended being entirely justified by the saving.

On pages 6 and 7 are the logs of tests taken December 1 and December 7. Reference to these show that they check each other very closely on the pump speeds and the amount of water pumped. The summary of tests, page 8, show that the water evaporated per pound of Indiana coal is much lower than for Pocahontas. The condition at boiler, owing to large grate area, plain grates, and method of firing

are greatly against the successful burning of western coal. The price per ton of Pocahontas coal given \$2.90 per ton seems low, but taking this figure it costs $18\frac{1}{2}$ cents to make 1000 pounds of steam, which price can easily be reduced. The price, $18\frac{1}{2}$ cents, can easily be brought down to 14 cents and possibly as low as 11 cents. Bringing price to 14 cents would reduce the coal bill 25 per cent.

Cost of
Pumpage

On page 10 is given cost of pumping and delivering 1,000 gallons of water to the consumer. This amounts to 14 95-100 cents per 1,000 gallons, which can be reduced about $1\frac{1}{4}$ cents per 1,000 gallons, making the cost 13 70-100 cents per 1,000 gallons; these figures include interest charges but no sinking fund allowance. The cost of delivering water can be still further reduced, but only by increasing the consumption.

Relation of
Receipts and
Expenditures

On page 9 is shown a chart which will illustrate graphically the rapid divergence of amounts in receipts and expenditures. The amounts for the year 1898 to 1906 as given by the city have been plotted and an average curve drawn through these amounts, the years 1904-1905 being omitted for the reason that the expenditures seem unusually high, these years. It will be seen that the plant is just getting in the place of being self-supporting.

Effect of
Increased
Consumption
on Rate

It should be borne in mind that as the consumption of water increases in the Brightwood District that the total expenses per 1000 gallons of water pumped will decrease very rapidly, this owing to the fact that while the consumption increases the salaries of employes remain at a constant figure, the fuel and maintenance expense only, increasing.

For example, should you double the present domestic consumption of 1906 and receive the same rate the receipts would be as follows:

| | |

On page 12 is shown a chart illustrating the great reduction in expense owing to an increased consumption. This chart is based on actual figures for 1906. The expense is reduced 50 per cent by doubling the consumption. This is owing to the fact that the salary pay roll (which is the large item of expense) remains constant as it would take no more to pump ten times the present supply, the fuel and maintenance expense only increasing.

Chas. Grossmann Dec 06*

We find the mains are amply large to take care of at least ten Mains times the present domestic supply and allow at the same time for considerable future extension. The present reservoir has a capacity of 40,000 gallons, and while large enough to take care of fluctuations in the present domestic supply, it is not of adequate capacity to fight fires of any size. In order that the credit for fire hydrants be placed fairly, the present reservoir supply should be increased by an additional capacity of four to five times the present capacity.

This additional reservoir will allow of cleaning the reservoir alter- Reservoir nately and taking out the sediment which injures the pump plungers. The suction pipes entering reservoirs should be so arranged that water will be taken by float valves or some device to prevent the carrying of sediment into the pumps and mains. The present reservoir as now arranged has a pump four feet below the bottom of reservoir, and all accumulations in the reservoir are passed through the pumps and into the mains. This is hard on the pumps and makes the plungers wear rapidly and also deposits sediment on the mains.

Following is given the data on capacity of pumps and reservoirs as well as length of time that reservoir will furnish water for fires.

The future sewerage installation at Brightwood will be an important factor, that will increase the revenue and consumption at Brightwood. With the advent of sewers, the closet and bath service will be undoubtedly increased. The number of houses taking water at present is 400, only eleven of these have closets and only sixteen bath service. In other words, the revenue from baths and closets is shown to be only \$81 per year for all Brightwood water users. Sewerage

The great need of the plant at present is more consumers; more custom; and every effort should be made to increase the consumption of water. There is no reason why this plant cannot be put upon a paying basis if it be properly arranged and conducted, and if thought is given to its future business. The business should and must increase Need of Plant

as the population increases. A thorough canvass should be made to determine how many users of well water desire to use the water from the municipal plant. Mains should be installed, preference being given to the more thickly populated sections.

There are at present over 250 users of shallow well water who are situated on the streets having Brightwood water mains, and 229 houses within 1000 feet of the mains. As this section becomes thickly populated the majority of these must take from a better supply, and their recourse be water from the municipal plant.

The question of hydrants is a debatable one. There are at present thirty-nine hydrants supplied by the Brightwood pumping station which should be credited at \$45.00 per hydrant, as throughout the city. This gave the station a credit of \$1,755.00.

Aside from these hydrants there are six hydrants on city mains paralleling the Brightwood mains or within 200 feet of the Brightwood mains; and five hydrants on city mains in the old Brightwood corporation line within distances of from 400 to 1200 feet of Brightwood mains. If it be necessary that these fire hydrants be so closely spaced in this part of the city it would seem fair that the aforementioned hydrants be credited to the Brightwood plant, as they are all within the old corporate limits of Brightwood.

Giving the Brightwood system the credit for these hydrants would give a total of 50 hydrants, that would place the total hydrant credit at \$2,250.00.

The credit of fire hydrants, however, can only be placed fairly by increasing the present storage supply as mentioned on page 14, and while the fire service is seldom required, it is necessary that such a supply be obtainable when necessary.

The large map herewith attached shows all houses situated on or near the Brightwood mains. We have made a thorough canvass of this district and have shown everything on the map that has any bearing on the Brightwood water works.

The total number of houses are tabulated below:

Following herewith is given the income for the year 1906, as given through the courtesy of Mr. Sherman, of the Department of Public Works. We find the total number of consumers checks very closely with our canvass of this district. This amount does not include the credit for free hydrants. A comparison of the total expenditures and total receipts shows that the Brightwood pumping station has made a better showing for the year 1906 than heretofore, and it will be possible with a slight readjustment of rates and extra vigilance regarding inspection to increase the total income. There are numerous double houses with two families taking water from one tap. If these are not paying for two houses this should be remedied. A flat rate of \$8.00 is charged for dwellings, but some large dwellings should undoubtedly bring a higher rate.

There are a few houses using water without payment. By a careful inspection of the above mentioned services and the obtaining of additional consumers the receipts of plant would be materially benefited and put on a paying basis.

Following is given appendix "A" giving receipts and expenditures for the year 1906.

Appendix B gives receipts for 1907 allowing for improvements; an increased consumption and slight readjustment.

Appendix C gives receipts similar to "B" except a water tower is included in improvements and the services of a night engineer dispensed with.

Appendix D gives receipts same as B. Improvements provides for a new installation of pumps and engines at station, also stand pipe. Engines to be operated by one engineer and helper. Fuel, coal oil or gasoline. Plant to be operated day time only.

Making entire new equipment for pumping with oil or gasoline. The plant run in this manner can be operated by one man. As a helper it would be possible to pay some one regularly employed by the city with a slight allowance per year. This could be done by paying one of the city firemen located at the hose house, say \$150.00 per annum to help around the pump plant. These duties would be light and would not tax this man against his services as fireman.

Surplus\$395 83

In conclusion our recommendation would be to adopt alterations as suggested in Appendix "B". This would consist of alterations in pumping plant and installing a new reservoir and such mains as would be necessary to get new consumers. This would call for a total expenditure of \$5765.00 for improvements.

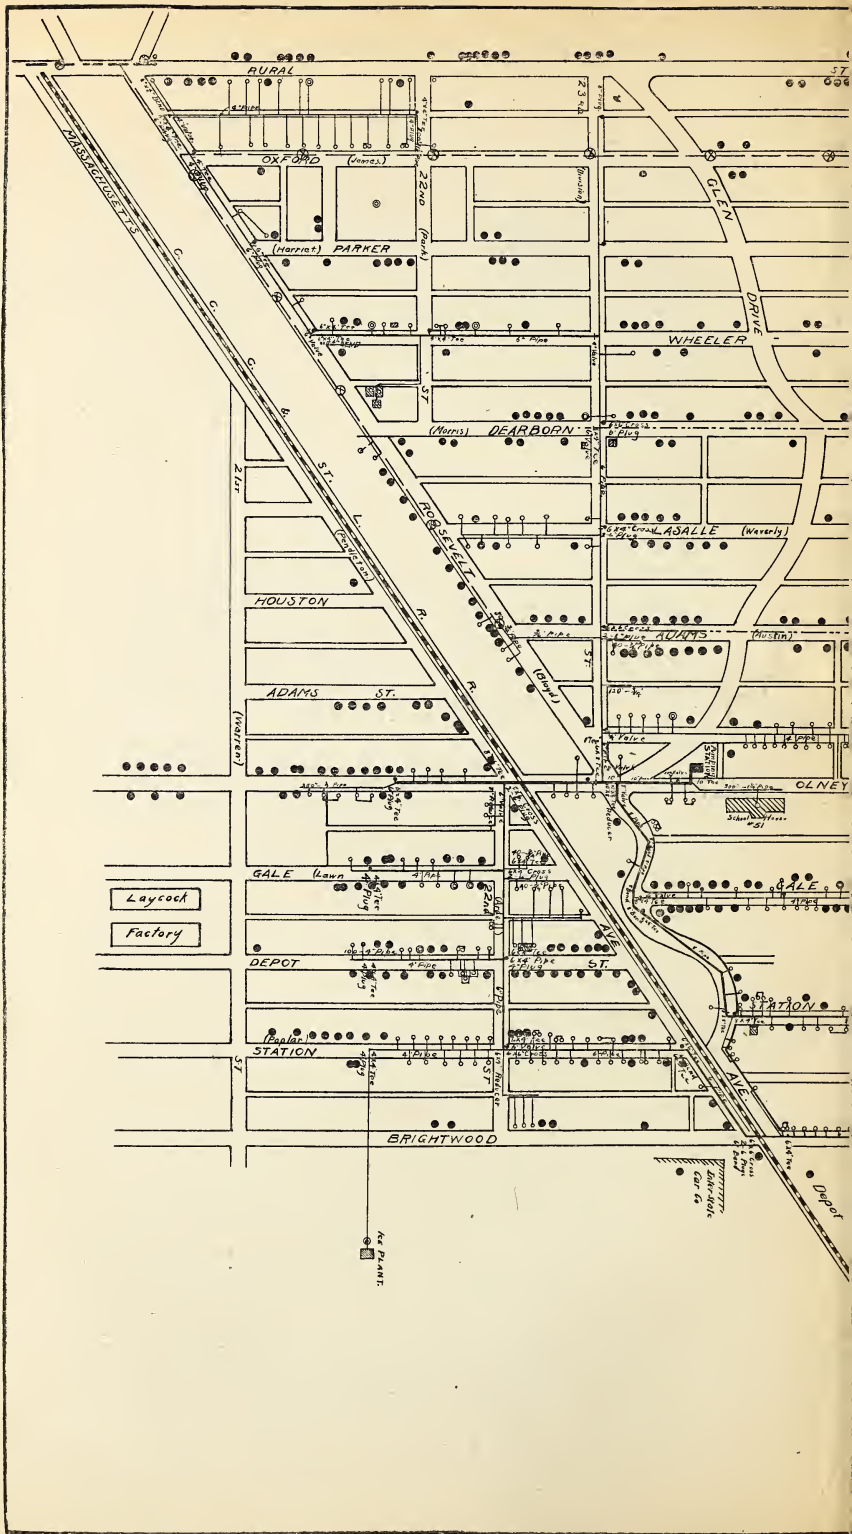

The cost of operating plant and providing for sinking fund and paying interest would be.....\$5441 40
 The total anticipated receipt being..... 6009 83
 This leaves a surplus of..... 568 43

The cost of different methods of improvements run very close as far as the yearly balance is concerned; but the attitude which is to be held toward this plant has some bearing upon the matter.

Respectfully submitted,

REPORT ON BRIGHTWOOD WATER WORKS.

DABNEY H. MAURY, *Consulting Engineer.*

DABNEY H. MAURY,
CONSULTING ENGINEER,
ENGINEER PEORIA WATER WORKS CO.,

PEORIA, ILL., Feb. 14, 1907.

*Hon. Charles A. Bookwalter, Mayor,
Indianapolis, Ind.*

DEAR SIR: Having been requested by you to analyze a Report on the Brightwood Water Works, made on December 28th last, for the City of Indianapolis by Messrs. Brossmann and King, Consulting Engineers, and to give you my opinion of the conclusions of said Report, with especial reference to the advisability of the City's spending the money called for in Appendix "B" thereof, I beg to submit the following:

In addition to the Report above referred to, you have since furnished me a copy of an earlier Report on the Brightwood Water Works, dated June 10, 1904, addressed to the Board of Public Works, and apparently prepared by the Clerk of that Board as the result of an investigation conducted by Mr. Robert F. Emmett. A copy of the Emmett Report is attached hereto as Exhibit A.

In response to a letter from me, I have also received from Mr. Blaine H. Miller, City Civil Engineer, certain other data in regard to the Brightwood plant, my letter and his reply being attached hereto as Exhibits B and C respectively.

I am familiar with the plant of the Indianapolis Water Company, having recently spent several weeks in an investigation of its physical features for the Commission on Municipal Ownership and Operation, of the National Civic Federation of New York.

Referring next to the report of Messrs. Brossmann and King:—I am instructed by you, in preparing my opinion, to assume as correct the data of these Engineers as to tests, present condition of plant, and cost of proposed repairs and extensions. I take this occasion to say that the tabulated statements of results of tests, and the map giving information in regard to various physical features of the plant, show very careful and painstaking work on the part of these gentlemen.

I cannot, however, endorse the method by which they have arrived at the "Expenditure Curve" shown on page 9 of the Report. In plating this curve, the three highest years, 1903, 1904 and 1905, were omitted entirely, as not being "average years." It is manifest that all the high years should not be omitted from a curve which is designed to show, from past experience, what might be considered as normal figures for the future.

The figures given for individual years in Exhibits A and C are so different from those indicated by the points on the platted Expenditure Curve, that it is difficult to make a close estimate of the error due to the omission of the high years from that curve but as nearly as I can tell, the estimated yearly expenditures would be increased by about \$600.00 if these years had been taken into account, as they should have been.

While this is of itself an important omission, it is not nearly so important as another to which I shall now refer.

The authors of the Report have made all their estimates of future results without regard for the earning power of the money which may be said to be locked up in the plant. In other words, they have apparently given no consideration to the present value of the plant as a salable commodity, nor to the interest which the proceeds of its sale would net to the city.

There are a number of minor details in the estimates to which reference might be made, the net result of which would be to still further increase the estimates of expenditures; but as the point last mentioned overshadows all the others in importance, and is sufficient of itself to determine the whole question under consideration, what follows will be limited to the discussion of that point.

The only logical purchaser of the Brightwood Water Works as a going concern would be the Indianapolis Water Company. This Company, if it bought the plant, would naturally connect the Brightwood mains to its own distribution system, shut down the Brightwood pumping station, and supply the same water and fire protection to consumers in Brightwood which it now gives to its other consumers in Indianapolis, and at the same rates.

I am informed that the present rates in Brightwood are practically the same as the rates of the Water Company; so that the rates of consumers in Brightwood would not be affected by the change.

The water at present supplied by the Water Company is drawn in part from wells in the same deep stratum as the Brightwood Wells, the balance being filtered water from White River. ; I should consider the filtered water at least as good as the well water.

The fire protection which would be afforded by the Water Company would be much more effective than that which could be furnished by the Brightwood plant even after it had been improved as contemplated in Appendix "B" of the Brossmann and King Report; so that, in so far as service is concerned, the consumer in Brightwood would gain, rather than lose, by the sale of the plant.

From the description of the plant as given in the Report of Messrs. Brossmann and King, its present physical value, based on the cost of reproduction at present prices for material and labor, less existing depreciation, should be in the neighborhood of \$30,000.

Its going value could only be determined after a calculation more intricate than the purpose and scope of this Report would justify; but let us assume for the sake of illustration that the going value amounts to \$15,000.00; so that the sum of the physical and going values of the plant may be said to be \$45,000.00.

The interest on \$45,000.00 at 3¾% would be \$1,687.50. The taxes which would be paid by the Water Company on the plant, figured at \$2.13 per \$100.00 on 60% of the above physical value, (See Paragraph 7, Exhibit C) would amount to \$383.40 per annum, of which the city's share, at 88 cents per \$100.00, would be \$158.40.

In short, considering the above interest and taxes, and the various items which, as hereinbefore stated, would tend to increase the estimated annual expenditures for maintaining and operating the plant, the city would, from a purely financial standpoint, profit to the extent of at least \$2,000.00 per year if it could sell the plant at a fair price.

In view of all of the foregoing facts, I have no hesitation in recommending the sale of the Brightwood Water Works, provided the plant can be sold at an appraised valuation it being distinctly understood that the appraisers shall take into account the going value as well as the physical value of the plant.

I further recommend that the sale, if it be made at all, be made as soon as possible, so that the city may profit by the present very high price of cast iron pipe, and may also be saved any outlay for improvements at the Brightwood Pumping Station, the cost of which improvements the appraisers might not be willing to recognize in full, in view of the fact that, if the plant should be sold, the Station would at once be dismantled.

I am, Sir,

Respectfully yours

DABNEY H. MAURY.

EXHIBIT A.

INDIANAPOLIS, IND., June 10, 1904.

M. A. Downing, Jacob Woessner, David Wallace, Board of Public Works.

GENTLEMEN: In accordance with your directions, I desire to submit a statement of the facts in connection with the investigation of the Brightwood Water Works.

This investigation has covered several months and has been conducted largely by Mr. Robert F. Emmett, who was designated by the Board to make a re-inspection of the plant and domestic and commercial service. Mr. Emmett has covered the field thoroughly and his report is found largely in tables made appendixes to this report.

The Brightwood Water Works was built by the town of Brightwood nine years ago at a cost of \$18,000. The money for its construction was obtained by an issue of bonds which became a part of the city debt by the annexation of Brightwood in 1897, and \$14,000 of this debt, which bears six per cent. interest, remains unpaid. The pumping station consists of 2 boilers 54" in diameter and 16 feet long, 2 Worthington pumps with daily capacity of 1,080,000 gallons, 1 D. A. Cook Deep Well pump, capacity 150,000 gallons per day; and 1 United States Deep Well pump, capacity 100,000 gallons per day; 1 Laidlaw-Dunn-Gordon boiler feeder and 1 Worthington boiler feeder. The boilers are in good serviceable condition, one of them having been put in within the past sixty days, and the other having been repaired. The pumps are doing good service, but are much worn and show a large proportion of deterioration. The plant consumes $2\frac{3}{4}$ tons of coal per day. According to the report of Mr. E. N. Shimer, Chief Engineer, the service system has the following mains:

| | |
|-------------------------|-------------|
| 10 inch..... | 365 feet |
| 8 inch..... | 2,945 feet |
| 4 inch..... | 11,100 feet |
| 6 inch..... | 14,345 feet |
| 2 inch..... | 1,000 feet |
| $\frac{3}{4}$ inch..... | 1,970 feet |

These mains are not much depreciated by their use, but are not deemed adequate for ample fire protection.

The inspection made by Mr. Emmett discloses that a great many services, domestic and commercial, have been enjoyed by residents of Brightwood without any compensation therefor. This report has been made upon all of these and it is the purpose, if the Board so directs, to place them on the books for arrearages and bill the same with the regular bills July 1. The inspector also found that contractors for buildings and many others had been continually using water from old

taps and from fire hydrants without any compensation to the city therefor. The receipts of the Brightwood Water Works for the year 1903 disclose the fact that \$7,029.68 was required to maintain this plant during that year, while the receipts from all sources were but \$2,189.58, a deficit of \$4,846.10, more than three times as much as any deficit has been since Brightwood was annexed to the city.

Appendix A shows the receipts for six years to have been \$10,264.92 less than the expenditures upon the plant. The receipts, however, did not include a credit item for the thirty-nine fire hydrants in the city which, at the rate of \$47.50 per each hydrant annually, would amount to \$11,115.00. Adding this to the receipts would show a nominal profit of \$850.00 during the six years that the city operated this plant. But the item of expenditures does not include the annual interest charged on \$14,000 of public debt, which was created when the water works was built and which was assumed by the city. In the six years this has amounted to \$5,040, and by adding this to the expenditures and deducting from the total all the receipts including the credit items for fire hydrants, the city has lost above any possible credit to the Brightwood Water Works \$5,066.48.

The credit for fire hydrants is to some extent an exaggeration, as it is the opinion of the Fire Chief Coots, that except for small fires, the service of the plant is entirely inadequate. The reservoir at the pumping station, according to the estimate of the Chief Engineer, is able to maintain two $1\frac{1}{4}$ " streams for two and three-quarter hours. Any addition to the two streams would rapidly exhaust the plant and reduce the pressure to a point below value. It is the opinion of the Fire Chief that for any fire requiring service streams, the Brightwood Water Works would be of service but a short time. It is the opinion of both the Chief and Mr. Shimer that in order to bring the fire protection to a high point of efficiency, a reservoir not less than four times the size of the present one should be constructed. So that the credit for fire hydrants is in excess of the real service given by them in anything except the minimum.

Appendix B is a table showing the total number of services of all kinds within the property lines, the rate that has been charged for each in the past and the corresponding rate for the same service charged all over the rest of Indianapolis by the Indianapolis Water Company. This shows that domestic is paying \$1,968.00 where the same would under the city rates bring \$2,465.00. The other items in the table do not differ largely from the regular city rates, except in the matter of special service. The city is now receiving \$180.00 for wholesale use of water by three concerns. It is estimated that all the concerns that use water in great quantities would, if placed upon meter rates, pay at least \$600.00 a year. The city is in addition getting \$150.00 for street sprinkling, which has not been an item in the receipts before. In all the 558 individual services of all kinds in Brightwood should pay now under the present rates \$2,499.50, while, under the city rates, they would pay \$3,488.20. In addition, vigilance on the part of the inspector and re-inspection of many places, would add approximately \$350.00 yearly for the use of water in building for other purposes. Continuing the credit of \$45.00 per annum for fire hydrants, gives the city a gross income of \$5,588.20. As against this, there is a pay roll estimated at \$2,340.00 annually and fuel bill estimated at \$2,511.20 (basing this item on a consumption of 2 $\frac{3}{4}$ tons daily at the average price of \$2.50) and a betterment charge of \$500.00 annually, making in all \$5,351.20 of expenses. Owing to the fact that the Brightwood Water Plant has practically run itself for several years, that connections have been made without proper charges having been made upon the books, that the inspection evidently has been neglectful and that the cost of maintenance has not been watched carefully, the plant

is now in a condition where it would require considerable expenditure to put it in a complete state of efficiency and to make proper charges for all the water that is used.

At present the restrictions in the use of water are few. The schedule in force when this Board came into office was no different from the schedule of rules in force when the Town Board of Brightwood had charge of the plant. At that time the fuel bill for natural gas was \$35.00 per month. Now the fuel bill exceeds \$200.00 per month. At that time there was no requirement that licensed plumbers make connections with taps to the mains, nor was there any restriction upon domestic use in the way of self-closing faucets or other economical devices. One of the most marked illustrations of the waste of water has been at the school building where sixteen faucets were permitted to run all day in order that water might be kept from being heated by steam pipes which ran parallel with the water service pipes. What was true in this school building was true of most of the domestic services in the town. The inspection made by Mr. Emmett shows that gross license has been enjoyed in the use of water, and that many have been paying \$6.00 a year for domestic when they should have been paying a much larger amount even under the existing rates. These individual cases can be explained to the Board by Mr. Emmett who is thoroughly familiar with them.

Service connections with the mains have under the rules now in existence been made by the city, and for these connections a tap fee of \$8.00 was charged. This permitted any one to make a connection and the city had no means to require the replacing of the streets in proper condition. It is suggested that the rules that govern over the rest of Indianapolis, that connections must be made by a licensed plumber under bond, should be adopted for the Brightwood Water Works. Under this system the plumber is required to take out a permit from the City Engineer's office to open the street to make the connection to the mains, and for this a fee of \$1.50 is charged. Being under bond the city can always locate the responsibility for failure to restore a street. The receipts from tap fees, however, in the course of a year is not an important item.

During the past six months the Board has been called upon to spend \$1,525.38 in betterments upon the pumping station. This included a new boiler and repairs to the old one. The condition of the pumping machinery is such that repairs may be expected at any time in the future, the cost of which will be uncertain. The experience since this Board has been in office with fuel has been to reduce the expense in this direction about \$50.00 per month. It is probable that a new well will be necessary should the Board decide to increase the reservoir capacity. All these things will take money. The most liberal estimate as to the receipts does not indicate that the business of the plant itself will provide this money, nor will that business provide enough even to take care of the interest on the water works, but much less to even start a sinking fund to extinguish this debt as it falls due.

An increase to the present city rates would equalize the consumers of the Brightwood plant with the rates of Indianapolis. It would as to domestic service make considerable increase, and it is possible that by careful inspection, by vigilance and by extensions, the Board could increase the income to a point where with the credit for fire hydrants, the plant would be practically self-sustaining, but there appears no hope of the plant ever reaching an efficiency in earning capacity to provide for the bonded debt.

In submitting this report to the Board, I wish to commend the zeal and efficiency of your inspector, Mr. Emmett, and your Chief Engineer, Mr. Shimer, who have collected all the facts in detail concerning this plant.

Respectfully,

Clerk.

EXHIBIT B.

PEORIA, ILL., Feb. 8, 1907.

Hon. Charles A. Bookwalter, Mayor, Indianapolis, Ind.

DEAR SIR: Your favor of 29th ult. asking me to analyze for you a report recently made on the Brightwood Water Works Plant by Messrs. Brossmann and King, Consulting Engineers, reached me, as you know, just as I was starting East on a business trip from which I returned only yesterday. I have since received from you a copy of a report to the Board of Public Works, dated June 10, 1904, based on data obtained by Mr. Robert F. Emmett, and accompanied by a table of the then existing and contemplated receipts and expenditures.

My unavoidable absence from my office has prevented my giving these matters earlier attention; but I now write to ask you for some farther information necessary to a fuller understanding of the situation, in order that I may complete my report to you.

The points on which I should like to be enlightened are the following:

(1) What has been the fair market price of Indiana nut and slack coal per ton, delivered at Brightwood Pumping Station, during each of the past 10 years, including 1907? If no coal of this class has been bought in any of these years for the plant, then kindly quote approximate market price F.O.B. cars on nearest siding, plus a fair allowance for hauling to plant and unloading.

(2) What have been the amounts paid for salaries and labor and materials in connection with the maintenance, repairs, and operation of the works in each of the years above mentioned? Particularly in 1903, 1904, and 1905, omitted in the report sent to me?

(3) What is the average elevation in Brightwood above the center of the City of Indianapolis, say, at Monument Circle?

(4) Is, or is not, the water taken from the Brightwood wells similar in character to that portion of the water which is supplied from wells by the Indianapolis Water Company? (I understand that the wells in both instances have a depth of over 300 feet.) And does or does not water from all of these wells contain some iron? Kindly send me an analysis of Brightwood water if there be one available.

(5) How do the rates now in force in Brightwood compare with those charged by the Indianapolis Water Co. for similar service?

(6) At what rate can the City of Indianapolis borrow money?

(7) What is the tax rate in Indianapolis, and how is the assessment made up, with special reference to the physical value of property owned by corporations? That is to say, supposing the actual physical value of a plant, based on cost of duplication less depreciation, to be,

for example, \$100,000, on what per cent. of this actual value would the annual tax rate ordinarily be levied, and what would this tax rate be?

(8) The vital question of whether or not it would pay the city to continue to operate the Brightwood plant cannot be satisfactorily answered without some knowledge as to the amount for which the plant could probably be sold. It is therefore important to know, if possible, whether the Indianapolis Water Company wishes to purchase the Brightwood plant from the city, and if so, whether that Company would probably be willing to pay it on the basis of an appraisal of the physical and going values of the plant.

(9) If the Indianapolis Water Company is not to be considered as a possible purchaser, is there any other party to whom the plant might be sold as a going concern with a view to its continued operation?

(10) In addition to the above information I should like to have two copies of the latest pocket maps of Indianapolis, which can be purchased, I presume, for 25 cents each at any local stationer's. On these maps I should be glad if you will kindly have marked for me the limits of the territory supplied, or that can be supplied, by the Brightwood Water Works plant.

As I am already familiar with the physical features of the plant of the Indianapolis Water Co., having investigated that plant for the National Civic Federation last summer, I think that if you will kindly send me the information asked for above, it would not be necessary for me to visit the Brightwood plant in order to render you a report on the points in question.

Thanking you in advance for the desired information, I am, Sir,
Very truly yours,

[Signed] DABNEY H. MAURY.

EXHIBIT C.

INDIANAPOLIS, February 12, 1907.

Mr. Dabney H. Maury, Consulting Engineer, Peoria, Illinois:

DEAR SIR: Mayor Bookwalter has referred your favor of February 8th to me for answer, and I beg to report as follows:

(1) The price of Indiana Nut Coal screened is at present \$1.70 to \$1.90 per ton in car load lots F.O.B. Indianapolis. The price on this coal has been from five to fifteen cents per ton less during the last seven or eight years. Indiana slack is now selling for from \$1.00 to \$1.20 per ton in car load lots F.O.B. cars Indianapolis. This coal has not varied greatly in price in the last seven or eight years. A fair price for hauling and unloading is 30 cents per ton.

(2) The following table will give you the expenditures and receipts from 1898 to 1906 inclusive:

EXPENDITURES.

| | |
|------|------------|
| 1898 | \$2,345 59 |
| 1899 | 3,468 03 |
| 1900 | 2,911 24 |
| 1901 | 3,000 00 |
| 1902 | 3,446 87 |
| 1903 | 7,029 68 |
| 1904 | 6,447 86 |
| 1905 | 5,641 00 |
| 1906 | 4,313 88 |

RECEIPTS.

| |
|------------|
| \$1,118 02 |
| 1,325 78 |
| 1,914 90 |
| 2,059 38 |
| 2,580 32 |
| 2,183 58 |
| 2,639 60 |
| 3,205 46 |
| 4,313 88 |

I would call your attention at this time to a credit which should be given to the Brightwood Water Works on account of 39 fire hydrants at an average price of \$47.50 per hydrant, the average price paid by the city to the Indianapolis Water Company for other fire hydrants.

(3) The average elevation of Brightwood is about 70 feet above the elevation at the Monument Circle.

(4) Regarding the analysis of the water furnished by the Brightwood Water Works, I am unable to furnish you with same at this time but will have an analysis made at once. I understand that there is a great deal more iron in the Brightwood water than in that of the Indianapolis Water Company, and that this has caused some corroding of the pumps and other machinery at the Brightwood Water Works.

(5) The rates now in force in Brightwood are about the same as those of the Indianapolis Water Company for similar service.

(6) As to the rate at which the city can borrow money, I would state that their 3½% bonds are now selling at a premium and that on short time loans they could probably borrow at a rate of somewhere between 3½% and 4%.

(7) The tax rate in this city is \$2.13 per \$100.00 of assessed valuation, of which the city receives 88 cents. The assessed valuation is 60% of the actual value of the property. For example: Supposing the actual physical value of the plant, based on cost of duplication less depreciation, to be \$100,000, the assessed valuation would be \$60,000, and the tax rate \$2.13 per \$100 on this amount.

(8) There are no figures which I could give you in regard to the price for which the Brightwood Water Works could be sold. I understand that some years ago the Indianapolis Water Company came before the Board of Works and offered to buy the plant but no figures were mentioned at that time. I believe in the event of any sale the city would require the Water Company, or any one else, to pay for the plant on the basis of an appraised, not an assessed value.

(9) I do not know of any other parties besides the Indianapolis Water Company to whom this plant might be sold.

(10) I am sending you herewith the maps for which you asked, on which I have marked the limits of the territory supplied, and that can be supplied by the Brightwood Water Works plant.

Any further information you may desire will be gladly furnished.

Very truly yours,

(Signed) BLAINE H. MILLER,
City Civil Engineer.

INTRODUCTION OF APPROPRIATION ORDINANCES.

By the City Controller:

Appropriation Ordinance No. 8—1907: An ordinance appropriating \$200 to the Department of Finance to defray expenses of Memorial Day services, and fixing a time when the same shall take effect.

SECTION I. Be it ordained by the Common Council of the city of Indianapolis, Indiana, That the sum of two hundred (\$200) dollars be, and the same is hereby, appropriated to and for the use of the Department of Finance for the purpose of defraying the expenses incidental to the proper observance of Memorial Day, May 30th, 1907, and the City Controller is hereby authorized to draw warrants for the whole or any part of said sum.

SEC. 2. This ordinance shall take effect and be in full force from and after its passage.

Which was read a first time and referred to the Committee on Finance.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works:

General Ordinance No. 28—1907: An ordinance approving a certain contract granting Harry W. Fuehring the right to lay and maintain a switch or sidetrack from the freight running track of the Pennsylvania Railroad across the first alley east of Oriental street and Oriental street, north of Southeastern ave. according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: On the 29th day of March, 1907, Harry W. Fuehring filed his petition before the Board of Public Works of the City of Indianapolis, Indiana, as follows:

INDIANAPOLIS, IND., March 29, 1907.

To the Board of Public Works, Indianapolis, Indiana:

GENTLEMEN: The undersigned, Harry W. Fuehring, of Indianapolis, Indiana, respectfully petitions your Honorable Board, asking permission to abandon the switch or side-track across Oriental street designated "C" and "D" on the drawing attached hereto filed herewith and made a part of this petition and for certainty marked "Exhibit A," and your petitioner asks permission to construct and maintain a switch or side-track, at the same time said above named switch or side-track is abandoned, from the freight running track of the Pennsylvania Railroad across the first alley east of Oriental street, and across Oriental street, north of Southeastern avenue, in the City of Indianapolis; said switch or side-track to be constructed and maintained across the above named alley and street, as shown by the drawing attached hereto and marked "Exhibit A."

Your petitioner prays that the privileges and authorities herein requested shall be granted upon such terms and conditions as may hereafter be agreed upon by contract.

HARRY W. FUEHRING.

Now, therefore, This agreement made and entered into this 1st day of April, 1907, by and between Harry W. Fuehring, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part, witnesseth:

That the party of the first part being desirous of securing the right-of-way for a switch or side-track across the first alley east of Oriental street and Oriental street in the City of Indianapolis, which is more specifically described in the petition of the said first party hereto attached and made a part of this contract, hereby covenants and agrees and fully binds itself, its successors, legal representatives and assigns, that in consideration of the grant and privileges and authority herein given, it will lay, construct and maintain said switch or side-track upon terms and conditions herein set forth, to-wit:

1. It shall be laid, improved and kept in repair so as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

2. Said switch or side-track shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said switch or side-track shall be raised or lowered to conform to any grade which may, from time to time be hereafter established whenever so ordered in writing by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said switch or side-track.

3. The crossings where said switch or side-track intersects the first alley east of Oriental street and Oriental street shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossings or to be thereon except for such time as may be absolutely necessary in moving them back and forth and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

4. Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the city or the public welfare, to take up and remove said switch or side-track,

and upon said parties failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal, and in removing said track or causing the same to be done said Board shall in no wise become a trespasser.

5. The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said switch or side-track shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

6. The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said switch or side-track and to pay any judgments with cost, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

7. Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given by this contract: Provided, however, That the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled, "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional switch or side-track across the first alley east of Oriental street and Oriental street in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

In Witness Whereof, We have hereunto set our hands this first day of April, 1907.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., April 17, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I return herewith with my approval the following ordinances:

General Ordinance No. 28, 1907, being "An ordinance approving a certain contract granting Harry W. Fuehring the right to lay and maintain a switch or side track from the freight running track of the Pennsylvania Railroad across the first alley east of Oriental Street and Oriental Street, north of Southeastern Avenue, according to blue print attached in the city of Indianapolis, Indiana."

Appropriation Ordinance No. 8, 1907, being "An ordinance appropriating \$200 to the Department of Finance to defray expenses of Memorial Day services, and fixing a time when the same shall take effect."

Appropriation Ordinance No. 9, 1907, being "An ordinance appropriating to an additional use certain funds heretofore appropriated to the Department of Public Safety."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,
INDIANAPOLIS, IND., April 24, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I return herewith without my approval General Ordinance No. 30, 1907, being "An ordinance to prevent casualties by fire and to insure better protection of life and buildings from the escape of gas in case of fire in buildings in the city of Indianapolis."

I believe this ordinance was prepared originally and passed by your honorable body through a commendable desire to afford all possible protection to the people of Indianapolis against the grave dangers arising from escaping gas, but I cannot bring myself to approve the ordinance because of the fact that I have been unable to learn of any satisfactory device calculated to provide this protection. There may be a valve made of the kind contemplated in the ordinance, but it occurs to me that even should this be true it would not be fair to the many thousands of gas users in the city of Indianapolis to compel them to equip their homes with such device. The people should not be subjected to this great expense unless it can be demonstrated that the device will furnish the protection which the members of your honorable body had in mind at the time of the passage of the ordinance.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

General Ordinance No. 37—1907: An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Missouri Street, from SPL South Street, to NPL Merrill Street, with brick roadway and curbing.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana did on the 5th day of April, 1907, adopt Improvement Resolution No. 5062, 1907, for the improvement of Missouri Street, from south property line of South Street, to north property line of Merrill Street, with brick roadway and curbing.

WHEREAS, The said Board of Public Works did at the same time fix the 24th day of April, 1907, at 10 o'clock a. m., as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 6th day of April, 1907, and the 13th day of April, 1907, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, On the 24th day of April, 1907, the Board having met in regular session, took final action on said Improvement Resolution without modification; and

WHEREAS, On the 24th day of April, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said Improvement of Missouri Street, and

WHEREAS, On the 24th day of April, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the Board of Public Works of said City be, and the same is, hereby authorized and empowered to improve Missouri Street, from south property line of South Street, to north property line of Merrill Street, with brick roadway and curbing, in accordance with Improvement Resolution No. 5062, 1907, adopted by the Board of Public Works on the 5th day of April, 1907.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Public Property and Improvements.

By Mr. Bangs:

General Ordinance No. 38—1907: An ordinance fixing the salary of the Assistant Police Surgeon in the City of Indianapolis and fixing the time when the same shall take effect.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the salary of the assistant surgeon for the Police Force under the Department of Public Safety be, and the same is hereby fixed at the rate of Six Hundred Dollars (\$600.00) per annum.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Fees and Salaries.

By Mr. Royse:

General Ordinance No. 39—1907: An ordinance relating to the licensing, taxing and regulating of all shops, inns, taverns or other places where intoxicating liquors are kept for sale to be used in or upon the premises: and, regulating, restraining such inns, taverns, shops or places aforesaid, defining and designating the places, locality, room, building or other place where such liquors may be sold, and excluding the sale of such liquors from certain districts of the City of Indianapolis, and declaring an emergency.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, that it shall be unlawful for any person to sell, barter or give away any intoxicating liquor in the City of Indianapolis without first procuring a license from the City Comptroller of the City of Indianapolis, as hereinafter provided.

SEC. 2. Before any person shall engage in the business of selling intoxicating liquors within the corporate limits of the City of Indianapolis he shall make application to the Comptroller of said City of Indianapolis for a license to carry on such business and in such application he shall state his name, age and residence, with the place of residence and occupation for the two years preceding the making of such application, and shall in such application fully describe the premises wherein and whereon he desires to carry on such business, giving the street and number of the room and the various entrances to such room and whether any other business is to be carried on in the same room or in connection with such business, and with such application shall deposit with the said City Comptroller the sum of Two hundred and fifty dollars (\$250.00) as a license fee, and if such applicant shall be within the provisions of this ordinance and his place of business shall not be within the district in which liquors are prohibited to be sold as hereinafter provided said Comptroller shall make report of such application and the payment of the license fee to the Common Council of said City of Indianapolis, and upon such Council approving said application the Comptroller shall issue to such applicant a license for the sale of intoxicating liquors on the premises described in his application, but until such application for license is approved by the Common Council of said City the same shall not be issued by the Comptroller.

SEC. 3. It shall be unlawful for any person to engage in the business or occupation of selling, bartering or giving away intoxicating liquors at any place within five hundred feet of any Public School house or a public park within the corporate limits of the City of Indianapolis, and the Common Council shall not approve of any application and Comptroller of the City of Indianapolis shall not issue to any person a license for the sale of intoxicating liquors if it appear that the place wherein or whereon said liquors are to be sold shall be within five hundred feet of any such Public School house or public park aforesaid.

SEC. 4. It shall be unlawful for any person to have in connection with or in the place where intoxicating liquors are sold or are to be sold any Billiard Table, Pool Table, Bagatelle Table, Card Table, or other fixtures for hire or profit, and if the applications for such license shall disclose that the applicant intends to have any Pool Table, Billiard Table, Bagatelle Table, Card Table or other fixture for amusement or hire, the Common Council of the City shall not approve and the Comptroller shall not issue to such applicant a license.

SEC. 5. No license hereunder shall be issued for a longer period than one year and for no period shorter than one year.

SEC. 6. Any person violating any of the provisions of this ordinance shall be fined in any sum not less than fifty dollars and not exceeding Two hundred dollars to which may be added imprisonment in the County Jail for any period not exceeding thirty days and each day shall constitute and be a separate offense.

SEC. 7. Whereas an emergency exists for the immediate taking effect of this ordinance therefore the same shall be in full force and effect from and after its passage and the publication thereof for two weeks in a daily newspaper of general circulation printed and published in the City of Indianapolis.

Which was read a first time and referred to the Committee on Finance.

Which was read a first time and referred to the Committee on Ordinances.

MISCELLANEOUS BUSINESS.

By Mr. Portteus:

Resolution No. 6—1907: *Whereas*, The City of Indianapolis is making such a rapid growth in population, it becomes a necessity that we have a constantly increased number of lights added from time to time to properly light our streets so that our families and our neighbors' families are not constantly in fear of harm whenever they happen to be on our streets after night.

Whereas, Those residing in the center or more populous part of our city where they are more abundantly supplied with lights, do not keep apace with the rapid growth and building up of homes in the more suburban part of our city, consequently are not alive to the full need of a goodly number of additional lights being constantly erected to light many a dark and dangerous street.

Whereas, Judge McMasters has quite recently rendered a decision against the City of Indianapolis wherein he ruled invalid an ordinance providing a way for additional lights recently passed by this body, thereby depriving the city the benefit of several lights being maintained by the Rail Road Companies that were installed at railroad crossings for the sole purpose of safeguarding the public against danger to life and limb;

Whereas, With Judge Carter's decision and the discontinuance of the many gas and gasoline lights throughout the city and our entire light fund for 1907 will be consumed by maintaining lights now in use leaves our Board of Works in a very embarrassing position owing to the many demands on them for additional lights with no funds available for additional lights, therefore be it

Resolved, That we regret that the action of Judge McMasters was necessary believing that the railroads should bear at least a fair portion of the expenses incurred on account of their occupying and crossing streets. When the light budget for 1907 was made up the eighty odd lights provided for in ordinance was recorded, therefore be it further

Resolved, That we recommend that steps be taken by the Board of Works to provide funds for additional lights and that a conference be held by and between the members of the Board of Works at an early date with the members of the City Council as to the number of lights that are needed in each ward, therefore be it further

Resolved, That a copy of these resolutions be sent to Hon. Mayor, Chas. A. Bookwalter, and to the members of the Board of Works and Board of Public Safety.

Mr. Royse moved that the resolution be referred to the Committee on Public Property and Improvements.

Mr. Hilken moved to amend motion of Mr. Royse by referring the resolution to the Committee on Lights.

President Eppert declared the motion of Mr. Hilken out of order for the reason that there was no such committee.

Mr. Portteus called for aye and no vote on original question, resulting as follows:

Ayes, 20, viz.: Messrs. Brown, Cottey, Hamlet, Wood, Davis, Neukom, Smither, Rhodes, Bangs, Uhl, Stickelman, Portteus, Royse, Donovan, Sullivan, Hofmann, Hilken, Wright, Henry and President Frederick W. Eppert.

Noes, none.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT.

CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., May 15, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith without my approval General Ordinance No. 31, 1907, being "An ordinance amending Section 1 of General Ordinance No. 119, 1906."

I am advised by the Corporation Counsel that this ordinance is invalid for two reasons: first, in making the location of the skating rink depend upon the consent of the property owners within a block or square, it delegates the legislative power of the Common Council

to the dwelling house property owners in the locality; and second, it gives the dwelling house property owners in the locality opportunity to discriminate as to persons to whom they might give consent to establish a skating rink. I am also advised by the Corporation Counsel that ordinances similar in this particular have been repeatedly declared invalid by the courts.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,
INDIANAPOLIS, IND., May 16, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval General Ordinance No. 32, 1907, being "An ordinance concerning the compensation of all officers, heads of departments, clerks, assistants, and employes of the city of Indianapolis."

I approve this ordinance, not because I am satisfied with all of its provisions, because I do not feel that it provides an equitable arrangement of salaries in all instances, but because I recognize the fact that the increased cost of living has made it absolutely necessary for at least small increases to be given in order that we may secure the most competent help. While I am of opinion that existing inequalities have not been wholly remedied, I give my approval to this ordinance in the belief that these differences can be adjusted by future legislation.

I remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

At 8:05 o'clock p. m. Messrs. Neukom and Portteus entered the Council Chamber and took their seats.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works:

SWITCH CONTRACT.

General Ordinance No. 40—1907: An ordinance approving a certain contract granting C. W. Rossetter & Co. the right to lay and maintain a sidetrack or switch from the sidetrack of the Chicago, Indianapolis & Louisville Railway across Thirty-eighth street and in and along the first alley east of Winthrop avenue, to the property of your petitioners, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: on the 17th day of May, 1907, C. W. Rossetter & Company filed his petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

GENTLEMEN—We, the undersigned, respectfully petition for permission to lay and maintain a sidetrack or switch extending from the sidetrack or switch of the Chicago, Indianapolis and Louisville Railway now located at or near the north line of Thirty-eighth street, across said Thirty-eighth street and continuing southwestwardly as follows: Beginning at the end of said Chicago, Indianapolis & Louisville Railway switch at a point on the north line of Thirty-eighth street, said point being one hundred and seventy-five feet, measured

along the north line of said street, east of the corner of said Thirty-eighth street and Winthrop avenue; running thence in a southwesterly direction and crossing said street and crossing the south line of said Thirty-eighth street at a point where said line crosses the first alley east of Winthrop avenue, and continuing in a southwesterly direction into and along said alley to a point one hundred and thirty-five (135) feet, more or less, south of the north line of Thirty-eighth street, to a point where said proposed switch crosses the west line of said alley and enters into and upon the property of your petitioners. The measurements given above are from the center line of said proposed switch. All of which is more clearly shown by the drawing attached hereto and made a part hereof and marked "Exhibit A."

C. W. ROSSETTER CO.,

By C. W. Rossetter.

Now Therefore, This agreement, made and entered into this 20th day of May, 1907, by and between C. W. Rossetter and Company, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

Witnesseth: That the party of the first part, being desirous of securing a right of way for a sidetrack or switch from the sidetrack or switch of the Chicago, Indianapolis and Louisville Railway at the north line of Thirty-eighth street, and across said street and into and along the first alley east of Winthrop Ave., in the City of Indianapolis, which is more specifically described in the petition of the said first party attached hereto and made a part of this contract, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects Thirty-eighth street and said Alley shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional sidetrack or switch across Thirty-eighth street and in and along the first alley east of Winthrop Avenue, in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

In Witness Whereof, We have hereunto set our hands this 20th day of May, 1907.

Board of Public Works,

Party of the Second Part.

AND, WHEREAS, Said contract has been submitted by the Board of Public Works to the Common Council of the City of Indianapolis, for its consideration and action, now, therefore,

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that such contract above set forth be, and the same is hereby in all things confirmed and approved.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Fees and Salaries.

By Board of Public Works:

General Ordinance No. 41—1907: An Ordinance ratifying, confirming and approving a certain contract and agreement made and entered into on the 17th day of May, 1907, between the City of Indianapolis, by and through its Board of Public Works, and the Terre Haute, Indianapolis and Eastern Traction Company, whereby said Company is authorized to run and operate its interurban cars into said City along certain streets, and to carry passengers, mail, express matter, baggage and freight on such cars, in and upon the streets of the City of Indianapolis, and fixing the time when the same shall take effect.

Whereas, heretofore, to-wit: on the 17th day of May, 1907, the City of Indianapolis, by and through its Board of Public Works, entered into the following contract and agreement with the Terre Haute, Indianapolis and Eastern Traction Company, namely:

THIS AGREEMENT, made and entered into this 17th day of May, 1907, by and between the City of Indianapolis, Marion County, Indiana, (hereinafter called the city), by and through its Board of Public Works, party of the first part, and the Terre Haute, Indianapolis and Eastern Traction Company (hereinafter called the Company), a corporation duly organized and incorporated under and by virtue of the laws of Indiana, party of the second part,

WITNESSETH: That, Whereas, The said Terre Haute, Indianapolis and Eastern Traction Company has presented its written petition to the Board of Public Works of said City of Indianapolis, asking permission to be allowed to run and operate its interurban cars into said City over and across such streets and alleys as are intersected by its private right-of-way as described in said petition and along certain streets therein and hereinafter named, over the tracks of the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, and to carry passengers, mail, express matter, baggage and freight through and into such city on such cars; and,

WHEREAS, By the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning street railroad companies in cities the population of which exceeds one hundred thousand; repealing all laws in conflict with this act, and declaring an emergency," which became a law without the Governor's signature, on the 3d day of March, 1899, the use of the said tracks of the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company shall be upon such conditions and under such regulations as the Board of Public Works and Common Council of such city shall prescribe.

Now, therefore, The said Board of Public Works of said City of Indianapolis, in consideration of the several agreements of the said company, party of the second part, hereinafter stipulated and set forth, does hereby (subject to the ratification and approval of the Common Council of said City) authorize and empower and permit the said Terre Haute, Indianapolis and Eastern Traction Company, subject to the conditions hereinafter prescribed and expressed, to construct and maintain its lines of interurban street railroad and to operate and run its cars over and across all streets and alleys in said city which are intersected by the private rights of way of said Company described in its said petition, and also to operate and run its cars upon and over

the tracks of the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company now or hereafter laid and in use in the streets and avenues of said city hereinafter described. The said private rights of way and the tracks of said Indianapolis Street Railway Company and Indianapolis Traction and Terminal Company to be used by said Terre Haute, Indianapolis and Eastern Traction Company are described as follows, to-wit:

For cars operated on the line from Indianapolis to Plainfield, Greencastle, Brazil and Terre Haute:

From a point where said line reaches the western boundary of said city south of Oliver avenue extended eastward to said boundary, thence east in a private right of way parallel to and south of said Oliver avenue as extended and over and across all intervening streets and alleys to a point in Oliver avenue at the intersection of the Belt Railroad and said avenue, thence upon and over the tracks of said Indianapolis Street Railway Company and Indianapolis Traction and Terminal Company from the intersection of the Belt Railroad and Oliver avenue east in Oliver avenue to River avenue, thence northeast in River avenue to Kentucky avenue, thence northeast in Kentucky avenue to Capitol avenue, thence north in Capitol avenue to Market street, thence east in Market street to the Terminal Station, thence north into and through said station across Wabash street to Ohio street, thence west in Ohio street to Capitol avenue, thence south in Capitol avenue to Kentucky avenue, thence southwest in Kentucky avenue to River avenue, thence southwest in River avenue to Oliver avenue, thence west in Oliver avenue to the intersection of the Belt Railroad, thence west in and from Oliver avenue to said private right of way, and west in said right of way to the western boundary of said city.

For cars operated on the line from Indianapolis to Danville:

Beginning at the point where the Danville line of the Terre Haute, Indianapolis and Eastern Traction Company reaches the western boundary of said city in the center of Big Eagle creek, thence southeast in a private right of way over and across all streets and alleys intersected by said right of way to a point in West Washington street five hundred and twenty (520) feet west of the west line of Tibbs avenue, thence over and upon the tracks of the Indianapolis Street Railway Company and Indianapolis Traction and Terminal Company east in West Washington street to Capitol avenue, thence north in Capitol avenue to Market street, thence east in Market street to, in and through the Terminal Station across Wabash street to Ohio street, thence west in Ohio street to Capitol avenue, thence south in Capitol avenue to Washington street, thence west in Washington street to the said point five hundred and twenty (520) feet west of the west line of Tibbs avenue, thence in said private right of way to the west corporation line of said city in the center of Big Eagle Creek.

And for cars operated on its said line from Indianapolis to Richmond:

From the eastern boundary of the city over and upon the tracks of the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company west in East Washington street to Delaware street, thence north in Delaware street to Ohio street, thence west in Ohio street to the passenger and freight stations of the Traction and Terminal Company between Capitol avenue and Illinois street, thence south to, in and through said stations across Wabash street to Market street, thence west in Market street to Capitol avenue, thence north in Capitol avenue to Ohio street, thence east in Ohio street to Delaware street, thence south in Delaware street to East Washington street, thence east in East Washington street to the eastern boundary of said city.

The cars may be operated in the reverse direction from that above given in said Capitol avenue, Market and Ohio streets if more convenient in going in and out of the passenger and freight terminals of the Traction and Terminal Company.

Provided, however, That at any time within one year from the taking effect of this contract, the said company, party of the second part, the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, with the consent and approval of the Board of Public Works, may designate and determine upon a different route for the cars of said second party than the one heretofore designated, over that part of the line and tracks of the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company which are now situated, or hereafter may be constructed, in the streets between New York street, on the north; South street, on the south; East street, on the east; and West street, on the west; which route is to remain unchanged for five years. But in the event said company, party of the second part, and the said Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company can not agree on a route for such cars over the said line and tracks in and between said streets, or in the parts of said New York, South, East, and West streets forming a boundary as above described, or in the event they fail, neglect or refuse to designate said route before said date, to the satisfaction and approval of the Board of Public Works, the said Board of Public Works shall have the right and power to arbitrarily determine and establish said route over the tracks of said Indianapolis Street Railway Company and said Indianapolis Traction and Terminal Company in the boundary parts of said streets above mentioned, or in any street or streets within such boundary, but in such a way that such route will connect with the other part of the line over which said company, party of the second part, enters the city, and at the same time connect with the central point and terminals to be provided and constructed by the Indianapolis Traction and Terminal Company under its contract with the City of Indianapolis, Indiana.

Provided further, however, That after said route is determined and established in accordance herewith, such route shall remain as so fixed for a period of not less than five years, but at any time after five years, and at the end of any and every interval of five years thereafter, the said Board of Public Works, or the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, with the consent and approval of the said Board of Public Works, may change said route in said streets and within the boundary aforesaid, but, however, so as to connect with said central point and passenger terminal, and said station or terminal for the receipt and delivery of express and freight, which are to be and remain the central points and terminals for passengers and express or freight for said second party. But in making such changes the route to be so fixed for the cars of said second party shall be upon the parts of New York, South, East and West streets, designated above, or within the boundary formed thereby.

And that, for the purpose of storing, cleaning and repairing its cars, when necessary, the said company, party of the second part, may also run the same over the tracks of said Indianapolis Street Railway Company and of said Indianapolis Traction and Terminal Company, subject to the conditions hereinafter set forth, as follows: By the most direct route by which tracks are provided to reach the storage barns and shops of said Indianapolis Street Railway Company and said Indianapolis Traction and Terminal Company, located upon Washington street, west of White River, in said City of Indianapolis.

The above grant is made upon the following express conditions:

1. That after entering the City of Indianapolis, all regular passenger cars of said company, party of the second part, shall stop at all intersecting streets on signal from waiting passengers, or passengers on such cars desiring to leave the same, and shall take on and carry all passengers desiring to take passage on any such cars for the purpose of being transported between different points on the line over which said cars are operated in said city: *Provided*, That such cars shall not be stopped at any such street for a longer time than is necessary to take on and discharge such passengers, and that no baggage other than hand baggage, nor express or freight matter shall be unloaded or taken on any such car at any such crossing.

2. The said company, party of the second part, shall charge five cents for a single fare between any two points in said city on its lines, and any passenger who shall pay a single fare of five cents shall be entitled to ride in the car upon which he took passage to any point on the line of such company, within such city, as follows: if on an incoming car to the terminal point, and if on an outgoing car to the corporate limits of said city: *Provided, however*, That said company shall not discriminate, either in fares or freight rates, in any manner whatsoever against passenger or freight traffic to or from the City of Indianapolis, in favor of any other point on the line of railroad operated by said company.

3. The said company, party of the second part, shall run and operate its cars in said city with reference to the time schedule of the cars being operated on said lines by the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, which cars shall have the right of way, and so as not to delay or interfere in any wise with the running and operation of the cars of either of said companies or to interfere with any schedule for the running of the said cars of either of said companies which may hereafter be fixed by the Board of Public Works, and the said cars of the said company, party of the second part, shall be so operated as not to interfere in any way with public travel at street or alley crossings, nor in any way to violate any obligation of either of said companies under the law or any ordinance of the City of Indianapolis, or any other municipality, now in force or which may hereafter be in force, or of the contract between said Indianapolis Street Railway Company and said city, dated April 7th, 1899, or of the contract between said Indianapolis Traction and Terminal Company and said city, or any other existing grant or contract of either of said companies, whether made to or with said companies or either of them or some other person or corporation, to the rights and obligations of which either of said companies has succeeded.

The right is expressly reserved to the said Board of Public Works to fix time schedules for the running of all the cars of said company, party of the second part, passing on and over the streets of said city, to the end that there shall be uniformity and regularity in the running of all the cars of the several companies in said city, and also prompt and efficient service: *Provided*, That said company shall, between the hours of 6 o'clock a. m. and 11 o'clock p. m., run, at least, one car every two hours.

4. The cars of said company, party of the second part, shall not be stopped, either for the receiving or discharge of passengers, or for any purpose other than to avoid collisions or casualties, at any point in such city, except at street crossings, as hereinafter provided, and at its designated central point and terminals. In stopping its cars at street crossings, said company, party of the second part, shall at all times be governed by the rules, regulations, ordinances or contracts which are in force governing the stopping of the cars of the

Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company at such crossings, or other places in said city.

5. The said company, party of the second part, may at all times carry in its passenger cars, or in suitable compartments thereof, provided for such purpose, or in mail, express or freight cars of a style and pattern to be approved by the Board of Public Works, such baggage belonging to its passengers, being transported in such passenger cars, as is usually allowed to be carried by passengers in steam railroad companies' cars, and also the United States mail, and such express matter and merchandise as may be enclosed in boxes, crates and parcels, so as to be easily handled, and so as not to be unsightly in appearance or offensive to sight or smell, and also such packages and parcels as are usually carried and delivered by messenger service: *Provided*, That no live animals (except hunting dogs) shall be carried in any such cars or in any such compartment at any time; and, *Provided, further*, That all baggage (other than hand baggage), express matter, parcels, and articles of merchandise carried as aforesaid shall be delivered at the station and terminals herein referred to, for distribution, and that in no case shall any such baggage (other than hand baggage) or any express matter, parcels or merchandise be loaded or unloaded in or upon any of the streets, alleys, avenues or public grounds of said city, except at said station or terminals. *Provided, also*, That fowls, properly secured in boxes or coops, may be carried in said cars between the hours of 12:30 a. m. and 4:30 a. m.

6. The said company, party of the second part, shall not be permitted under any circumstances to transport in its cars through or over the streets, alleys or avenues of such city, live animals of any kind, other than hunting dogs. Said company, subject to the conditions hereinafter prescribed, shall be permitted to haul and handle freight other than that designated in section 5, when a station or terminal for the receipt and delivery of freight shall have been provided. After such terminal or station shall have been provided, the said company may deliver freight, other than live animals, not of a character offensive to sight or smell, into such station or terminal, where the same may be held for delivery to any part of said city, or for transfer to steam railroad lines, or to the lines of other suburban or interurban companies which may be able to transport the same under any ordinance regulating such transportation. Until such station or terminal for the receipt and delivery of freight shall have been provided, said company, for the purpose of loading and unloading its cars, shall have the right, by first securing the consent of the Indianapolis Street Railway Company and said Indianapolis Traction and Terminal Company, to stand said cars upon some line of "dead track" of said Indianapolis Street Railway Company or said Indianapolis Traction and Terminal Company: *Provided*, That the selection of such "dead track" shall be first approved by said Board of Public Works: and *provided further*, that such cars shall not be allowed to stand more than fifteen (15) minutes at any one time in loading or unloading.

The right is hereby expressly reserved by the Board of Public Works and Common Council of said city, to regulate by order or ordinance the carrying of freight, merchandise, or property of any kind described in sections 5 and 6 of this contract, through the streets, alleys and avenues of said city, and at any time during the term of this contract, to change the route of cars of said company, used exclusively for carrying mail, express or freight, over the lines and tracks of the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, but only in such a way that such route shall connect with the other part of the line on which said company enters the city, and at the same time connect with the station or terminal for the receipt and delivery of freight herein referred to.

7. The rates charged and collected by such company for the carriage of freight matter between Indianapolis and points on its line shall not exceed those charged and collected for the carriage of like freight matter between the same points by other common carriers of freight; and the rates charged and collected by such company for the carriage of express matter between Indianapolis and points on its lines shall not exceed those charged and collected for the carriage of like express matter between the same points by other common carriers of express matter.

Provided, however, That such company shall never be compelled to charge or collect less than eighty (80) per centum of the published rates charged for the carriage between the same points of freight or express matter, as the case may be, by other common carriers of freight or express matter between such points.

Provided, further, That the maximum rates which such company may charge hereunder shall not apply to freight of other classes than classes 1, 2, 3 and 4, as such classes are defined by the classification in use on January 1, 1902, by the railroad companies operating between Indianapolis and such other points, such classification being known as "Official Classification No. 22," copyrighted in 1902, by C. E. Gill, chairman.

8. The cars to be run and operated by said company, party of the second part, shall be propelled by electric power only: *Provided,* That if the Board of Public Works and Common Council of said city, under the power reserved to them under the contracts entered into between said city and the Indianapolis Street Railway Company and said Indianapolis Traction and Terminal Company, shall by order or ordinance require said Indianapolis companies to introduce any other improved method of propulsion, then, and in such case, the said company, party of the second part, shall adopt and use such improved methods in the propulsion of its cars running within such city, if so ordered by the Board.

9. If the said company, party of the second part, shall hereafter be permitted to set poles and string wires in said city, or construct therein any other electrical appliances for the propulsion of its cars, the same shall be so constructed by providing for an independent return circuit for the electricity used, or by such approved scientific methods as will prevent any injury by any such current of electricity to water pipes, gas pipes or any other property in, under or upon any of the streets, alleys or avenues aforesaid, or elsewhere within said city, and the said company, party of the second part, shall hold the city free and harmless from all damages of every nature whatsoever resulting to any person or property on account of injury caused by the electrical currents of said company, or by the construction or operation of the street railway cars of said company.

10. If the said company, party of the second part, shall hereafter be permitted to construct any tracks within said city, or if hereafter any of the tracks of said company shall by annexation be brought within the limits of said city, then the said company or its assigns shall, when ordered so to do by the Board of Public Works, pave the space between all rails, including the space between its tracks where there are double tracks, switches or sidetracks, and for a distance of eighteen inches on the outside of the outside rails of its tracks, and shall at all times make all necessary repairs in such space, under such specifications, both as to material and manner, as may be provided by said Board, and under the supervision of the City Civil Engineer of said city. It is also agreed that said company, party of the second part, or its assigns, shall, in the construction and maintenance of any such track, construct and maintain the same in all respects in the same

manner as the Indianapolis Street Railway Company is required by contract and ordinance to construct and maintain its tracks within such city, and the obligation of said company, party of the second part, or its assigns, to pave, improve and repair the space between its tracks and for eighteen inches on the outside of the outside rails thereof shall be the same as the obligation of the said Indianapolis Street Railway Company to pave, improve and repair the space between its tracks under the provisions of its said contract with said city and the ordinance ratifying the same, which ordinance, passed by the Common Council of said city on the 7th day of April, 1899, is by reference made a part of this contract.

11. The said company, party of the second part, shall during the entire period for which this franchise is granted so operate its cars in said city as to render the public at all times first-class and efficient service; that the motive power furnished by said company shall at all times be ample and of the most approved kind; that its cars shall be of the best and most approved pattern, style and finish; at all times kept clean, well ventilated, provided with comfortable seats for passengers and heated with safe and convenient appliances whenever the weather is such that the comfort of passengers requires the same, and lighted at night with electricity, or, subject to the approval of said Board of Public Works, with other equally efficient light; that all such cars shall be kept in good repair, and shall at all times be so painted on the outside and decorated on the inside as to present an attractive appearance, and shall be repainted and redecorated from time to time as may be necessary to maintain such appearance; that each of such cars shall be provided with the most approved life guards, and all other modern appliances for the safety of its passengers and employees, including a headlight, which, if an electric arc light, shall be so screened or shaded while said cars are within the city limits as not to interfere with the vision of approaching persons or animals; that each of such cars shall have thereon the name of the said company, or the point of its destination, in letters of such size that the same may be readily discerned and read by persons of ordinary eyesight, and that at night such name shall be so illuminated or displayed that the same may be readily and easily seen and read by persons desiring to take passage in such cars; that the tracks of such company which may come within such city by extension of its boundaries or hereafter be permitted to be constructed or owned therein, shall at all times be kept in repair, provided with the most modern and improved rails of sufficient size and weight and in such condition that passengers riding in cars over the same shall suffer no discomfort or inconvenience by reason of such tracks or any part thereof being irregular, uneven or in any wise insufficient, and the right is reserved to the Board of Public Works of such city to order any needed repairs to said tracks or roadbed, or cars or appliances, and the said company, party of the second part, agrees to comply with all such orders. The said cars to be used by said company, party of the second part, together with all the machinery, appliances and appurtenances thereof, shall be suitable and adapted to be operated upon the tracks of the Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, without injury to said tracks or any of the appurtenances thereof, or the pavement required to be kept in repair by said companies, provided such pavement shall not be laid or maintained above the level of the head of the rail, and shall at all times be so operated as to not injure the same, or any of the cars or other property of either of the said companies.

In case the said company, party of the second part, shall fail to comply with any of the foregoing agreements or stipulations contained

in this clause, concerning motive power, the kind of cars to be used, or the equipment, painting, decoration, heating, lighting or designating the same, or concerning life guards and appliances for the safety of passengers and employes, rails, roadbed or other stipulations herein contained concerning the operation, maintenance or construction of its line of street railway and cars, or in case said company shall fail to comply with any of the stipulations or provisions of this contract, and the Board of Public Works shall, by written notice, served on any officer of said company, require compliance with any such stipulation within a reasonable time therein fixed, and said company shall continue to fail and refuse, after any such period so fixed, to comply with any such provision or stipulation, or notice or order of the Board pertaining thereto, then said company shall forfeit to said city the sum of fifty dollars (\$50.00) for each day that it shall continue to violate any such provision or stipulation, which sum may be collected without relief from valuation or appraisement laws, either by suit on any bond which may be given by said company for the performance of the conditions of this contract or otherwise, by instituting any proper proceedings to recover said forfeiture, as the said Board may elect: *Provided*, That nothing herein contained shall be construed as an attempt to abridge or in any wise restrict the power of the Common Council of said city to enact reasonable ordinances providing for the safety, comfort or convenience of the public traveling on the cars of said company within said city, and also providing reasonable penalties for the violation thereof.

In further consideration of the grant herein and hereby made, said company, party of the second part, agrees and binds itself to pay to said city on the 1st day of January, 1908, and annually thereafter during the term of this franchise, the sum of one cent per round trip for each and every round trip made by any car of said company over the streets of said city during the year preceding said date, and in consideration of such agreement of said company to make said payments, and of said payments, said city undertakes and agrees that it will not at any time impose on or exact from said second party, its successors or assigns, or its or their property, or require to be paid by it or them any other sum or sums as or for a franchise or car tax or charge, or any other special tax or charge than those above provided to be paid, but nothing in this contract contained shall affect the liability of said company, its successors or assigns, to general taxation.

This contract shall take effect and be in force from and after the date of its approval and ratification by an ordinance of the Common Council, until the 7th day of April, 1933.

The limitation of time is one of the essential and governing conditions of this contract, and at the expiration of said period the rights of said company, party of the second part, to run or operate its cars within such city shall absolutely cease, and all rights under this contract shall terminate, and it shall be deemed and held a trespasser if it shall undertake to run or operate any car over any such street after that time.

Neither this contract nor any of the rights or privileges named therein shall ever be assigned or transferred by said company to any person, firm or corporation without the written consent of the said Board of Public Works, duly entered upon the records of said Board, first being given, and in the event of any such transfer or assignment without the said written consent of said Board of Public Works, then all rights and privileges of said company under the contract shall absolutely cease and become void, and said company shall be deemed and held a trespasser if it shall thereafter undertake to run or operate any car over any street or alley of said city.

And it is also agreed and understood that the said company, party of the second part, shall not permit to be used or operated on its said line within said city any car or cars by any other person or corporation, without the consent of the Board of Public Works entered upon the records of such Board, and until after terms for compensation for such use have been agreed upon with said Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, or fixed as provided by law. It is further agreed and understood that the right to use the tracks of said Indianapolis Street Railway Company and the Indianapolis Traction and Terminal Company, hereby granted, is subject to the payment by said company, party of the second part, to said railway companies respectively, of the compensation for such use as fixed by agreement or judgment of the proper court, as and when such compensation shall become due and payable, and that in default of such payment, and so long as such default shall continue, said railway companies, or either of them, shall have the right to exclude said company, party of the second part, from such use.

12. The said company, party of the second part, before exercising any of the rights hereby granted, shall execute to the City of Indianapolis a good and sufficient bond in the sum of ten thousand dollars (\$10,000.00), with good and sufficient sureties to be approved by the said Board of Public Works, conditioned that the party of the second part shall faithfully carry out and perform each and every agreement herein contained, and shall well and truly pay to said city all penalties, forfeitures and other sum of money, for which, under the terms of this contract, it may become liable to said city; and said bond shall be renewed from time to time during said period on the demand of the Board of Public Works of said city, whenever by reason of the insufficiency of the surety thereon or the impairment of the amount thereof by reason of the accumulation of unpaid penalties, forfeitures, judgments or other claims against said company, in favor of said city, the said Board deems such renewal necessary.

And in case the said company, party of the second part, shall on the reasonable demand of said Board fail or refuse to renew such bond or furnish additional surety thereon as may be required, then its rights under this contract shall cease, and the franchise herein granted be forfeited, which forfeiture may be enforced in any court of competent jurisdiction.

Any right which might be claimed by said company, party of the second part, to run or operate any car in or on any street of such city, after the expiration of said period, either under the provisions of the statute under which it was incorporated, or any other statute or ordinance now existing, is hereby expressly waived.

In Witness Whereof, said parties have hereunto set their hands and seals this 17th day of May, 1907.

WHEREAS, On the 10th day of May, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore,

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve Julian avenue, from east property line of Downey avenue to west property line of Ritter avenue, with brick roadway and curb, in accordance with

Improvement Resolution No. 5080, 1907, adopted by the Board of Public Works on the 10th day of April, 1907.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Sewers, Streets and Alleys.

By Mr. Stickelman:

General Ordinance No. 45—1907: An ordinance regulating the keeping, operation and maintenance of intelligence offices and employment bureaus.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That no person, firm or corporation shall keep, operate, maintain, or have an intelligence office or employment bureau in the City of Indianapolis, for hire, or where a fee is charged either to applicants for employment or for help, without first obtaining a license for the same from the City Controller, for which license there shall be paid into the City Treasury the sum of fifty dollars per annum.

SEC. 2. The City Controller is hereby authorized and empowered to license, for a term of one year, any person or persons of the age of twenty-one years or over, and any firm or corporation, to keep, operate, maintain and have an intelligence office, or employment bureau, in the City of Indianapolis, upon payment into the City Treasury by such person, firm or corporation, of the license fee required in Section 1 of this ordinance: *Provided*, That the payment of such license fee shall be accompanied by a bond in the penal sum of \$500.00, duly executed to the City of Indianapolis, with one or more sureties thereon, to the approval of the City Controller, conditioned that the obligor will faithfully observe the duties, terms, conditions, and requirements of this ordinance, and the laws of the State of Indiana. Said license shall govern but one place of business, the exact location of which shall be stated therein, and it shall not be assignable except by the written consent of the City Controller endorsed thereon. No such intelligence office or employment bureau shall be located in any building or on any premises where intoxicating liquors are sold.

SEC. 3. Every person, firm or corporation who shall be licensed under this ordinance to conduct the business as herein provided, shall post and display in some conspicuous place in their office or place of business the license so issued, and on the front of such office or place of business shall display a sign exhibiting the name of such person, firm or corporation and the words "Licensed Intelligence Office" or "Licensed Employment Bureau" thereon.

SEC. 4. Every person, firm or corporation so licensed shall keep and maintain a record in which shall be daily entered, at the time of application, together with the date and amount of the fee paid and received, the name, residence, occupation and kind of employment sought, of any and every person who may apply for employment, and shall also keep and maintain a similar record in which shall be daily

entered, under proper date, the name, residence and kind of employment for which help is wanted, of any and every person, firm and corporation who may apply for help of any kind, and also the amount of the fee paid and received. And such books and records shall at all times be open to the inspection of the police department and other duly qualified executive officials of the City of Indianapolis.

SEC. 5. Any person, firm or corporation so licensed shall in no case collect, charge, or receive fees or compensation in excess of the following:

| | |
|--|--------|
| From each female seeking employment..... | \$0.50 |
| From each male seeking employment..... | 1.00 |
| From each person applying for female help..... | .50 |
| From each person applying for male help..... | 1.00 |

In every case a receipt shall be given for the money paid to or received by such intelligence office or employment bureau, and in case no place of employment, or no help, as applied for, as the case may be, is obtained within six (6) days from the date of payment, then upon demand being made therefor, the money so paid and received shall forthwith be refunded to the applicant.

The above schedule of rates, however, shall only apply to positions, the salary or compensation for which shall be not more than \$30.00 per month. In case of positions, the compensation or salary for which shall be more than \$30.00 per month, the person, firm or corporation so licensed may enter into a written contract with any applicant for employment as to the amount of fee or compensation, but the amount or compensation so agreed upon shall in no instance exceed ten per cent (10 per cent) of one month's salary or compensation of such position.

SEC. 6. Every person, firm or corporation so licensed shall keep suspended in a conspicuous place in their office or place of business, where all persons may plainly see and read it, a copy of Sections 5, 7 and 8 of this ordinance, plainly printed in English and in German.

SEC. 7. No person, firm or corporation so licensed to keep, operate and maintain an intelligence office or employment bureau, shall in any case, either directly or indirectly, or through any other person or persons, publish or cause to be published, any false or fraudulent notice or advertisement, or give out any false information, or make any false promises concerning or relative to work, employment or help, to any person who may make application for employment or for help, or make use of any improper device, deceit, false representations, or false pretense whatever, for any improper purpose or for the purpose of obtaining fee, money, gratuity of value from any applicant, customer, or patron, or extort, take, demand or receive any article, fee or thing of value except such as are authorized by this ordinance.

SEC. 8. The term "applicant for employment" as used in this ordinance shall be construed to mean any and all persons, male and female, who may seek or apply for work of any lawful character, and "applicant for help" or "persons seeking help," shall mean any person firm or corporation seeking help or employees of any kind in any legitimate enterprise, profession, trade, business, or class of work; and nothing in this ordinance shall be construed to limit the meaning of the term "employment" to manual labor, but it shall include professional services, domestics, servants, clerks, mechanics, laborers, and any and all classes of employment, both male and female, and there shall be no restriction or distinction in any legitimate service or occupation.

SEC. 9. Any person, firm or corporation who shall violate any of the provisions of this ordinance shall, upon conviction thereof, be fined in any sum not to exceed one hundred dollars (\$100.00) or imprisoned for a period not exceeding thirty (30) days, or both.

SEC. 10. This ordinance shall be in full force and effect from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis.

Which was read a first time and referred to the Committee on Public Morals.

By Mr. Cottey:

General Ordinance No. 46—1907: An ordinance amending Section 4 of an ordinance entitled "an ordinance concerning the compensation of all officers, head of departments, clerks, assistants, and employes of the City of Indianapolis, Indiana, and repealing all ordinances in conflict herewith," being General Ordinance No. 32, 1907, approved May 16, 1907.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That Section 4 of an ordinance entitled "an ordinance concerning the compensation of all officers, heads of departments, clerks, assistants, and employes of the City of Indianapolis, Indiana, and repealing all ordinances in conflict herewith," being General Ordinance No. 32, 1907, approved May 16, 1907, be and the same is hereby amended to read as follows:

"SEC. 4. For the Department of Law:

Clause a. The corporation counsel of the city shall receive a salary at the rate of four thousand (\$4,000.00) dollars per annum

The city attorney shall receive a salary at the rate of twenty-five hundred (\$2,500.00) dollars per annum.

The assistant city attorney shall receive a salary at the rate of fifteen hundred (\$1,500.00) dollars per annum.

The stenographer of said department shall receive a salary at the rate of nine hundred (\$900.00) dollars per annum."

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Fees and Salaries.

Mr. Rhodes, by request:

General Ordinance No. 47—1907: An ordinance requiring railroad companies to maintain street lights at street crossings in the City of Indianapolis where such companies run cars, engines or trains of cars in the night time, declaring certain conduct to con-

stitute a nuisance and providing a remedy therefor, repealing all ordinances in conflict herewith, and fixing a time when the same shall take effect.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That each and every railroad company running a car, engine, or train of cars over any street in the City of Indianapolis in the night time, shall be and is hereby required to maintain a street light at each and all of such street crossings, which light shall be kept lit at night, between one-half hour after sunset and one-half hour before sunrise, during the passage of every train, engine or car and for a period of not less than thirty minutes prior thereto, such light to be a clear and steady electric light of full intensity and power of the best and approved direct current open arc lamp using electrical energy represented by the flow of not less than 9.6 amperes of current under a difference of potential of not less than fifty (50) volts per lamp and consuming not less than 450 watts measured across the arc: *Provided, however*, That no railroad company shall be required to maintain a light of any different kind or greater candle power than that maintained by the city at other street crossings; and, *Provided, also*, That the provisions of this ordinance shall not apply to any streets where the tracks of such railroad company or companies cross on an elevated structure used by such company or companies exclusively; and, *Provided, further*, That this ordinance shall not be construed to require more than one such light at each crossing.

SEC. 2. The running, by any railroad company, of any car, engine or train of cars over any street in the night time, where such railroad company does not maintain a street light of the kind and character described and required in Section 1 of this ordinance, shall be deemed, and the same is hereby declared to constitute, a nuisance. In event any railroad company shall fail to remove or abate said nuisance at any street crossing within twenty (20) days after receiving notice by the Board of Public Works of said city so to do, said Board of Public Works may thereupon abate said nuisance by causing a street light of the kind and character described and required by Section 1 of this ordinance, to be kept and maintained at such street crossing, and may assess all actual expenses of the same against such railroad, which expenses said Board shall collect by placing them on the tax duplicate to be collected as other taxes of the city are collected, or by suit: *Provided, however*, That the remedy provided in this section shall be independent of, and additional to, any and all remedies afforded by statute or at law or equity for the enforcement of the provisions and requirements of Section 1 of this ordinance.

SEC. 3. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SEC. 4. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Public Morals.

By Mr. Eppert:

General Ordinance No. 48—1907: An ordinance regulating the location and use of tents and other temporary structures upon open lots for the purpose of conducting business of selling refreshments.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That it shall be unlawful for any person, firm or corporation, or any agent thereof, to erect, locate, use, maintain or occupy any tent, awning or other temporary shed or structure upon any open or vacant lot in the City of Indianapolis within two hundred (200) feet of any dwelling house used for residence purposes, or within one hundred (100) feet of any public street or alley, for the purpose of conducting or operating the business of selling at retail any ice cream, soda water, lemonade, popcorn, fruit, sandwiches, or any other articles of food or refreshment whatever.

SEC. 2. Any tent, awning, or any other temporary shed or structure so erected, located, used, maintained, or occupied in violation of this ordinance shall be deemed a nuisance, and may be abated as such. And it is hereby made the duty of the Building Inspector of the City of Indianapolis to abate the same as a nuisance by proper steps taken.

SEC. 3. Any person, firm or corporation violating any of the provisions of this ordinance shall be fined in any sum not exceeding \$50.00, and every day said ordinance is violated shall constitute an additional offense.

SEC. 4. This ordinance shall be in full force from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun, a daily newspaper printed and published in the City of Indianapolis.

Which was read a first time and referred to the Committee on Public Morals.

By Mr. Royse:

Special Ordinance No. 6—1907: An ordinance defining a part of the boundary line of the City of Indianapolis so as to extend the same and annexing to the City of Indianapolis certain territory contiguous thereto, providing for the publication thereof, and fixing a time when the same shall take effect.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, IND., May 29, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval General Ordinance No. 38, 1907, being "An ordinance fixing the salary of the assistant police surgeon in the City of Indianapolis, and fixing a time when the same shall take effect."

Appropriation Ordinance No. 5, 1907, being an ordinance appropriating the sum of nine hundred dollars to and for the use of the

Department of Public Parks, and fixing a time when the same shall take effect."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, June 3, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I herewith present communication from the Board of Public Safety, asking for the transfer of the sum of \$600.00 from the Fire Force pay-roll appropriation to the Furniture and Fixtures account in the Fire Department.

I recommend the passage of the accompanying ordinance, making the transfer as prayed for.

Very respectfully,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC SAFETY,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., May 31, 1907.

Geo. T. Breunig, Esq., City Controller, City:

DEAR SIR—The Board of Public Safety, at a meeting held May 29, 1907, instructed me to request you to please ask the Common Council to transfer the following funds in the Fire Department:

Six hundred dollars from the Fire Force pay-roll account to the Furniture and Fixtures fund.

Respectfully yours,

JOHN B. WOOD,
Secretary.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, June 3, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I call your attention to the last paragraph of Clause G, Section 5, of the Salary Ordinance recently passed by your honorable body. Through a clerical error in the preparation of said ordi-

nance the wages of the custodian of the Haughville town hall is fixed at \$25.00 per annum when it should be \$25.00 per month. I have prepared and herewith submit an amendatory ordinance, rectifying the mistake, and respectfully request your honorable body to pass the ordinance at this session under a suspension of the rules.

Respectfully submitted,

GEO. T. BREUNIG.

City Controller.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., May 22, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I am requested by the Board of Public Works to notify you that the ordinance introduced in the Council in the last meeting, authorizing the Board to proceed with the improvement of Julian avenue, from Downey to Ritter avenue, with brick roadway and curb, as provided for by Improvement Resolution No. 5080, was sent to you through an error. The remonstrance filed against this improvement is not a majority, so that we can proceed with the improvement without the passage of an ordinance.

We therefore respectfully request that said ordinance be stricken from the files of the Council.

Respectfully yours,

BOARD OF PUBLIC WORKS.

Per F. J. NOLL, JR., Clerk.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works:

SWITCH CONTRACT.

General Ordinance No. 49—1907: An ordinance approving a certain contract granting Gill & Greenen the right to lay and maintain a sidetrack or switch from the west property line of Arsenal avenue to and across the first alley east of Summit street, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: on the 3d day of June, 1907,
filed his petition before the Board of Public Works of
the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

GENTLEMEN—We petition your honorable Board for permission to build and construct a sidetrack or switch across Arsenal avenue, the first alley east of Arsenal avenue, Summit street, and the first alley east of Summit street, in accordance with detailed description set forth below and blue print hereto attached and marked Exhibit "A."

NOW, THEREFORE, This agreement, made and entered into this 3d day of June, 1907, by and between Gill & Greenen, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

WITNESSETH: That the party of the first part, being desirous of securing a right of way for a sidetrack or switch from Arsenal avenue to and across the first alley east of Summit street, in the City of Indianapolis, which is more specifically described as follows:

Beginning on the west line of Arsenal avenue, the north rail being located 204.5 feet south of the south property line of Williams street; thence running eastwardly across Arsenal avenue, the first alley east of Arsenal avenue, Summit street, and the first alley east of Summit street; the north rail of said track crossing the east property line of Arsenal avenue at a point 183 feet south of the south property line of Williams street; and crossing the west property line of the first alley east of Arsenal avenue at a point 180 feet south of the aforesaid line of Williams street; and crossing the east property line of said alley at a point 181.5 feet south of the aforesaid line of Williams street; and crossing the west property line of Summit street at a point 187 feet south of the aforesaid line of Williams street; and crossing the east property line of Summit street at a point 190 feet south of the aforesaid line of Williams street; and crossing the west property line of the first alley east of Summit street at a point 187 feet south of the aforesaid line of Williams street; and crossing the west property line of said alley at a point 185.5 feet south of the aforesaid line of Williams street, hereby covenants and fully bind themselves, their successors, legal representatives and assigns, that, in consideration of the grant of the privilege and authority herein given,

he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the

terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional sidetrack or switch across in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

IN WITNESS WHEREOF, We have hereunto set our hands this 3d day of June, 1907.

GILL & GREENEN,
Party of the first part.

Mr. Hamlet, by request:

General Ordinance No. 54—1907: An ordinance for fire protection in the City of Indianapolis, Indiana, and repealing all ordinances in connection therewith.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That it shall hereafter be unlawful for any person, firm, or corporation to use, lease or permit to be used or leased, any building containing a basement, cellar or sub-cellar in which any goods or articles of merchandise of any kind are to be stored, or in which any manufacturing is to be carried on, without first providing in said basement, cellar or sub-cellar, as a part of its construction and equipment, lines of wrought iron or galvanized iron water pipes with malleable iron fittings, said water pipes to have an area of not less than two and one-half ($2\frac{1}{2}$) inches in diameter for an area surface space of four thousand (4,000) square feet or less, and for basements, cellars or sub-cellars requiring more than one lateral line, then all lateral lines shall be connected together at both ends, making a complete circulating system, and the feed lines connecting the lateral lines together shall have an area equal to the combined areas of all lateral lines, and in no case shall a lateral line be less than two and one-half ($2\frac{1}{2}$) inches in diameter. It shall also be unlawful for any such person, firm or corporation to omit to provide said lines of pipe with branches of iron water pipe running therefrom, not less than one and one-half ($1\frac{1}{2}$) inches in diameter, or to omit to provide said pipe lines and branches with automatic rotary brass nozzles, in the proportion of one such nozzle to every four hundred (400) square feet of said area surface or fraction thereof, except where branch lines are used, then a smaller rotary nozzle of not less than three-quarter ($\frac{3}{4}$) inch diameter connection may be used, one such nozzle to every two hundred (200) square feet of said area surface or fraction thereof. And it shall likewise be unlawful for any such person, firm or corporation to omit to provide said system or basement, cellar or sub-cellar pipes with as many Siamese connections on the outside of said building as may be designated and required by the Chief of the Fire Force of said city, said Siamese connections to have an automatic check valve in each branch.

SEC. 2. It shall be unlawful for any person, firm or corporation owning or occupying any building in the City of Indianapolis, Indiana, already erected, containing a basement, cellar or sub-cellar in which any goods or articles of merchandise of any kind are stored, or in which any manufacturing is being carried on, or in which basement, cellar or sub-cellar any such goods or articles are to be stored or manufacturing is to be carried on, to continue to so store any such goods or articles, or to continue to carry on any manufacturing therein, after a notice of thirty days has been served on such person, firm or corporation, requiring such service to be installed, without having first provided said basement, cellar or sub-cellar with a system of iron water pipes, with automatic rotary brass nozzles and Siamese connections, as provided for in Section 1 of this ordinance.

SEC. 3. The Chief of the Fire Force of the City of Indianapolis, Indiana, shall require the system of pipe equipment described in Section 1 of this ordinance, to be placed in any part of any theater, hotel, or public assembly hall in said city within thirty (30) days after giving notice to the owner so to do. And it shall be unlawful for any such owner to neglect or refuse to so equip any such theater, hotel or public assembly hall, when so notified by said Chief of the Fire Force, beyond

the said space of thirty (30) days, and it shall be unlawful for any person, firm or corporation, after said period, to use or permit any building to be used for a theater, hotel or assembly hall, unless the same be equipped as herein provided.

SEC. 4. In any case where the owner of any such building already erected is not a resident of the City of Indianapolis, Indiana, the notices provided for in sections No. 2 and No. 3 hereof, may be served on any occupant, agent or representative of such owner, and such service shall be a valid and legal service on the owner, lessor or lessee of such building.

SEC. 5. All notices authorized or required to be served on the owners of premises or occupants thereof, or their agents or representatives, under the provisions of this ordinance, shall be served by the Chief of the Fire Force of the City of Indianapolis, Indiana, or any assistant of said Chief of Fire Force, designated by him, in his name, and the return of service under the official name or signature of such Chief of Fire Force shall be valid and binding on all parties.

SEC. 6. Any person, firm or corporation violating any provision of any or either of the sections of this ordinance, shall, upon conviction, be fined in any sum not less than ten dollars (\$10.00) nor more than one hundred dollars; and each day that any such owner, lessor, lessee, or occupant of any building shall allow goods or merchandise to be stored or manufacturing to be carried on in any such basement, cellar or sub-cellar without having the same provided with water pipes and equipment described in Section one (1) hereof, as required by Sections one (1), two (2) and three (3), shall constitute a separate offense.

SEC. 7. This ordinance shall be in full force and effect from and after its passage and publication once each week for two consecutive weeks in a newspaper of general circulation in the City of Indianapolis, Indiana.

Which was read a first time and referred to the Committee on Public Safety and Comfort.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, INDIANA, June 13, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith without my approval General Ordinance No. 47, 1907, the same being "An ordinance requiring railroad companies to maintain street lights at street crossings in the city of Indianapolis where such companies run cars, engines or trains of cars in the night time."

This ordinance while meeting with my entire approval has been rendered unnecessary by the action of the railroad companies in entering into an agreement with the city of Indianapolis by which such companies obligate themselves to pay to the city treasury 30 per cent of the cost of the maintenance of all lights now established or which may be established on any crossing of such railroads. The agreement between the companies and the city was entered into by the Board of

Public Works and myself after consultation with Corporation Counsel Matson, in the belief that an amicable adjustment of the matter would better serve the interests of the people than would long continued litigation which at the best would be doubtful in results.

The statute under which this ordinance was drawn only authorized the city to demand such lights at the expense of the railroad companies for thirty minutes during the passage of every train, engine or car, and prior thereto, and as it would prove to be a practical impossibility to determine just when these lights should be in service, it was deemed best by the members of the Board and myself that the settlement outlined above should be made. I desire to call the attention of the members of your Honorable body to the fact that under the terms of the agreement the city will secure 30 per cent of the cost of the maintenance of lights not only upon crossings which are in constant use during the night time, but also at all crossings on lines which are not used at any time between the hours specified in the ordinance. I sincerely trust that the settlement made by the Board of Public Works and myself will meet with the approval of your honorable body, as I firmly believe it to be in the best interests of the people that this question should be thus advantageously settled without the long delays incident to litigation.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, INDIANA, June 13, 1907.

From the Committee on Finance:

To the President and Members of the Common Council:

GENTLEMEN—Your Committee on Finance, to whom was referred General Ordinance No. 39, 1907, having had the same under consideration, beg leave to report as follows:

We recommend that as an amendment to said ordinance, as introduced, the following be substituted:

"An ordinance relating to the licensing, taking and regulating all shops, inns, taverns, hotels or other places where intoxicating liquors are kept for sale to be used in, or drank upon the premises; and regulating, restraining such shops, inns, hotels, or other places aforesaid, defining and designating the places, locality, room, building or other place where such liquors may be kept or sold and declaring an emergency.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, That it shall be unlawful for any person to sell, barter, or give away any intoxicating liquors within the corporate limits of the City of Indianapolis, without first procuring a license from the City Comptroller of the City of Indianapolis, as hereinafter provided.

SEC. 2. Before any person shall engage in the business of selling intoxicating liquors within the corporate limits of the City of Indianapolis he shall make application to the City Comptroller of said City of Indianapolis for a license to carry on such business, and in such application he shall state his name, age, residence, with his place of residence and occupation for the two years immediately preceding the making of such application, and shall in such application describe the premises wherein and whereon he desires to carry on such business, giving a particular description of the real estate, the building, the street number and the various entrances to such room, and shall state whether any other business is to be carried on in the same room or in connection with such business, and shall pay to the Comptroller one dollar as a filing fee for the filing of such application, and upon such application being filed with said Comptroller, and the fee for filing being paid, the Comptroller shall certify said application to the Common Council of said city, and upon the said Common Council being satisfied with the fitness of the applicant and with the place where such intoxicating liquors are proposed to be sold, the Council aforesaid shall by resolution approve such application, and thereupon such applicant shall pay to the City Comptroller for the City of Indianapolis the sum of two hundred and fifty dollars (\$250.00) as a license fee for one year, and the Comptroller shall upon such payment being made, issue a license to such applicant for the sale of intoxicating liquors on the premises described in the application, but until such application for license is approved by the Common Council of said city, a license shall not issue.

SEC. 3. No license hereunder shall be issued for any longer period nor for any shorter period than one year.

SEC. 4. Any person violating any of the provisions of this ordinance shall be fined in any sum not less than fifty dollars and not exceeding two hundred and fifty dollars, to which may be added

imprisonment in the county jail for any period not exceeding thirty days, and each violation shall constitute and be a separate offense.

SEC. 5. Whereas, an emergency exists for the immediate taking effect of this ordinance, therefore the same shall be in full force and effect from and after its passage and the publication thereof for two weeks in a daily newspaper of general circulation printed and published in the City of Indianapolis."

And that as so amended by said substitute, that said ordinance do pass.

Respectfully submitted,

To the President and the Members of the Common Council:

GENTLEMEN—Your Committee to whom was referred general ordinance No. 152, 1906, entitled "An ordinance requiring peddlers and hawkers to pay a license to the City of Indianapolis, providing penalties for the violation thereof and repealing all ordinances in conflict therewith," have had same under consideration and recommend that said ordinance be amended as follows

An ordinance requiring peddlers and hawkers to pay a license to the City of Indianapolis, Ind., providing penalties for the violation thereof and repealing all ordinances or parts of ordinances in conflict therewith.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Ind., that it shall be unlawful for any person, firm or corporation, to peddle, barter or sell any goods, wares or merchandise whatsoever, by retail in or along the streets or alleys of the City of Indianapolis, Ind., traveling from place to place therein, either on foot or with any kind of vehicle, without first having procured and paid for a license so to do, as hereinafter provided.

SEC. 2. Every person who goes from house to house, or from one part of the public streets or alleys to another in a vehicle, on foot or with a push cart, offering for sale any goods, wares, merchandise, fruit, candies, poultry, produce or other article shall be deemed a peddler within the meaning of this ordinance, and the word "peddler" shall include "hucksters," "hawkers" and "itinerant dealers" as commonly used, and shall include any person going about said city, on foot or otherwise, taking orders for, or selling any kind of goods, wares or merchandise by sample, to be afterwards delivered.

SEC. 3. The foregoing provisions shall not be construed so as to apply to any person selling produce of his or her own raising, nor to children under the age of 15 years who sell fruit, matches or stationery on their own account, nor to persons selling newspapers, nor to mer-

chants of this city who take orders for future delivery, nor to ex-Union soldiers or sailors as exempted by state laws.

SEC. 4. Any person, firm or corporation, desiring a license for any of the purposes embraced in this ordinance must pay to the Treasurer of said City the amount of money as follows: For each peddler using any wagon, or vehicle, forty dollars per year, payable semi-annually. For each helper on such wagon or vehicle, twenty dollars per year, payable semi-annually. For each push cart, twenty dollars per year, payable semi-annually. And for each foot peddler ten dollars per year, payable semi-annually. Provided, any person, firm or corporation desiring to carry on a temporary business may be permitted to take out a license upon payment of one dollar per day as provided in this ordinance. Upon presenting the receipt of the Treasurer of said City, for money paid, as above provided, to the City Comptroller; said City Comptroller shall issue to such person the proper license therefor, provided all such licenses shall expire on the 30th day of June, and 31st day of December of each year, and no reduction shall be made on account of any portion of the time having run before the actual issuing of said license.

SEC. 5. It shall hereafter be unlawful for any person, firm or corporation obtaining a license, as provided in the foregoing section, to sell or offer to sell, any produce, or merchandise without having a badge plainly displayed upon his clothing, bearing the words "Huckster," "Helper," "Push cart," and "Peddler," and the number of his license in figures. Said badges shall be furnished by the City Comptroller, who shall be entitled to charge fifty cents for the badge and one dollar for issuing said license.

SEC. 6. Any peddlers or hawkers, who sell or offer for sale any decayed or unwholesome goods, intended for human consumption, or is guilty of any cheat, fraud or deception, or violates any of the provisions of this ordinance, shall be fined in any sum not exceeding one hundred dollars, nor less than five dollars, and each day's violation shall constitute a separate offense; provided, that for a second offense such person shall forfeit his license.

SEC. 7. All ordinances, or parts of ordinances, in conflict with the provisions of this ordinance shall be, and the same are hereby repealed.

SEC. 8. This ordinance shall be in full force and effect from, and after its passage and publication in the Indianapolis Sun, once each week and for two consecutive weeks.

And when so amended would recommend that same do pass.

By Board of Public Works:

SWITCH CONTRACT.

General Ordinance No. 56—1907: An ordinance approving a certain contract granting Wm. H. Coburn, proprietor of Coburn Timber Co., the right to lay and maintain a sidetrack or switch from Monon railroad tracks near 23d street, according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit: on the 1st day of June, 1907, Wm. H. Coburn, proprietor Coburn Timber Co., filed his petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

Gentlemen—I am anxious to get permission to lay a switch from the Monon tracks across Twenty-third street, as per blue print, into lots 85, 86, 87 and 88, south side of Twenty-third street, west side of the railroad tracks.

NOW, THEREFORE, This agreement, made and entered into this 7th day of June, 1907, by and between Coburn Timber Company, Wm. H. Coburn, proprietor, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

WITNESSETH: That the party of the first part, being desirous of securing a right of way for a sidetrack or switch from Monon tracks as per blue print attached, in the City of Indianapolis, which is more specifically described as follows: As per blue print drawing, the center of the switch will cross property line on the north side of 23d street about 136 feet east of the southwest corner of lot No. 189, Reagan Park addition; the center of the switch will cross property line on the south side of 23d street about 147 feet east of the northwest corner of lot 85, Bruce Place addition, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may

be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional sidetrack or switch across in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

IN WITNESS WHEREOF, We have hereunto set our hands this 7th day of June, 1907.

F. J. MACK,
Board of Public Works.
Party of the Second Part.

AND, WHEREAS, Said contract has been submitted by the Board of Public Works to the Common Council of the City of Indianapolis, for its consideration and action, now, therefore,

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that such contract above set forth be, and the same is hereby in all things confirmed and approved.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Railroads.

By Board of Public Works:

General Ordinance No. 57—1907: An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Audobon road, from south side P., C., C. & St. L. Ry. tracks to north side C., H. & D. Ry. tracks with brick roadway and curbing.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana, did on the 10th day of May, 1907, adopt Improvement Resolution No. 5124, 1907, for the improvement of Audobon road, from south side P., C., C. & St. L. Ry. tracks to north side C., H. & D. Ry. tracks, with brick roadway and curbing, and

WHEREAS, The said Board of Public Works did at the same time fix the 27th day of May, 1907, at 10 o'clock a. m., as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of said time for hearing was published on the 11th day of May, 1907, and the 18th day of May, 1907, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, On the 27th day of May, 1907, the Board having met in regular session, took final action on said improvement resolution without modification; and

WHEREAS, On the 6th day of June, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said improvement of Audobon road.

WHEREAS, On the 7th day of June, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve Audobon road, from south side of P., C., C. & St. L. Ry. tracks to north side C., H. & D. Ry. tracks with brick roadway and curbing in accordance with Improvement Resolution No. 5124, 1907, adopted by the Board of Public Works on the 10th day of May, 1907.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time.

By Mr. Portteus:

INDIANAPOLIS, IND., June 7, 1907.

To the President and Members of the Common Council, City:

We, the undersigned, resident-property owners, representing a majority of the resident property owners of South Audubon Road, respectfully petition and ask for suspension of the rules and ask for an immediate passage of the improvement Order No. 5124, providing for the improvement of S. Audubon Road, between the Pennsylvania and the C., H. & D. R. R., with brick road way; it was not our intention in filing a remonstrance, to stop the improvement of said street; we erred in our judgment as to the time necessary for asking for modifications before said board, hence our appeal to you for immediate passage for said improvement resolution, so that the improvement of said street can be made during the present summer.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, INDIANA, June 19, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval the following ordinances:

General Ordinance No. 52—1907, being "An ordinance to amend section 5 of General Ordinance No. 32—1907, entitled, 'An ordinance concerning the compensation of all officers, heads of departments, clerks, assistants and employes of the city of Indianapolis, Indiana, and repealing all ordinances in conflict therewith,' approved May 16, 1907."

General Ordinance No. 53—1907, being "An ordinance providing for the transfer of the sum of \$600 from certain fund to a certain fund

in and for the use of the Department of Public Safety, and fixing a time when the same shall take effect."

General ordinance No. 55—1907, being "An ordinance providing for the transfer of certain funds to certain funds in and for the use of the Department of Public Safety, and fixing a time when the same shall take effect."

General Ordinance No. 57—1907, being "An ordinance authorizing and empowering the Board of Public Works of the city of Indianapolis, Indiana, to improve Audubon Road, from south side of P. C. C. & St. L. Ry. tracks to north side of C. H. & D. Ry. tracks, with brick roadway and curbing."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, INDIANA, June 18, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval General Ordinance No. 49—1907, being "An ordinance approving a certain contract granting Gill & Greenen the right to lay and maintain a side track or switch from the west property line of Arsenal Avenue to and across the first alley east of Summit street, all in the city of Indianapolis, Indiana."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, INDIANA, June 27, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval Special Ordinance No. 5—1907, being "An ordinance annexing certain territory to the city of Indianapolis, defining a part of the boundary line of said city, and fixing a time when the same shall take effect."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, INDIANA, June 27, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith without my approval General Ordinance No. 39—1907, the same being "An ordinance relating to the licensing, taking and regulating all shops, inns, taverns, hotels or

other places where intoxicating liquors are kept for sale to be used in, or drank upon the premises; and regulating, restraining such shops, inns, hotels, or other places aforesaid, defining and designating the places, locality, room, building or other place where such liquors may be kept or sold and declaring an emergency."

Upon receipt of this ordinance from your Honorable body, I submitted the same to Frederick E. Matson, Corporation Counsel, with a request that he furnish me with an opinion as to the validity of such ordinance, and for the reasons embodied in the reply of such ordinance, and for the reasons embodied in the reply of such officer to such request, whereof follows herein, I am constrained to take the action outlined above. I give herewith the opinion of the Corporation Counsel:

First. The ordinance purports to be passed under clause fortieth, Section 53, Municipal Corporations Act of 1905, which authorized the Common Council "to license, tax, regulate and restrain all shops, inns, taverns, or other places where intoxicating liquors are kept for sale, *to be used in and upon the premises* etc." Neither section of the ordinance is limited to places where intoxicating liquors are kept for sale *to be used in and upon the premises*, but the ordinance in all sections applies broadly to all places within the corporate limits of the city of Indianapolis where intoxicating liquors are to be sold, bartered, or given away, without regard to whether they are to be used upon the premises or elsewhere. It seems certain therefore, that for this reason the ordinance is beyond the scope of municipal legislation authorized by the charter provision above quoted.

Second. It is provided in Section 2 that the applicant for a license shall in his application to the City Controller, state his name, age and residence, and describe the premises wherein he desires to carry on such business. It is provided that his application shall then be certified by the Controller to the Common Council, and "upon said Common Council being satisfied with the fitness of the applicant and with the place where such intoxicating liquors are proposed to be sold, the Common Council aforesaid, shall, by resolution, approve such application."

It will be observed that the ordinance does not attempt to regulate the sale of intoxicating liquors by fixing definite conditions under which such business may be carried on, and which would apply alike to all persons and to all places. It does not state or fix any qualifications as to the character or fitness of persons desiring to conduct such business, nor does it state or describe any requirements as to the location or kind of building, or the arrangement of the room, in which such business may be conducted. There are no standards provided by which the Council can determine its satisfaction with the fitness of applicants and places in a uniform manner in all cases.

The effect of the ordinance is that each separate application for the privilege of selling intoxicating liquors must be submitted to, and passed upon by, the Common Council. This would render it possible for the Council to approve the application of one person, and reject the application of another person having exactly the same qualifications as to character, personal fitness, etc. It would also render it possible for the Council to grant a license for one location and refuse a license for another location similarly situated. It thus appears that under the ordinance the Council would have power to discriminate as between persons equally fit to conduct such business, and discriminate between locations and buildings, which, as to all conditions affecting the public safety or morals, are in all respects similar and equal.

It has been settled in many cases that such is not the kind of "regulation" which either the Legislature or the Common Council can

exercise. In *Steffy vs. Town of Monroe City*, 135 Ind. 466, 469, our Supreme Court, in holding an ordinance void because it was not a proper exercise of the power to "regulate," said:

"It (the ordinance) does not attempt to prescribe conditions under which sales that are authorized by the state and by the town may be made, either as to time, place or persons."

In *Bills vs. City of Goshen*, 117 Ind. 221, 226, the court said:

"It is, further, a well settled principle that cities cannot discriminate between the citizens engaged in the same business; that if they license they must license alike."

The Supreme Court of the United States has many times laid down the same rule. A fair example of the view of this court is found in *Barbier vs. Connolly*, 113 U. S. 27, where the court says:

"That no impediment should be interposed to the pursuits of any one except as apply to the same pursuits of others under like circumstances; that no greater burdens should be laid upon one than are laid upon others in the same calling and condition."

It seems clear therefore, that this ordinance is not such an exercise of the power "to regulate" as is contemplated by our charter.

There is another point which may be considered: The form of government provided for cities in this state contemplates three separate and distinct departments, viz: the executive, legislative, and judicial departments. The functions of each are clearly defined and do not overlap each other. The choice and adoption of definite, fixed and certain regulations, in the interest of public safety and morals, under which the sale of intoxicating liquors to be consumed on the premises may be permitted or conducted; would seem to be a legislative function, to be exercised only by the Common Council. But the inquiry and decision whether any particular applicant, by his showing of personal character and of place or building in which the business is to be conducted, has brought himself within the requirements of such regulations, would seem to be an administrative or quasijudicial function, to be exercised only by the Board of Safety, the Controller or other suitable executive department.

For the reasons above stated I am convinced that the ordinance in question would not be held valid by the courts.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,

Mayor.

Mr. Royse moved that General Ordinance No. 39, 1907, be passed over the Mayor's veto, which prevailed by the following vote:

Ayes, 14, viz.: Messrs. Cottey, Davis, Neukom, Smither, Rhodes, Bangs, Stickelman, Portteus, Royse, Donavon, Hofmann, Hilken, Wright, and President Frederick W. Eppert.

Noes, 6, viz.: Messrs. Hamlet, Wood, Uhl, Hartmann, Sullivan and Henry.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,

INDIANAPOLIS, INDIANA, June 27, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith without my approval Special Ordinance No. 6—1907, the same being “An ordinance defining a part of the boundary line of the city of Indianapolis,” etc.

The purpose of this ordinance as I understand it, was to annex certain territory lying adjacent to the east and south boundary lines of the city, and while I am satisfied that certain changes could with justice to the people of Indianapolis be made in such boundary line, I cannot approve the same because the lines described in such ordinance No. 6, provide, among other things, for the annexation of territory which I consider not to be advisable at this time to incorporate within the limits of the city. Should such territory be annexed to the city, the residents therein have the right to expect and to demand police and fire protection, together with water and electric lighting service. The demands made upon the city in furnishing such service would be wholly out of proportion with the amount of taxes derived from such property, and I do not therefore believe it to be advisable to incorporate within the limits of the city such territory especially as such territory has not and is not developing in such manner as to give reasonable assurance that the revenues arising therefrom would meet the amount of increased expenditure caused by such annexation.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., July 1, 1907.

To the President and Members of the Common Council:

GENTLEMEN—By request of his Honor, the Mayor, I herewith submit an ordinance providing for the appropriation of sum of Eight Hundred Dollars to the Department of Public Works, as an addition to the appropriation heretofore made for “The Maintenance of Bath-houses,” and recommend its passage.

Respectfully,

GEO. T. BREUNIG,
City Controller.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., July 1, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I present herewith communication from the Board of Public Works requesting the appropriation of an additional \$1500.00 for the City Civil Engineer's Accounts Fund.

I have prepared and herewith present an ordinance providing for the transfer of \$1500.00 from the "Sprinkling Unimproved Streets" fund to said "City Civil Engineer's Accounts" fund, and recommend its passage.

Respectfully,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., June 19, 1907.

Geo. T. Breunig, Esq., City Controller, City:

DEAR SIR—In accordance with the attached communication from the City Civil Engineer, we respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$1500.00 to the City Civil Engineer Fund.

Yours respectfully,
JOSEPH T. ELLIOTT,
P. C. TRUSLER,
F. J. MACK.
Board of Public Works.

OFFICE OF THE CITY CIVIL ENGINEER.
INDIANAPOLIS, IND., June 17, 1907.

Board of Public Works, Indianapolis:

GENTLEMEN—I beg to inform you that the C. C. E. Account for this office has a balance of only \$346.34, and would therefore request that you ask for a transfer of about twelve or fifteen hundred dollars to this fund. We have drawn rather heavily from the fund this year on account of the purchase of an automobile, one new wagon, two new horses, harness and repairs to wagons already in use, the total of these expenditures being about \$1400.00, on which we did not count in asking for the appropriation at the first of the year. Our regular expenses out of this fund run from about \$175.00 to \$200.00 a month.

Yours very truly,
BLAINE H. MILLER,
City Civil Engineer.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,

INDIANAPOLIS, IND., July 3, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval General Ordinance No. 58, 1907, the same being "An ordinance amending Section 1 of General Ordinance No. 159, 1906."

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., July 8, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval General Ordinance No. 54, 1907, the same being “An ordinance for fire protection in the city of Indianapolis, Indiana, and repealing all ordinances in connection therewith.”

I remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., July 15, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I present herewith a communication from the Department of Public Safety requesting an additional appropriation of \$1,700 for the Gas and Electricity fund at the East Market.

I submit herewith an ordinance making the appropriation asked for, and recommend its passage.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC SAFETY,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., July 11, 1907.

Geo. T. Breunig, Esq., City Controller:

DEAR SIR—At a meeting of the Board of Public Safety, held July 10, 1907, I was instructed to request you to please ask the Common Council to appropriate seventeen hundred dollars (\$1,700.00) for the East Market Gas and Electricity fund.

There being only about enough money in this fund to cover the next two months' bills, the shortage in this fund being caused by lack of funds in 1906, which had to be met out of 1907 funds.

Respectfully yours,

JOHN B. WOOD,
Secretary.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., July 15, 1907.

To the President and Members of the Common Council:

I present herewith a communication from the Board of Health, asking for additional appropriations for use in City Dispensary, as follows:

One hundred dollars to the "Transportation" fund;

One hundred dollars to the "Surgical Supply" fund.

I submit herewith an ordinance providing for the appropriations asked for, and recommend its passage.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC HEALTH AND CHARITIES.
INDIANAPOLIS, IND., July 13, 1907.

Mr. Geo. T. Breunig, City Controller:

DEAR SIR—Kindly ask the City Council to appropriate \$100 additional to the transportation fund and \$100 to the surgical supply fund of the City Dispensary. Both of these funds will be exhausted before the end of the year. Dr. Kiser informs me that he will need some additional bicycles and he is not able to charge this account to the transportation fund unless the appropriations are made.

We desire that you introduce this at the next meeting of the Council.

Respectfully yours,
EUGENE BUEHLER,
Sec. Board of Health.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,

From the Special Committee on Rules:

INDIANAPOLIS, July 15, 1907.

To the President and Members of the Common Council of the City of Indianapolis:

GENTLEMEN—We, your Special Committee on Rules, to which was referred the matter of amending the rules of the Common Council, beg leave to report that we have had such amendments under consideration and recommend that the rules of the Common Council be amended as follows, to-wit:

Amend paragraph 3, under heading of "Duties of Officers. President," on page 16, by adding thereto the following words: "He shall

announce the result of all votes by the Council upon all motions, resolutions, ordinances, etc., whether by roll call or by viva voce vote."

Amend paragraph 6 of Rule 1, page 19, by striking out the word "sixteen" in the first line thereof and inserting the word "eighteen;" by inserting after the word "franchise," in line five of said paragraph 6 the following words: "Committee on License;" by inserting after the word "members," in the eighth line of said paragraph 6 the words "Committee on Permanent Improvements, five members;" by inserting after the words "Committee on Judiciary," in line 18 of said paragraph 6 the words "Committee on License," and by inserting after the words "Committee on Ordinances" in line 19 thereof the words "Committee on Permanent Improvements."

Amend paragraph 2 of Section 1 of Rule 2 by inserting the words "or resolution" after the words "or ordinance," in line 7 thereof.

Amend Rule 2 by adding thereto, after paragraph 11, the following: "All resolutions presented for any action by the Council shall be read by the Clerk and immediately referred to a proper committee by the President and no debate shall be in order upon such resolution until the same shall have been reported back to the Council by the committee to which it was referred."

Strike out Section 5 of Rule 2 and insert in place thereof the following: "A majority of all members elected shall be required to pass or defeat any ordinance and any ordinance failing of passage or defeat because of not having received such a majority for or against passage shall be considered as engrossed and awaiting call for third reading and final passage. Any such ordinance may be called for third reading and final passage at any subsequent meeting of the Council unless it shall have been stricken from the files or otherwise disposed of."

Amend Rule 8, page 28, by adding a new section as follows: "After the Council shall have been called to order by the President, Vice-President or President pro tem, no member shall absent himself from the council chamber without he shall have been excused by the presiding officer: Provided, however, That should such presiding officer refuse to grant such excuse the member seeking to be excused shall have the right to demand a vote of the Council upon his request to be excused, and the affirmative vote of two-thirds of the members present shall be sufficient to excuse him from further attendance at that meeting of the Council. The question upon excusing a member, notwithstanding the refusal of the presiding officer to do so shall be a question of privilege and shall be immediately put to vote by the the presiding officer, taking precedence of all other questions and motions that may be before the Council at that time.

"When any member shall be excused in accordance with the provisions of this rule the Clerk shall note on the minutes that such leave was granted, showing whether leave be granted by the presiding officer or by vote of the Council."

Amend Rule 1, beginning on page 19, by adding thereto an additional section to be known as Section 9, as follows: "The ward councilman elected from any ward shall be a member of the Committee on License with full power to vote upon all applications for a retail liquor license when such application shall come from the ward from which he shall have been elected."

All of which is respectfully submitted.

INDIANAPOLIS, IND., July 31, 1907.

To the President and Members of the Common Council:

GENTLEMEN—At the meeting of your honorable body held on June 3, 1907, I returned to you General Ordinance No. 47, 1907, without my approval, such approval as stated in the message sent to your honorable body on the date mentioned being based upon an agreement made between the city of Indianapolis and the various railroad companies crossing the streets of said city, by which such railroad companies agreed to pay 30 per cent of the cost of all lights located upon such street crossings by their tracks. The railroad companies are now ready to make these payments in accordance with such agreement, but in the opinion of the corporation counsel, the whole matter can better be covered by ordinance than by separate contracts with the railroads. I therefore submit to your honorable body an ordinance relating to this contract and agreement, with the recommendation that the same receive early and favorable attention at your hands.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,
INDIANAPOLIS, IND., July 31, 1907.

To the President and Members of the Common Council:

GENTLEMEN—There will be submitted to your honorable body at tonight's meeting an ordinance appropriating the sum of \$20,000 to the fund for the repair of permanently improved streets. The burden of caring for these streets is increasing each year. The number of yards of pavement which must be looked after has increased by the thousands during the present summer, and in order that we may keep all

streets in that good condition which the people rightfully demand, it will be necessary to have the additional funds asked for. I call your attention to the fact that with this sum added to the original appropriation the amount expended for this purpose during the present year will be little, if any, in excess of the sum required during the year 1906.

The following is a list of the streets which have not as yet been repaired during the present year:

Delaware, from Massachusetts avenue to St. Clair street.

St. Clair street.

N. East street.

New York street west of Blake.

East street south of Morris.

McCarty street, High to Virginia avenue.

Woodlawn, east of Virginia avenue.

Ft. Wayne avenue.

12th street, Alabama to Central avenue.

Senate avenue, from 16th to 21st street.

Buchanan street east of Virginia avenue.

N. Park avenue.

Liberty street.

Talbott avenue, from 16th to 25th street.

As this work must be done during the good weather, I earnestly urge upon you immediate action on this ordinance.

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,

Mayor.

A communication was received through the Mayor inviting the Council to attend the Convention of the League of American Municipalities to be held at Norfolk, Va., was read and placed on file without action.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

INDIANAPOLIS, IND., August 5, 1907.

To the President and Members of the Common Council:

GENTLEMEN—Herewith please find communication from the Board of Health requesting additional appropriation for \$1,500.00 to the "Prevention of Contagious Diseases" account.

I submit herewith an ordinance making the appropriation asked for, and recommend its passage.

Respectfully submitted,

GEO. T. BREUNIG,

City Controller.

DEPARTMENT OF PUBLIC HEALTH AND CHARITIES.
CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., July 30, 1907.

Mr. Geo. T. Breunig, City Controller:

DEAR SIR—I have been directed by the Board of Public Health to ask you to recommend an appropriation of \$1,500.00 to the Contagious Disease Fund. We have a balance of \$692.00 at the present time, which will not be enough to carry us to the end of the year.

Kindly make the necessary recommendation to the Council at its next meeting.

Respectfully yours,
EUGENE BUEHLER,
Sec. Board of Health.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., August 5, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I herewith submit communication from the Department of Public Works requesting additional appropriations as follows: \$25,000.00 to the "City Civil Engineer Salaries" account, and \$25,000.00 to the "Repairing of Permanently Improved Streets" account.

I have prepared and submit herewith ordinances providing for the appropriations asked for, and recommend their passage.

Respectfully submitted,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 2, 1907.

Mr. Geo. T. Breunig, City Controller:

DEAR SIR—In accordance with the attached communication from the City Civil Engineer, we respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$25,000.00 to the City Civil Engineer Salaries Fund.

Respectfully,
JOSEPH T. ELLIOTT,
P. C. TRUSLER.
F. J. MACK.
Board of Public Works.

OFFICE OF THE CITY CIVIL ENGINEER.
INDIANAPOLIS, IND., August 2, 1907.

Board of Public Works, Indianapolis:

GENTLEMEN—In looking over the balance of the C. C. E. Salaries Fund, I find that the same is only a little over \$4,000.00. In order to pay salaries on the first of next month it will be necessary for an

appropriation to be made this month, and I would suggest that you ask for \$25,000.00, the same to cover salaries in this department for the balance of the year. Our pay-rolls have been exceptionally heavy this year on account of the increased salaries together with the large amount of work on hand which necessitated the employment of a number of extra men.

Very respectfully,

BLAINE H. MILLER,
City Civil Engineer.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 2, 1907.

Mr. Geo. T. Breunig, City Controller, City:

DEAR SIR—In accordance with the attached communication from the City Civil Engineer, we respectfully request that you recommend to the Common Council the passage of an ordinance appropriating the sum of \$25,000 to Repairing of Permanently Improved Streets Fund.

Yours respectfully,

JOSEPH T. ELLIOTT.
P. C. TRUSLER.
F. J. MACK.
Board of Public Works.

OFFICE OF THE CITY CIVIL ENGINEER.
INDIANAPOLIS, IND., August 2, 1907.

Board of Public Works, Indianapolis:

GENTLEMEN—In answer to your inquiry regarding an extra appropriation to cover the cost of repairs of permanently improved streets for the balance of the year, I beg to state that we have not as yet patched the following streets, some of which are in bad condition:

Delaware, Massachusetts avenue to St. Clair street.

St. Clair street.

N. East street.

New York street west of Blake.

East street south of Morris.

McCarty street, High to Virginia avenue.

Woodlawn, east of Virginia avenue.

Ft. Wayne avenue.

12th street, Alabama to Central.

Senate avenue, 16th to 21st street.

Buchanan, east of Virginia avenue.

N. Park avenue.

Liberty street.

Talbott avenue, 16th to 25th street.

I believe it would be advisable for the Board to ask for an appropriation of at least \$25,000.00, of which I understand the Street Commissioner needs six or seven thousand to continue with his work of repairs on brick and block streets out of guarantee. There is only a balance of ten or twelve thousand dollars in our fund for repairs to permanently improved streets, and this will be about exhausted after payment of the July bill to the Western Construction Co.

Very respectfully,

BLAINE H. MILLER,
City Civil Engineer.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,
INDIANAPOLIS, IND., July 23, 1907.

Geo. T. Breunig, City Controller, City:

DEAR SIR—I wish you would prepare an appropriation ordinance providing an additional \$20,000 for the repair of permanently improved streets. I desire to have this ordinance submitted to the Council at its next meeting, on the first Monday night in August. I have asked the City Engineer to furnish me a list of all asphalt streets which have not as yet been patched. I am desirous of putting every street in good condition before cold weather, as I consider it to be more economical to patch them now than to wait for an increased appropriation in next year's budget.

I remain,

Very truly yours,

C. A. BOOKWALTER,
Mayor.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 5, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I am directed by the Board of Public Works to forward to your honorable body for your consideration and action thereon the attached ordinance authorizing and empowering the Board of Public Works to proceed with the improvement of California street, from northeast curb line Indiana avenue to south property line Tenth street, with cement walks, approach walks, brick gutters and curbing, as provided for by I. R. No. 5210.

Yours respectfully,

BOARD OF PUBLIC WORKS,

Per F. J. NOLL, Jr., Clerk.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, August 2, 1907.

James McNulty, City Clerk, and Common Council, City:

GENTLEMEN—At a meeting of the Board of Public Works, held on Monday, July 29, 1907, certain papers were signed granting permission to the Indianapolis, Newcastle & Toledo Electric Railway Company to enter the city over certain streets, under the impression that conditions set forth, and papers submitted, were simply a repetition of the terms of their franchise. We found later that there was a very great difference between same, and we desire to notify you that all action as to said matter was rescinded. Should any papers in this connection be presented to you, bearing signatures of the Board, please bear this in mind, and oblige.

Yours respectfully,

JOSEPH T. ELLIOTT.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 2, 1907.

To the President of the Finance Committee and

Members of the Common Council, City:

GENTLEMEN—The salary of the Superintendent of the Street Cleaning Department of the preceding administration was \$1,600 per annum. During the last year this salary was \$1,200.00. Your honorable body has increased this salary slightly, and we desire to suggest that in view of the large increase in territory by reason of added improvements,

and the efficiency of the work, as well as judgment, intelligence and honesty displayed in making purchases for this department, we feel that this officer is particularly to be commended.

In the readjustment of salaries there was some effort made to place this salary at \$1,500 per annum, and we would respectfully ask that if this matter could be reopened, and this salary so fixed, that such action would be highly appreciated by the members of the Board of Public Works, and we feel assured that the salary would be none too large for the responsibilities of the office.

Yours truly,

JOSEPH T. ELLIOTT.

P. C. TRUSLER.

From Department of Law:

DEPARTMENT OF LAW

INDIANAPOLIS, IND., August 5, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I am informed there will be presented to your honorable body at its session this evening an ordinance amending the present salary ordinance so as to make the salary of the Assistant City Attorney \$1,500.00 per annum, this being an increase of \$150.00 over his present salary. As the responsible head of the legal department, I feel you are entitled to hear from me on the facts touching this subject.

When the Legislature provided that this officer should receive annual salary, to be fixed by ordinance, not exceeding \$1,500.00, it must have contemplated that when the work of the department reached such magnitude that the services performed by him would occupy all his time and be of such character as to justify it, he would be awarded the full salary, but until such time the Common Council would grade the salary according to the value of the services actually performed by him.

At the present time the City Attorney (formerly known as the Assistant City Attorney) receives the full salary of \$2,500.00 allowed by the statute, and I have no hesitation in saying that the Assistant City Attorney fully earns the entire amount authorized by statute to be paid to him. The work in this department has probably quadrupled since this assistant was provided for and the fact is we are greatly in need of another assistant in the office. The personal injury claims and suits to which the Assistant City Attorney gives special attention has increased along with other classes of business. When it is remembered that the total damages claimed in personal injury suits pending against the city in the year 1906 amounted to \$478,500.00, it is clear that the very highest skill and most energetic service is required in defending against them. Failure to look after these cases with the utmost care and attention would quickly result in judgments against the city amounting to more than the entire cost of maintenance of this department.

I am perfectly safe in saying that if the identical services which have been performed by the present Assistant City Attorney in the last eighteen months had been performed, not for a municipal corporation, but for a private corporation or a liability insurance company in defending personal injury claims, that the fees paid for the same

would not have been less than at the rate of \$2,500.00 or \$3,000.00 per year. My last annual report showed that the number of such claims and cases pending on January 1, 1907, was very much less than the total number pending on January 1, 1906, notwithstanding the fact that probably a larger number than usual had been filed during the year. The record for the first six months of 1907 indicates that an equally good showing will be made during the present year. As the Assistant City Attorney is chiefly responsible for this work it follows that he is entitled to the credit and to a salary commensurate therewith.

As far as I may with propriety do so, I earnestly recommend your favorable consideration of the ordinance granting this small increase.

I have the honor to remain,

Yours respectfully,

FREDERICK E. MATSON,
Corporation Counsel.

Mr. Cottey moved to refer the communication to the Committee on Fees and Salaries.

Mr. Cottey called for the Ayes and Noes.

The roll was called and President Eppert declared the motion lost by the following vote:

By Board of Public Works:

General Ordinance No. 69—1907. An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve California street, from northeast curb line Indiana avenue to south property line Tenth street with cement walks, brick gutters, curb and sod.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana, did on the 8th day of July, 1907, adopt Improvement Resolution No. 5210, 1907, for the improvement of California street, from the northeast curb line of Indiana avenue to the south property line of Tenth street, with cement walks, approach walks, curbing, and brick gutters; and

WHEREAS, The said Board of Public Works did at the same time fix the 24th day of July, 1907, at 10 o'clock a. m., as the date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 9th day of July, 1907, and the 16th day of July, 1907, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, On the 24th day of July, 1907, the Board having met in regular session, took final action on said Improvement Resolution without modification; and

WHEREAS, On the 26th day of July, 1907, a written remonstrance was filed with the Board against the said improvement of California street, and the same was referred to the City Civil Engineer for investigation and report; and

WHEREAS, On the 5th day of August, 1907, the City Civil Engineer filed his written report, stating that a majority of the resident property owners had signed said remonstrance, and

WHEREAS, On the 5th day of August, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass

an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore,

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve California street, from the northeast curb line of Indiana avenue, to the south property line of Tenth street, with cement walks, approach walks, brick gutters and curb, in accordance with Improvement Resolution No. 5210, 1907, adopted by the Board of Public Works on the 8th day of July, 1907.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Contracts and Franchises.

By Mr. Rhodes:

General Ordinance No. 70—1907. An ordinance prohibiting the use of improved streets within the city to all vehicles or machines using drive or other wheels coming in contact with the street surface, on the face of which are ridges, cleats, or other devices likely to injure the street surface, without first covering the same with smooth tires; also making it unlawful to injure the surface of improved streets; providing a penalty for the violation thereof; and fixing a time when the same shall take effect.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That it shall be unlawful for any person, firm or corporation to propel, haul or drive along or upon any improved street within the City of Indianapolis, any traction engine, steam plow, roller, threshing machine, separator, wind-stacker, or any other kind of machine or vehicle, which has or uses on the surface of the drive or other wheels coming in contact with the street surface, any ridges, cleats, projections, or any other device or devices that may injure the street surface by indentation or otherwise, without first covering such wheel or wheels with tires the face of which is smooth and even.

SEC. 2. It shall be unlawful for any person, firm or corporation to indent, cut, break, or otherwise injure or deface the surface of any improved street within the City of Indianapolis, by using, propelling, hauling or driving along or upon the same any traction engine, steam plow, roller, threshing machine, separator, wind-stacker, or any other kind of machine or vehicle whatsoever, which has or uses on the face of the drive or other wheels coming in contact with the street surface, any ridges, cleats, projections, or any other device causing the same to be rough and uneven.

SEC. 3. Any person, firm or corporation violating any of the provisions of this ordinance shall upon conviction thereof be fined in any sum not exceeding two hundred dollars (\$200.00) nor less than twenty

five dollars (\$25.00), to which may be added imprisonment for a period not exceeding ten (10) days.

SEC. 4. This ordinance shall take effect and be in force from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun, a daily newspaper of general circulation in the City of Indianapolis, Indiana.

Which was read a first time and referred to the Committee on Public Morals.

By Mr. Cottey:

General Ordinance No. 71—1907. An ordinance regulating the location, erection, operation, and maintenance of hospitals, sanitariums, buildings or structures for the treatment of contagious or infectious diseases within the City of Indianapolis, fixing a penalty for the violation thereof, and providing for the publication of said ordinance, and fixing a time when the same shall take effect.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That it shall hereafter be unlawful for any person, partnership, or corporation to locate, erect, operate or maintain any hospital, sanitarium, building or structure for the treatment of persons afflicted with contagious or infectious diseases, within the City of Indianapolis, Indiana, within one hundred and fifty (150) feet of any public highway or dwelling house used for residence purposes.

SEC. 2. Any person, partnership or corporation violating any of the provisions of this ordinance shall be fined in the sum of one hundred dollars (\$100.00) for the first offense, and the sum of twenty-five dollars (\$25.00) for every additional offense, and every day said ordinance is violated shall constitute an additional offense.

SEC. 3. This ordinance shall be in full force and effect from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun, a paper of general circulation printed and published in the City of Indianapolis, Indiana.

Which was read a first time and referred to the Committee on Public Health.

By Mr. Hilken:

General Ordinance No. 73—1907. An ordinance to regulate the keeping, handling and storage of crude petroleum, coal oil, benzine, turpentine, gasoline, and other explosive or combustible oils and fluids, and fixing a penalty for the violation thereof.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That it shall be unlawful for any person, firm or corporation to keep or store crude petroleum, gasoline, naphtha, benzine, camphine, carbon oil, spirit gas, burning fluid, turpentine, coal

oil, or any other explosive or combustib'e oil or fluid, excepting such refined oils as will stand a fire test of one hundred and fifty (150) degrees Fahrenheit, in any quantity exceeding three (3) barrels or one hundred and fifty (150) gallons, in or upon any building, structure, or premises of any kind whatsoever, within the fire limits of the City of Indianapolis, as defined in Section 146 of General Ordinance No. 34, 1904, approved June 6, 1904.

SEC. 2. It shall be unlawful for any person, firm or corporation to keep or store any such oils or fluids, in any quantity over fifteen (15) gallons and not exceeding one hundred and fifty (150) gallons, within the said fire limits in the City of Indianapolis, unless the same shall be kept or stored in steel tanks which are properly ventilated, and placed under the ground and outside of any building or structure.

SEC. 3. It shall be unlawful for any person, firm or corporation to keep or store any such oils or fluids, in any quantity exceeding one (1) gallon and not exceeding fifteen (15) gallons, within the City of Indianapolis, except under and according to the following conditions: Where any such oils or fluids, in any such quantity, are kept in or upon any building, structure or premises other than a steel tank, as provided in Section 2 of this ordinance, the receptacle or receptacles in which such oils or fluids are kept shall not be placed under any stairway, or in any cellar, or in any confined place, but shall be kept in such manner that no vapor or gas therefrom can collect in any such quantity as to become dangerous; and no such receptacle or receptacles containing such oils or fluids shall be stored, kept or handled at any time within fifteen (15) feet of any gas, candle, oil, or other like artificial light, or near any lighted stove, gas grate, or open flame or fire of any kind whatsoever.

SEC. 4. It shall be unlawful for any person, firm or corporation engaged in the business of transporting or delivering any of the oils or fluids mentioned in Section 1 of this ordinance, to permit such oils or fluids in any quantity over one hundred and fifty (150) gallons, to remain in barrels, tanks, or other like receptacles upon any railroad track or street for any longer time than shall be reasonably necessary to make provision for the storing or delivering of the same, and in no event for a longer period than twenty-four (24) hours.

SEC. 5. It shall be unlawful for any person, firm or corporation to sel', deliver, purchase or receive any of the oils or fluids mentioned in Section 1 of this ordinance by gas, candle, oil or other like artificial light.

SEC. 6. It shall be unlawful for any person, firm or corporation to keep or store any of the oils or fluids mentioned in Section 1 of this ordinance within the City of Indianapolis, in any quantity exceeding one hundred and fifty (150) gallons, except under and according to the following conditions: Tanks for the storage of any one or more of such oils or fluids in any quantity not exceeding 200,000 gallons may be placed outside of the fire limits, providing the following specifications are complied with, to-wit: Such tanks shall be made of metal having sufficient guage to insure a tensile strength of not less than forty pounds per square inch. All portions of such tanks shall be riveted together and shall be made liquid tight. Each tank shall have a manhole and shall be equipped with adequate ventilating and safety devices. All such tanks shall be situated not less than twenty-five feet from any building, and shall be enclosed within a solid brick or reinforced concrete wall not less than eighteen inches thick and not less than eight feet high from the floor of the enclosure. The entire cubic contents of such enclosure shall exceed by at least twenty-five per

cent the total capacity of the tanks placed within such enclosure. The floor of such enclosure shall be at least four feet below the outside grade line and shall be made of clay.

SEC. 7. It shall be unlawful for any person, firm or corporation to keep, maintain, or use, within the City of Indianapolis, any filling or guage tanks for any such oils or fluids except under and according to the following conditions: Any such filling or guage tank shall contain not to exceed a total of three hundred gallons; such tank shall be enclosed within a solid brick or reinforced concrete wall not less than eighteen inches thick and not less than eight feet high above the floor of such enclosure, the floor of such enclosure to be at least four feet below the outside grade line, and made of clay, and in such manner as to prevent any leakage of the oils or fluids from flowing on the outside of the enclosure. The enclosure may have a roof of any incombustible material over the same if properly ventilated. In no case shall any filling or guage tank be within fifty feet of any frame building. All pumps for pumping oil from one tank to another must be enclosed within a brick or concrete building or walls, as herein described.

SEC. 8. Any person, firm or corporation violating any of the provisions of this ordinance shall be fined in the sum of \$100.00, and each day said ordinance is violated shall constitute a separate and additional offense.

SEC. 9. Any tank or other receptacle in which any of the oils or fluids mentioned in Section 1 of this ordinance are kept or stored in violation of any of the terms or provisions of this ordinance shall be deemed a nuisance and may be abated as such; and it is hereby made the duty of the Building Inspector of the City of Indianapolis to cause the same to be abated as a nuisance by any proper legal procedure.

SEC. 10. This ordinance shall be in full force and effect from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun, a newspaper of general circulation printed and published in the City of Indianapolis, Indiana.

Which was read a first time and referred to the Committee on Public Safety and Comfort.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, August 19, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I submit herewith a communication from the Board of Health requesting an appropriation of \$200.00 to the "Horse Board and Transportation" fund.

I submit herewith an ordinance providing for the appropriation as prayed for and recommend its passage.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC HEALTH AND CHARITIES.
CITY OF INDIANAPOLIS.
INDIANAPOLIS, IND., August 12, 1907.

Mr. Geo. T. Breunig, City Controller:

DEAR SIR—I have been directed by the Department of Public Health to ask you to request the Council to make an appropriation of \$200.00 to buy our milk inspector a horse.

The inspector has been using his own horse for several months and is unable to do so any longer. The Department had two old horses that were practically unfit for further use which we traded in for one good horse which is used by the disinfecting inspector.

Kindly ask for the necessary appropriation at the next meeting of the Council.

Respectfully yours,
EUGENE BUEHLER,
Sec. Board of Health.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, August 19, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I submit herewith a communication from the Department of Public Safety requesting the transfer of \$843.00 from the Fire Force pay roll fund to the Repairs to Buildings fund.

As there is urgent need for immediate use of this money I respectfully recommend, as per request of Chief Coots, that the accompanying ordinance making the transfer asked for be passed under a suspension of the rules.

Respectfully submitted,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC SAFETY,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., August 15, 1907.

Geo. T. Breunig, Esq., City Controller:

DEAR SIR—The Board of Public Safety, at a meeting held August 14, 1907, instructed me to request you to please ask the Common Council to make the following transfer of funds in the Fire Department:

Eight hundred and forty-three dollars (\$843.00) from the "Fire Force Pay-roll" account to "Repairs to Buildings" fund.

It being absolutely necessary to make repairs to various fire stations before winter, as shown by enclosed recommendation and estimate of costs, from Chief Coots.

Respectfully yours,
JOHN B. WOOD,
Secretary Board of Public Safety.

INDIANAPOLIS FIRE DEPARTMENT,
OFFICE OF CHIEF.
INDIANAPOLIS, IND., August 14, 1907.

Board of Public Safety, City of Indianapolis:

GENTLEMEN—I find that the appropriation for the year 1907 to the fund known, as "Repairs to Buildings" will not be sufficient for the

balance of the year, on account of repairs that are necessary. I herewith attach a list of repairs with the estimated cost.

I would recommend that a transfer be made of eight hundred and forty-three (\$843.00) dollars, from the Fire Force Pay-roll account to the Repairs to Building account.

Respectfully submitted,
C. E. Coots,
Chief of Fire Force.

P. S.—I would also recommend that you request the City Council through its Finance Committee, if it be possible under a suspension of the rules, to make the above transfer at its next meeting, as the repairs mentioned are badly needed.

C. E. C.

INDIANAPOLIS FIRE DEPARTMENT,
OFFICE OF CHIEF.

INDIANAPOLIS, IND., August 10, 1907.

Board of Public Safety, City of Indianapolis:

GENTLEMEN—The following is an estimate of the cost of repairs to the various fire stations, that is necessary to place in condition for the winter:

| | |
|---|----------|
| Painting exterior of Station No. 12..... | \$155 00 |
| New roof on stable, Truck House No. 3..... | 75 00 |

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., August 19, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I submit herewith a communication from the Department of Public Safety requesting the transfer of \$600.00 to the Prisoners' Meals account at the Police Station as follows:

\$200.00 from Fuel account, \$200.00 from Gas and Electric Lights account, and \$200.00 from Horseshoeing account.

I recommend that the accompanying ordinance providing for such transfer be passed.

Respectfully submitted,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC SAFETY,
OFFICE OF THE BOARD.
INDIANAPOLIS, IND., August 16, 1907.

Geo. T. Breunig, Esq., City Controller:

DEAR SIR—At a meeting of the Board of Public Safety, held August 14, 1907, I was instructed to request you to please ask the Common Council of Indianapolis to make the following transfer of funds in the Police Department:

\$200.00 from Fuel Fund.

200.00 from Gas and Electric Lights Fund.

200.00 from Horseshoeing Fund.

\$600.00 Total.

to

Prisoners' Meals Fund.

This is made necessary to meet the bill's in this Department for the remaining five months in this year, as there is only \$417.20 left in this fund at the end of July, owing to the great number of arrests, it is costing on an average of \$200.00 per month to feed these prisoners.

Respectfully yours,

JOHN B. WOOD,
Secretary.

By Board of Public Works:

General Ordinance No. 79—1907. An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Marlowe avenue, from east property line of Oriental street, to east property line of Dorman street, with asphalt roadway, curb and brick gutters.

WHEREAS, The Board of Public Works of the City of Indianapolis, Indiana, did on the 15th day of July, 1907, adopt Improvement Resolution No. 5222, 1907, for the improvement of Marlowe avenue, from the east property line of Oriental street, to the east property line of Dorman street, with asphalt roadway, curb and brick gutters, and

WHEREAS, The said Board of Public Works did at the same time fix the 31st day of July, 1907, at 10 o'clock a. m. as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 16th day of July, 1907, and the 23d day of July, 1907, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and

WHEREAS, Said day of hearing was continued to August 5th, 1907, and

WHEREAS, On the 5th day of August, 1907, the Board having met in regular session, took final action on said Improvement Resolution without modification; and

WHEREAS, On the 9th day of August, 1907, a written remonstrance was filed with the Board against the said improvement of Marlowe avenue, and the same was referred to the City Civil Engineer for investigation and report; and

WHEREAS, On the 19th day of August, 1907, the City Civil Engineer filed his written report, stating that a majority of the resident property owners had signed said remonstrance, and

WHEREAS, On the 19th day of August, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve Marlowe avenue from east property line of Oriental street to east property line of Dorman street, with asphalt roadway, curb and brick gutters, in accordance with Improvement Resolution No. 5222, 1907, adopted by the Board of Public Works on the 15th day of July, 1907.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That Clause G of Section 6 of an ordinance entitled "An ordinance concerning the compensation of all officers, heads of departments, clerks, assistants and employes of the City of Indianapolis, Indiana, and repealing all ordinances in conflict herewith,"

being General Ordinance No. 32—1907, approved May 16th, 1907, be and the same is hereby amended to read as follows:

SEC. 6. Clause G. For the Fire Force:

The chief of the fire force shall receive a salary at the rate of twenty-two hundred (\$2,200.00) dollars per annum.

The first assistant chief of the fire force shall receive a salary at the rate of fourteen hundred (\$1,400.00) dollars per annum.

The second assistant chief of the fire force shall receive a salary at the rate of thirteen hundred and twenty (\$1,320.00) dollars per annum.

The third assistant chief of the fire force shall receive a salary at the rate of thirteen hundred and twenty (\$1,320.00) dollars per annum.

The chief clerk shall receive a salary at the rate of ten hundred and twenty (\$1,020.00) dollars per annum.

The superintendent of telegraph shall receive a salary at the rate of fourteen hundred (\$1,400.00) dollars per annum.

The captains shall each receive a salary at the rate of ten hundred and twenty (\$1,020.00) dollars per annum.

The engineers shall each receive a salary at the rate of one thousand dollars (\$1,000.00) dollars per annum.

The members of the fire force of the first grade shall each receive a salary at the rate of nine hundred and twelve dollars and fifty cents (\$912.50) per annum.

The members of the second grade shall each receive a salary at the rate of eight hundred and twenty-one dollars and twenty-five cents (\$821.25) per annum.

The members of the third grade shall each receive a salary at the rate of seven hundred and thirty (\$730.00) dollars per annum.

The substitute firemen shall each receive a salary at the rate of seven hundred and thirty (\$730.00) dollars per annum.

The veterinary surgeon of the fire force shall receive a salary at the rate of sixty (\$60.00) dollars per month.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Finance.

INDIANAPOLIS, IND., August 19, 1907.

To the President and Members of the Common Council of the City of Indianapolis:

With the introduction of General Ordinance No. 80—1907, you will please observe that there are no changes made in the compensation of any members of the fire force except that of the substitute firemen. The pay of the substitute firemen in the new ordinance increases their pay to that of two (\$2.00) dollars per day. Under the present ordinance now in force they receive only \$1.30 per day, of which you are all aware that this is an outrageously low price, one of which you would find it impossible to employ men to perform the most menial kind of labor at the price now paid our substitute firemen.

Their labors are more arduous than that of the regular firemen. We should encourage good men to seek to become firemen by paying the beginners enough salary at least so they can live until they have reached the higher grades.

Hoping the committee to which this ordinance shall be referred to will make a favorable report on this ordinance with its passage at your next regular meeting.

Respectfully yours,

THEO. PORTEUS.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,

INDIANAPOLIS, IND., August 22, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval the following ordinances:

General Ordinance No. 71, 1907, being "An ordinance regulating the location, erection, operation and maintenance of hospitals, sanitariums, buildings or structures for the treatment of contagious or infectious diseases within the City of Indianapolis, fixing a penalty

for the violation thereof, and providing for the publication of said ordinance, and fixing a time when the same shall take effect."

Appropriation Ordinance No. 13, 1907, being "An ordinance providing for the appropriation of certain sums to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

Appropriation Ordinance No. 10, 1907, being "An ordinance appropriating the sum of six hundred dollars to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

General Ordinance No. 70, 1907, being "An ordinance prohibiting the use of improved streets within the city to all vehicles or machines using drive or other wheels coming in contact with the street surface, on the face of which are ridges, cleats, or other devices likely to injure the street surface, without first covering the same with smooth tires; also making it unlawful to injure the surface of improved streets; providing a penalty for the violation thereof, and fixing a time when the same shall take effect."

General Ordinance No. 69, 1907, being "An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve California Street, from north-east curb line of Indiana Avenue to south property line of Tenth Street, with cement walks, brick gutters, curb and sod."

Resolution No. 9, 1907

I have the honor to remain,

Very truly yours,

C. A. BOOKWALTER,

Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS,

INDIANAPOLIS, IND., September 5, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval Resolution No. 10, 1907, adopted at the meeting of your honorable body on August 29, 1907.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,

Mayor.

EXECUTIVE DEPARTMENT,

CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I have the honor to transmit herewith a communication addressed to me by George T. Breunig, City Controller, making certain recommendations as to the estimates for appropriations for the several departments of city government for the year 1908, and in connection therewith would present to your honorable body my views in relation to this most important subject of taxation.

The problem of municipal housekeeping does not differ in any material way from the problem which must be solved by the individual

housekeeper. Even though revenues may be increased as the result of increased family possessions and investments, the demands upon such revenues incident to the growth of the family, seem to travel at a still faster pace, and each recurring year presents the same difficulties which it was hoped the increased revenues would not make necessary of solution. During the past year, as shown by the report of the Township Assessor, the taxable wealth of the City of Indianapolis, as fixed by the appraisement of March, 1907, has increased in the aggregate \$17,000,000. This increase has been largely due to the re-appraisement of real estate, although there has been a healthy growth in the appraised value of improvements and the increased amount of personal property returned for taxation. A considerable portion of this increase in all the items of lots and lands, improvements, personal property and polls has been due to the large scope of territory which has been annexed to the City of Indianapolis since the making of the appraisement in March, 1906. All this territory annexed, while it brings upon the tax duplicate increased values, also creates a demand upon revenues which cannot be overlooked, and which in a measure must be met. New annexations mean increased cost of water; increased cost of lights; increased cost of fire and police protection; increased cost of street and road repairs, besides many other small items of expense which cannot be here enumerated.

It had been my earnest wish that, with the increased valuation shown by the present duplicate and the consequent greater revenue to be derived from each cent laid as taxes, the present year might show a material reduction in the aggregate figure of the tax levy. Whatever hope of this kind had been entertained was at once dissipated upon the receipt by the City Controller and myself of the estimates of the various departments of the money necessary to take care of the growing needs of the several branches of city government. In the preparation of these estimates, the various departments were given to understand that their demands were to be confined to those things absolutely essential. Upon the receipt of these estimates the City Controller and myself proceeded to revise the same, and to make such reductions as in our opinion could be made without seriously hampering the work of such departments.

The appropriations for the year 1907 made for the Departments of Finance, Law, Public Works, Public Safety, Public Health and Charities, aggregated \$1,552,738.24. The requests made upon us this year by these five departments as originally submitted, amounted to \$1,865,453.59, which requests, if complied with, would have resulted in an increased expenditure during the present year of \$312,715.35. Conceding that the requests as made could not in a single instance be characterized as unreasonable, it was readily recognized by the Controller and myself that it would be an impossibility for the city to attempt to meet these demands. After careful consideration we have decided to submit the budget which I make a part of this document, showing a reduction in the estimates for the five departments enumerated of \$97,670.00, but even with this reduction, having eliminated every dollar which we feel can be cut off without seriously impairing the efficiency of any department, the estimates submitted still show an increase for the year 1908 as compared with appropriations for the year 1907, of \$215,045.35.

Not only were we forced to the conclusion that the increases asked for were absolutely necessary, but we also found ourselves confronted with the additional complication of decreased revenues from miscellaneous sources. The Act of the General Assembly of 1907 alienated \$30,000 from the general fund, while we were also compelled to recognize the further fact that this item of miscellaneous receipts would be

further decreased during the ensuing fiscal year by the reduction in the number of licenses granted for the sale of intoxicating liquors. This reduction in license fees, which we estimate to be at least \$50,000, added to the street car money, reduced our estimate of miscellaneous receipts in the sum of \$80,000. This reduction in receipts dissipated more than fifty per cent. of the additional revenue arising from the increased tax appraisement.

I consider it especially important in view of this increase, in order that the tax payers of the city may understand just why this additional money is required, that I should in a brief way set forth for your information and for the people's benefit, the particular items which go to make up this additional tax burden, which must, in the interests of good government, be assumed by the tax payers, and in doing so, shall set forth the increases by departments.

FINANCE DEPARTMENT.

The requests made for this department for the year 1908, amount to \$165,177.99 as compared with \$158,289.49 for the year 1907, thus showing an increase for the current year of \$6,888.50. This increase is caused first by the item of salaries, which item is controlled and governed by the ordinances of the city passed by your honorable body during the current year, by which action the pay of certain employes was increased, and which sums being fixed by law cannot in a levy of this kind be reduced. The principal item of increase in this department is the allowance of \$5,000.00 made for the payment of an equal amount of bonds known as West Indianapolis bonds, which will fall due immediately after the first of the year, before the time when the money due the Sinking Fund, which, under ordinary circumstances, would be used to pay the same, shall become available. This item is necessary to protect the credit of the city, and while it shows an increase in expenditures of \$5,000, in effect does not consume such sum of money because the payment of the bonds from the proceeds of this levy will leave in the Sinking Fund an equal amount of money, or should the Sinking Fund become available, the sum hereby appropriated would be left in the city treasury. In the estimates of this department we have added two new items. The appropriation of \$500 on account of official surety bonds, the ordinances of the city requiring that all officials under bond shall give company bonds to be paid for out of the city treasury, and the appropriation for Memorial Day of \$200, an appropriation which has always been made heretofore by special ordinance. These items of increase, together with the other money asked for in the various items enumerated, are off-set by the reductions made in the item of interest upon city bonds, which item shows a decrease for the next fiscal year of \$2,481.50.

LAW DEPARTMENT.

The estimates for this department show appropriations for the year 1908 of \$18,550 as compared with \$17,200 for the year 1907. The only increase has been made in the item of judgments, compromises and costs, all other items showing a reduction. The increase in this one item is made for the purpose of covering certain claims against the city which may go to judgment, such claims arising on account of damages done by the flood of 1904, and which claims were not settled out of moneys borrowed at that time to pay such damages.

BOARD OF PUBLIC WORKS.

The figures submitted for this department show aggregate appropriations for the year 1908 of \$852,550 as compared with \$714,250 for

the current year, being an increase of \$138,300. An examination of the figures submitted as compared with items which made up the appropriations for this department in 1907, will readily show each item of increase, but I desire to especially call your attention to the principal items which have been increased in the appropriations asked for this department.

In the item of bridges we have asked for the coming year \$35,000 as compared with \$15,000 for the year 1907. I do not consider it appropriate in a communication of this kind to again refer at length to the unfair division of cost of bridges which is being made in Marion County because of the position of the County Commissioners in refusing to follow the plain letter of the law, which says that all bridges, the cost of which exceeds \$500, no matter where located in the county, either within incorporated cities and towns or on country highways, shall be paid for by the county, but I cannot refrain from again making a protest against this discrimination. Because of this discrimination we have been compelled to increase this item. It is absolutely necessary during the coming year that many of the bridges across Pogues Run, Pleasant Run and the Canal shall be rebuilt. The bridge across Pogues Run at Rural street is at this time in a dangerous condition, and should be replaced with a permanent concrete structure. The bridge across Pogues Run, on East Tenth street, must be replaced or strengthened at once, while an immediate necessity exists for the construction of at least two bridges across Pleasant Run on the south side. In addition to this, several of the bridges across the Canal are in a dangerous condition. A new bridge should be built across the Canal at Thirtieth street at once. Within the next twelve months this street will be permanently improved from Fall Creek to White River, and it would be manifestly unfair for the city to lay the burden of this improvement upon the abutting property owners for the general good of all tax payers without showing a willingness to provide a bridge suitable to carry the traffic which the proposed improvement will bring to the street. The question of the payment of the cost of these Canal bridges is now being contested with the Water Company in the Courts. Under the provisions of the Cities and Towns Act of 1905, the contention of the city is that this cost should be borne by the Water Company. At this time a suit against the Water Company to recover the cost of a new bridge at Twentyninth street is pending in the Superior Court. While I am hopeful that this action will be decided in favor of the contention of the city, we dare not assume, in making these appropriations, that the city will gain the benefit of such determination of the question during the year 1908. I submit this item of increase to you in the earnest belief that you will approve the same.

You will find an increase in the item of City Civil Engineer's salaries of \$25,000, but as a matter of fact, such apparent increase but provides for the same amount of money for such item as will have been expended on the same account during the year 1907. The appropriation for this item in 1907 was fixed at \$40,000. Within the past month, however, an additional appropriation of \$25,000 has been made by your honorable body to cover the deficit in this item. A large proportion of this money will be recovered to the city treasury within the next year, but as such moneys when repaid to the treasury must, under the law, go into the general fund, it will be necessary now to provide the funds to pay these salaries, even though in the final analysis the cost to the people will not be greater than the amount appropriated in 1907.

In the item of electric, gas and vapor lights you will find an increase of \$10,000. The people who pay taxes are entitled to light. A well

illuminated city is always a well policed city, because light, as a crime preventative, is almost equal to a vigilant police force. We are anxious to increase the number of these lights, and believe you will approve our action in asking for this additional sum.

You will find an increase of \$25,000 in the item of repairs to permanently improved streets. For the year 1907 the sum of \$50,000 was appropriated for this account, but this sum has proved to be inadequate, and there is now pending before your honorable body an ordinance appropriating the further sum of \$25,000 to this account, the sum to be expended during the present year in making repairs to those streets which have not as yet received attention, and in going over certain other streets in the down town district for the second and third time this year. During the year 1906 there was spent for this account \$65,000. I do not consider the increase in this item as unreasonable because of the belief that good streets and clean streets will be appreciated by the people, and the cost of the same will not be criticised.

In the item of water you will find an increase of \$7,000. This increase is necessary to bear the expense of the additional fire hydrants which will be installed during the coming year. Under the contract existing between the city and the Indianapolis Water Company, the company is compelled to lay, upon orders of the Board of Public Works, at least 40,000 feet of mains per annum, while the city is compelled to locate one fire hydrant on each five hundred feet of such extension, at an expense of \$45.00 per year. While the contract of the Water Company only compels it to lay the specified amount of pipe, the company has, as a matter of fact, laid nearly twice as much, all being done upon the order of the Board in compliance with the petitions of people residing along the line of such extensions.

An increase will also be found in the item of track elevation. The appropriation for this purpose in 1907 was \$55,000, while the appropriation asked for, for the current year, is \$70,000. This increase we consider to be warranted because of the large amount of track elevation work which will be under way during the year 1908. Not only will the city be called upon to pay the balance due on account of the elevation from White River to Senate avenue, but we also have under way at this time the elevation of tracks on West Washington street at the crossing of the Big Four railroad, and have also perfected plans for the elevation of the tracks of the Belt Railroad at East Washington street. In addition to this, the City Engineer has now completed his plans for the conversion of Pogues Run into a sanitary sewer, and for the lowering of the level of this water course approximately ten feet. This work, I take it, is as much a part of track elevation as was the construction of a new bridge for the Vandalia Railroad over White River, and for which bridge the people of Indianapolis paid approximately twenty-five per cent. Pogues Run must be removed before the tracks of the Union Railway Company can be elevated in the Union Station, unless the railroad companies are prepared to elevate these tracks to a greater height than is provided for by the work already done west of Senate avenue. The elevation of the tracks at Senate avenue, Capitol avenue, Illinois street, Meridian street and Pennsylvania street, giving all the people of the south side safe access to the business center of the city, would be of inestimable benefit to all the people. I therefore sincerely trust that the increase provided for in this item may not be interfered with.

You will notice, therefore, that of the \$138,300 additional asked by this department, the six items enumerated cover \$102,000 of such increase. The other items making up the balance of the increase have

been gone over most carefully by the City Controller and myself, and reductions have been made by us to the point where we do not feel inclined to go further, not wishing to impair the efficiency of this department.

BOARD OF PUBLIC SAFETY.

The appropriations asked for this department for the year 1908 aggregate \$612,530.60 as compared with \$565,987.25 for the current year. The principal items of increase in these appropriations are embodied in the pay rolls of the police and fire departments, the increase in the police department for this item being \$18,115.50, and in the fire department, \$8,951.35, or a total of \$27,066.85. Our reason for recommending these increases is because of the growth of both departments. In the fire department provision is made for one new engine house, and for the additional equipment for same, together with the replacement of other equipment which has become worn out. An increase has also been made in the item of repairs to buildings for the fire department. This is absolutely necessary because of the condition in which several of the engine houses are now found. The increase made in the appropriation for pay roll of the Police department is rendered necessary because of the additional men who will be added to the department upon the completion of the proposed substations, which will be put into commission sometime during the coming year. New substations will require more men, but such additional men will not be added to the department even though the work of the department is at this time hampered because of the insufficiency of the force, until such time as such substations are completed. The number of bicycle police should be increased. This branch of the police service has proven most efficient, and in the belief that additions to the bicycle corps will give better results, it is the intention of the administration in asking for this additional appropriation, to not only man the substations as we will be compelled to do, but to also add materially to the number of men on the bicycle force.

You will observe that in making these estimates for salaries of these two departments, no provision is made for any increases in the pay of any man connected with either department. In justice to the people, salaries should not be increased at this time. Within the past three years the pay of the men in the police and fire departments has been increased. The city treasury is not at this time in such condition as to warrant any further increases. We should have substations, we must have additional money for the city hospital. We are compelled to have money to meet current expenses, and therefore we dare not seriously consider the increase of any salaries.

In addition to these needs, a greater need exists. The City of Indianapolis needs a home. We must either lease the wing of the Court House at an equitable rental or we must build a home. I submit to you whether or not it is good policy at a time when we are homeless and are at our wits' ends to devise a plan to secure adequate office accommodations, for us to rush blindly into salary increases.

This matter of salary increases even though in some instances men are working for less money than I would be glad to pay if they were working for me in my private capacity, must find an end somewhere. In my opinion, now is the time to call a halt, and I sincerely trust that this word of kindly advice against promiscuous increases, will not fall upon deaf ears. Do not let us in our desire either to properly compensate public servants or to reward men towards whom we feel friendly, permit ourselves to overlook the interests of the thousands of our

fellow citizens who must bear these burdens. I appeal to every member of the Council to stop and consider before voting in the affirmative on any ordinance which by the increase of salaries will still further increase the burdens of taxation. Were the city treasury in condition to pay additional money, no one would be more ready than myself to fix the compensation of every city official or employee at a higher rate, but this we dare not even contemplate. Let us be first mindful of the interests of those whom we represent, who constitute the burden bearers. Let us pause right now on all questions of increases until we have determined after careful consideration whether any such increases can be made or not. If, at any time in the future, it should be found that a re-adjustment in the salaries of the police and fire department could be made without increasing the tax levy, no one will be more willing than myself to agree to such readjustment. But this is not the time.

The other items of increase have been agreed to in the belief that none of them are unreasonable when the growth of the city is taken into consideration.

BOARD OF PUBLIC HEALTH.

The appropriations recommended for this department show no material increase except in the figures submitted for the city hospital. This institution, and I say it with shame, is a discredit to the people of the city of Indianapolis. While the condition cannot be chargeable to any one man, the situation is such as to demand the co-operation of every official to bring about a change. Everything in the way of furnishing and equipment seems to be needed. The appropriations asked for have been agreed upon after repeated conferences between the members of the Board of Public Health, the Superintendent of the City Hospital, the Controller and myself, and we are unanimous in the opinion that the good name and credit of Indianapolis demands that there shall be a reversal of policy in this institution. We must now assume the burden we have for years been shirking, and provide that the institution shall for once be properly equipped and properly officered and manned in order that not only its present condition may be changed, but that it may in the future be kept at that high standard which should characterize an institution of this kind. The principal items of increase are those of provisions and salaries. It might be said that more should be given to provisions and less to salaries, but without competent people to handle those supplies which we purchase, there will be more wasted than will be used. The physical condition of the property has been deplorable. It has not been kept clean, and it has not been kept clean because we have foolishly in the past refused to supply a sufficient number of janitors. We have asked the Superintendent to do a man's work with a boy's set of tools. These new appropriations contemplate the adding to the force of new janitors, of a permanent carpenter and house painter, and of additional help in the kitchen of the institution. At a time when the average housewife finds herself incapable of securing a cook for at least six dollars a week, the City of Indianapolis has been endeavoring to run this institution with a cook receiving \$20.00 a month. This scale of wage runs through the entire institution and as a result the Superintendent of the institution, instead of being able to enforce his orders and maintain discipline, because employees might feel that a position of some value was in jeopardy, has been compelled to confess that he is under obligation to his own help because they elect to remain with him. All of these proposed salary increases have been carefully considered by the members of the Board of Public Health. They assure me that they are necessary, and I defer to their judgment.

DEPARTMENT OF PUBLIC PARKS.

In making estimates for the various departments of city government, we have not taken into consideration the needs of this department, nor have we included it in the items of expenditures embodied in the budget submitted. I call your especial attention to that part of the communication of the City Controller in which he sets forth the Act of the last General Assembly relative to the Park Department. Under this act the department of Parks becomes a separate and distinctive branch of government. Differing from all other departments of the city, the Board of Park Commissioners, under the law, is given "complete and exclusive authority to expend for and on behalf of such city all moneys collected by the city treasury for park purposes, together with all sums received from privileges, gifts, donations or payments whatsoever." The only control over this department which the Legislature evidently intended that the Mayor and Common Council should exercise, was that part of the law in which the matter of the fixing of the amount of the levy to be used by such department is placed in the hands of the Common Council. This levy under the law, must be not less than four cents or more than eight cents, which under the law, shall be in addition to other taxes of the city. I call your attention also to the fact that under the terms of this law, the annual payment of \$30,000 which is made to the city by the Indianapolis Traction and Terminal Company becomes a portion of the revenue of the Park Board and ceases to be a part of the general fund. The Board of Park Commissioners in their estimates ask for \$207,060, itemizing various accounts for which they wished to expend this money. Doubtless every item embodied in such estimates provided for a necessary expenditure, conceding that money sufficient could be found for every need. This is impossible, however. Eight cents plus the \$30,000 and all miscellaneous revenues would not produce this sum. I do not feel as though it would be just to place this maximum burden upon the tax payers. I, therefore, join in the recommendation of the Controller that the levy for this department be fixed at five cents, which, together with the miscellaneous revenues will produce a fund approximating \$125,000.

RECOMMENDATION.

A careful consideration of all the facts connected with these estimates; with a full appreciation of the responsibility which I must assume; with the knowledge that the people have entrusted me with a responsibility which I cannot escape. I approve the recommendation of the City Controller as to the tax levy for the fiscal year commencing January 1, 1908, and therefore recommend that the tax levy for general purposes shall be eighty-two cents on each \$100, which shall include the four cent levy for track elevation; that fifty cents shall be taxed against each poll for general purposes; that there shall be levied for Sinking Fund purposes an additional five cents; that there shall be levied one half of one cent for firemen's pension fund, and one half of one cent for police pension fund, making a total of eighty-eight cents, the same as for 1907, the special tax levy of five cents for Park purposes being in addition thereto.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,

Mayor.

Mr. Royse moved that the communication from the Controller to the Mayor be printed and the reading dispensed with. Carried.

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

INDIANAPOLIS, INDIANA, September 16, 1907

Hon. Charles A. Bookwalter, Mayor:

SIR:—I submit herewith estimates for appropriations for the several departments, exclusive of the Department of Public Parks, for the year 1908, as revised.

The appraisement of property within the limits of the city subject to taxation as certified to me by the assessor is as follows:

| | |
|---|---------------|
| Appraisement of lots and lands..... | \$80,136,305 |
| Appraisement of improvements | 53,756,600 |
| Appraisement of personal property | 44,966,775 |
| Total gross appraisement | \$178,859,680 |
| Less mortgage exemptions | 4,522,180 |
| Total net appraisement..... | \$174,337,500 |
| Number of polls, 45,653. | |

The aggregate of estimates submitted by the Departments of Finance, Law, Public Works, Public Safety and Public Health and Charities is \$1,865,453.59, and as revised and herewith submitted is \$1,767,783.59. The total appropriations for these same departments for the year 1907, as adopted by the Common Council in September, 1906, is \$1,552,738.24, showing an increase for the year 1908 of \$215,045.35.

The estimated receipts from miscellaneous sources as submitted to you one year ago was \$400,000.00, which included the sum of \$30,000.00 paid annually by the Indianapolis Traction and Terminal Company, for park purposes, in accordance with the terms of said company's franchise contract. Under the provisions of an act of the General Assembly of the State of Indiana passed during its recent session, and according to the opinion of the Corporation Counsel, this annual payment of \$30,000.00 belongs to and must be credited direct to the park fund.

I am also of the opinion that there will be a decrease during the coming year of about two hundred retail city liquor licenses, which will reduce such revenues in the sum of \$50,000.00. (Allowing for a natural increase of receipts from the several sources I estimate the total miscellaneous receipts for the year 1908 will be \$340,000.00; this leaves the sum of \$1,427,783.59 to be raised by taxation, which will require a levy of 82 cents on each \$100.00 of taxable property, such levy including the authorized 4 cents tax levy for track elevation.

You will notice that in submitting my estimates of appropriations I have not included the Department of Public Parks. In accordance with an act of the General Assembly of our State, entitled "An act establishing a 'Department of Public Parks' in cities of the first class, etc., approved March 12, 1907," the Common Council is required

annually to levy a tax of not less than 4 cents or more than 8 cents on each \$100.00 of taxable property for park purposes, which tax levy shall be in ADDITION to other taxes of the city. The city treasurer is required to collect such taxes and to make monthly reports to the Board of Park Commissioners of amounts so collected and at same time credit the park fund with such collections. Such act further provides that the Board of Park Commissioners shall have full, complete and exclusive authority to expend for and on behalf of such city all moneys collected by the city treasurer for park purposes, together with all sums received from privileges, gifts, donations or payments whatsoever. The act referred to provides for and creates a separate, distinct and special tax levy and fund, over which we have no control.

The Department of Public Parks in their communication to me submits estimates aggregating \$207,060.00, and requests the maximum tax levy of 8 cents. I recommend that the special levy for park purposes be fixed at 5 cents on each \$100.00 of taxable property, which levy, together with sundry receipts, will approximately produce a fund of \$125,000.00, as against a total of appropriations and sundry receipts approximating \$95,700.00 for the year 1907.

I recommend a tax levy for general purposes of 82 cents, which is inclusive of the 4 cent levy for track elevation; 50 cents on each poll for general purposes; 5 cents for city sinking fund; one-half of 1 cent for firemen's pension fund, and one-half of one cent for police pension fund, making a total of 88 cents, the same as for 1907, the special tax levy of 5 cents for park purposes heretofore herein recommended being in addition to above.

I respectfully recommend your approval of the appropriations as herein fully set out.

Very truly,

GEO. T. BREUNIG,
City Controller.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, INDIANA, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I herewith submit an ordinance appropriating the sum of \$1000.00 to the account known as "Miscellaneous Expenses of the City Offices," Department of Finance.

This additional appropriation is made necessary by the indexing and binding of the proceedings of your Honorable Body for the year 1906; increased cost of publishing the Annual Reports of the several departments and general increases in expenses of the City Clerk's office, Police Court and City Treasurer's office.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, INDIANA, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I herewith present a communication from the Department of Public Works, requesting an additional appropriation of \$1000.00 to the "City Civil Engineer's Accounts" fund.

I herewith submit an ordinance providing for the transfer of \$1000.00 from the "Sprinkling Unimproved Streets" fund to the "City Civil Engineer's Accounts" fund, and recommend its passage.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, INDIANA, September 9, 1907.

Geo. T. Breunig, City Controller, City:

Dear Sir:—In accordance with the attached communication from the City Civil Engineer, we respectfully request that you recommend to the Common Council the appropriation of \$1000 to the City Civil Engineer Accounts Fund.

Respectfully,

JOSEPH T. ELLIOTT.

P. C. TRUSLER.

F. J. MACK.

Board of Public Works.

OFFICE OF THE CITY CIVIL ENGINEER.
INDIANAPOLIS, September 9, 1907.

The Board of Public Works, Indianapolis.

Gentlemen:—I beg to inform you that the balance in our C. C. E. Fund is \$188.53, which amount will not be enough to run us through

the year. It was my understanding that at the time the extra appropriation was made we were to have had \$1,500.00, but it seems the amount was only \$1,200.00. Our two new horses cost us \$450.00, and other expenses in the shape of horse hire, stakes, etc., have all helped to deplete this fund. You will note that our Department is nearly half again as large as it was last year on account of the great increase in work, and therefore our incidental expenses have been correspondingly high. I would therefore request a transfer to this fund in the early future of \$1000.00.

Very respectfully,

BLAINE H. MILLER,
City Civil Engineer.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER.
INDIANAPOLIS, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I present herewith communication from the Department of Public Works, requesting an additional appropriation of \$2,700.00 for the "Sewer Gang Pay-roll" account.

I submit herewith an ordinance providing for the appropriation asked for and recommend its passage.

Respectfully submitted,

GEO T. BREUNIG.
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD.
INDIANAPOLIS, INDIANA, August 30, 1907.

George T. Breunig, City Controller, City:

Dear Sir:—In accordance with the attached communication from the Superintendent of streets, we herewith respectfully request that you recommend to the Common Council the appropriation of \$2,700 to the Sewer Gang Pay-roll Fund.

Respectfully yours,

JOSEPH T. ELLIOTT,
P. C. TRUSLER.
F. J. MACK.
Board of Public Works.

DEPARTMENT OF PUBLIC WORKS.
OFFICE OF THE SUPERINTENDENT OF STREETS.
INDIANAPOLIS, August 28, 1907.

Board of Public Works:

Gentlemen:—On September 1, 1907, we will have a balance in the Sewer Gang Pay-roll appropriation of \$4,878.37. The amount necessary for balance of year is \$7,479.00, leaving a deficit of \$2,600.63. Therefore I would earnestly request that your Honorable Board give this department an additional appropriation of \$2,700.

Respectfully,

JOE HOGUE.
Superintendent of Streets.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER.

INDIANAPOLIS, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—By request I herewith submit an ordinance appropriating the sum of Twenty Five Thousand Dollars as an additional appropriation to the Department of Public Works, to be used in the repair of permanently improved streets, and recommend that the ordinance be passed.

Respectfully submitted,
GEO. T. BREUNIG,
City Controller.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

INDIANAPOLIS, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I submit herewith a communication from the Department of Health and Charities requesting the transfer of the sum of \$450.00 from the "Flower Mission" account to the "Incidental" account of the City Hospital.

I submit herewith an ordinance providing for such transfer and recommend its passage.

Respectfully,
GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC HEALTH AND CHARITIES.
INDIANAPOLIS, INDIANA, September 5, 1907.

Mr. Geo. T. Breunig, City Controller.

Dear Sir:—I have been directed by the Department of Public Health to ask you to request the Common Council to transfer \$450 of the Flower Mission Fund to the Incidental fund of the City Hospital.

Early in June, the sterilizer, used for sterilizing instruments and gauze, was accidentally blown up and put completely out of commission. It is necessary to replace this immediately. The cost of the sterilizer is \$520, but we will be allowed a credit of \$70 for what is left of the old sterilizer.

Kindly take the necessary steps in the matter.

Very truly yours,
EUGENE BUEHLER,
Sec. Board of Health.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I herewith submit a communication from the Board of Health requesting an appropriation to the City Hospital "Repairs

to Building" account. I am advised that the old pipe lines carrying heat to the hospital buildings are in very unsafe condition and that it is absolutely necessary to put in new lines at once. I recommend that the accompanying ordinance providing for a \$1,800.00 appropriation be passed and that it receive your very early consideration.

Very respectfully,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC HEALTH AND CHARITIES.

CITY OF INDIANAPOLIS.

INDIANAPOLIS, INDIANA, August 22, 1907.

Mr. Geo. T. Breunig, City Controller.

Dear Sir:—We again call your attention to the danger of operating the old pipe line which carries the high pressure of steam. In the opinion of Mr. Callon, the expert employed by the Board, Mr. Kirkhoff, and the Engineer at the Hospital, the pipes will burst at any time, with a likelihood of killing or scalding several persons very badly.

Enclosed with this is an estimate of Mr. Callon as to the cost of making the necessary changes which would be permanent. Kindly take some immediate steps in obtaining sufficient funds to make these necessary changes.

Respectfully yours,

EUGENE BUEHLER,
Sec. Board of Health.

INDIANAPOLIS, INDIANA, July 31, 1907.

Dr. Freeland, Superintendent.

Sir:—I wish to call your attention to the condition of our high pressure steam line. It has been in service about twelve or thirteen years and has become very badly rusted out, in several places is leaking very bad and I consider it unsafe. I think it is imperative that it be renewed as it will not possibly carry us through the winter. It is also leaking so badly that the coal consumption is much greater than it should be. Hoping this will meet with prompt attention, I remain,

Yours truly,

CHAS. EDMONSTON,
Chief Engineer.

Respectfully referred to Board of Health and Charities.

J. L. FREELAND.

INDIANAPOLIS, INDIANA, August 21, 1907.

Superintendent, City Hospital.

Dear Sir:—Herewith I am making you an estimate on such pipe work as we think is necessary to operate your old heating plant.

This estimate is to cover, running an 8 inch line through the old tunnel and connect to a point from the new boilers to a point in the old building on the present heating mains where the reducing valve is at present, to insert a new reducing valve in boiler room so to run this line at low pressure instead of high pressure as it is operated at present.

Also run a 4 inch line from new boiler room and connect to laundry line and laundry engine from this point run a 2½ inch high pressure line through the old tunnel and connect to the high pressure piping in the old building. This line is used for the sterilizer and kitchen, the object in asking for these changes which will be permanent changes whenever we complete your heating system, this high pressure line at present is in such shape that it cannot be used this winter, therefore by making the above changes you could go ahead and install the new heating system during cold weather without any material shut down or any inconvenience to the Hospital.

Our estimate on the above is One Thousand Seven Hundred Dollars (\$1,700.00).

Yours very truly,

WOOLEN & CALLON,

By Harry A. Callon.

From City Controller:

DEPARTMENT OF FINANCE,

OFFICE OF CITY CONTROLLER,

INDIANAPOLIS, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I present herewith a communication from the Board of Health requesting an additional appropriation of \$1000.00 to the "Paints and Painting" fund for the City Hospital.

I am advised that the gutters, cornices and other tin work on the several buildings on the Hospital grounds have not been painted for a number of years and that it is necessary such painting be done at once. I therefore recommend the passage of accompanying ordinance.

Respectfully submitted,

GEO. T. BREUNIG,

City Controller.

DEPARTMENT OF PUBLIC HEALTH AND CHARITIES,

INDIANAPOLIS, INDIANA, September 12, 1907.

Mr. Geo. T. Breunig, City Controller.

Dear Sir:—The Board of Public Health requests me to have you ask the Council for an appropriation of \$1000 to paint the exterior of the City Hospital.

There has been no painting done in the last ten years. The tin work and the cornices are in very bad shape. If this is not painted very soon, we will have to replace a large part of the tin work and the cornices. The Board would like, if possible, to have this appropriation passed under a suspension of the rules because of an emergency.

Yours very truly,

EUGENE BUEHLER,

Sec. Board of Health.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I present herewith a communication from the Board of Park Commissioners requesting the appropriation of \$2,514.93 to pay assessments for public improvements.

I herewith submit an ordinance providing for the appropriation asked for and recommend its passage.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC PARKS.
INDIANAPOLIS, INDIANA, August 22, 1907.

Hon. Geo. T. Breunig, City Controller.

Dear Sir:—I am directed by the Board of Park Commissioners, to ask that you recommend to the Honorable City Council the passage of an ordinance for an appropriation to cover the following assessments which have been made against parks and boulevards:

| | |
|--|----------|
| For roadway of 25th street, at Meridian street and Fall Creek. | \$44.62 |
| For roadway Capitol avenue, at Fall Creek boulevard..... | 84.68 |
| For roadway Shelby street, at Garfield Park..... | 1,083.19 |
| For roadway and curb, Oxford street, at Morris square..... | 435.90 |
| For sidewalks on Thirtieth street, Riverside Park..... | 866.54 |

Total\$2,514.93

This is in accordance with the opinion of the City Attorney, relative to these matters, and in accordance with the request of the Mayor, that inasmuch as these assessments are made against parks and boulevards, that this board ask for appropriations to cover such work.

Very respectfully,

J. CLYDE POWER,
Engineer and Superintendent.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, September 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—In pursuance to a resolution recently passed by your honorable body and approved by his honor, the Mayor, I herewith submit an ordinance appropriating the sum of \$500 to and for the use of the Law Department to be used in the employment of additional Counsel to assist in the cases now pending in the Marion County Courts, one case being an appeal by the City from a decision of the Police Judge in a City Liquor License case, and the other case being mandate proceedings brought by one Brown against the City Treasurer and the City Controller, asking an order requiring such Controller to issue a City Liquor License, and recommend the passage of such ordinance.

Respectfully submitted,

SWITCH CONTRACT.

General Ordinance No. 87—1907. An ordinance approving a certain contract granting Henry L. Dithmer the right to lay and maintain a sidetrack or switch from the Big Four Railroad across Lynn street according to blue print attached, in the City of Indianapolis, Indiana.

WHEREAS, heretofore, to-wit; on the 12th day of September, 1907, Henry L. Dithmer filed his petition before the Board of Public Works of the City of Indianapolis, as follows:

PETITION.

To the Board of Public Works, City of Indianapolis:

Gentlemen:—The undersigned owners of lots 639 and 640 in George W. Stout's West New York street addition respectfully petition your Board for permission to extend the switch across Lynn street. The center line of the proposed switch will be 267 feet south of the south line of New York street, east of Lynn street.

The undersigned call attention to the fact that Lynn street is not open across the yards of the C. H. & D. R. R., and that no one will be injuriously affected by the proposed extension of the switch across Lynn street.

The proposed location of the switch is more specifically shown by plan marked "Exhibit A."

Very respectfully,

HENRY L. DITHMER.

Now, THEREFORE, This agreement, made and entered into this 16th day of September, 1907, by and between Henry L. Dithmer, of the City of Indianapolis, County of Marion, State of Indiana, party of the first part, and the City of Indianapolis, by and through its Board of Public Works, party of the second part.

WITNESSETH: That the party of the first part, being desirous of securing a right of way for a sidetrack or switch from the Big Four Railroad across Lynn street in the City of Indianapolis, the center line of which is more specifically described as follows: Beginning at the west line of Lynn street at a point 267 feet south of the south line of New York street east of Lynn street, thence extending east across Lynn street, intersecting the east line of Lynn street 267 feet south of the south line of said New York street, hereby covenants and fully binds himself, his successors, legal representatives and assigns, that, in consideration of the grant of the privileges and authority herein given, he will lay, construct and maintain said track upon the terms and conditions hereinafter set forth, to-wit:

(1) They shall be so laid, improved and kept in repair as to be safe for persons on foot, in vehicles or otherwise, and shall, at all times, be subject to the orders of the Board of Public Works of the City of Indianapolis.

(2) Said track and switch shall be laid upon such grade as shall be established by said Board, and shall be put down under its supervision and to its satisfaction and approval. Said track shall be raised or lowered to conform to any grade which may, from time to time, be hereafter established, whenever so ordered, in writing, by said Board, and shall be made to conform in all respects with any ordinance passed by the Common Council or with any resolution or resolutions made by said Board, for the elevation or depression of said tracks.

(3) The crossing where said track intersects shall, at all times, be kept improved and in repair and free from obstructions or defects of any kind. No car or cars shall be permitted to obstruct such crossing or to be thereon except for such time as may be absolutely necessary in moving them back and forth, and they shall be at no time stopped or detained thereon in such manner as to obstruct public travel.

(4) Said party of the first part agrees, upon the written order of said Board, made for any good cause affecting the interest of the City or the public welfare, to take up and remove said track, and upon said party's failure so to do, upon such notification in writing, of ten (10) days, to promptly pay the cost of having the same done, and the party of the first part hereby releases all claims for damages whatsoever that may arise by reason of such removal; and in removing said track or causing the same to be done, said Board shall in no wise become a trespasser.

(5) The party of the first part agrees to pave between said track to the entire satisfaction of the second party, and in case said tracks shall be or become out of repair or in need of being reconstructed, or become in any way defective (of which fact the said Board shall be the exclusive judge), it shall be the duty of the said

party of the first part to promptly repair or remove same, failing in which, after notification in writing of ten (10) days, said Board shall do or cause the same to be done at the expense of the said party of the first part, and for which expense and cost the said party of the first part shall be liable.

(6) The said party of the first part herein binds himself to hold said party of the second part and said city harmless from any and all claims for damages growing out of the existence, maintenance or use of said track, and to pay any judgment, with costs, that may on that account be rendered against the said party or said city, and also to pay all necessary expenses that may be incurred by said city in defending against any such claims.

(7) Any violations of any of the provisions of this instrument by said party of the first part, or by any one for it or at its instance or with its permission, shall operate as an immediate and absolute forfeiture of the privileges and authority given or granted by this contract, provided, however, that the same may be terminated by said Board, as hereinbefore set forth.

Said party of the second part by virtue of the provisions of an act of the General Assembly of the State of Indiana, entitled "An act concerning municipal corporations," approved March 6, 1905, and in consideration of the things hereinbefore set forth and upon the terms and provisions stipulated, hereby gives, grants and duly vests said party of the first part the right, privilege and authority to lay and maintain an additional sidetrack or switch across in the City of Indianapolis, all as shown by the drawing attached hereto, filed herewith and for greater certainty marked "Exhibit A."

In Witness Whereof, We have hereunto set our hands this 16th day of September, 1907.

HENRY L. DITHMER.

Party of the first part.

Mr. Eppert, by request:

General Ordinance No. 94—1907. An ordinance to amend Sections 36 and 147 of an ordinance entitled: "An ordinance providing for all matters concerning, affecting, or relating to the construction, alteration, repairing or removal of buildings, structures and appurtenances thereto, erected or to be erected in the City of Indianapolis, Indiana," approved June 6, 1904.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis that Sections 36 and 147 of an ordinance entitled: "An ordinance providing for all matters concerning, affecting, or relating to the construction, alteration, repairing or removal of buildings, structures and appurtenances thereto, erected or to be erected in the City of Indianapolis, Indiana," approved June 6, 1904, and the same is hereby amended to read as follows: SEC. 36. Dwellings, apartments and flat buildings shall have walls of brick or cement block, of the following thickness:

| Brick Walls for Dwellings and Apartments and Flat Buildings. | Rubble Basement | Brick Basement | 1st Story | 2d Story | 3rd Story | 4th Story | 5th Story | 6th Story |
|--|-----------------|----------------|-----------|----------|-----------|-----------|-----------|-----------|
| 1 story..... | 18 | 12 | 8 | .. | .. | .. | .. | .. |
| 2 story..... | 18 | 16 | 12 | 8 | .. | .. | .. | .. |
| 3 story..... | 18 | 16 | 12 | 12 | 8 | .. | .. | .. |
| 4 story..... | 20 | 16 | 16 | 12 | 12 | 8 | .. | .. |
| 5 story..... | 25 | 20 | 16 | 16 | 12 | 12 | 8 | .. |
| 6 story..... | 25 | 20 | 20 | 16 | 16 | 12 | 12 | 8 |

The above wall shall apply to all walls sixty (60) feet and under in length; when over sixty (60) feet in length such walls shall not have more than two upper stories twelve (12) inches thick, unless strengthened by brick cross walls or pilasters.

SEC. 147. The walls of every building hereafter erected or enlarged within the fire limits, except as hereinafter provided, shall be built of brick, stone, iron or other incombustible materials: Provided, however, that if any person or persons desire to increase the height of any wooden dwelling, or any part thereof, already erected and situated within the fire limits, the height of such building when completed not to exceed two and one half ($2\frac{1}{2}$) stories, the Inspector of Buildings may grant a permit therefor, if in his judgment the fire hazard will not be increased thereby; and provided, further, that the second story of any dwelling or other building may be constructed of wood, if the walls of the first story thereof are of brick or cement block, and eight inches thick. A frame dwelling may be built within the fire limits if said dwelling is not over two stories high and has a four inch (4) brick or cement veneer wall, if said wall is properly anchored and provided with incombustible roof.

SEC. 2. This ordinance shall take effect and be in force from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun.

Which was read a first time and referred to the Committee on Public Property and Improvements.

INDIANAPOLIS, Sept. 30, 1907.

To the President and Members of the Common Council of the City of Indianapolis:

GENTLEMEN—In submitting its report, with recommendations upon the annual appropriation ordinance, or the budget, your Finance Committee deems it proper to set forth in more detail its reasons for many of the reductions recommended.

It is to be regretted that no more time was permitted for consideration of this ordinance by your committee. The ordinance was introduced on September 16th. In the ordinary course of procedure, it would not, and the ordinance did not, come into the hands of your committee until a week later, that time being required to print the copies of the proceedings of this body. Had not your committee secured, through the Mayor and City Controller, an unofficial copy of that part of the ordinance which set forth the amounts asked for in the various funds of the different departments, it would have been still further handicapped for time in which to consider this most important ordinance.

The ordinance as introduced carries with it an appropriation of \$1,767,783.59 and contains 167 different items of appropriations, distributed among twelve different departments or subdepartments. The largest sum appropriated for any department is, of course, for the Department of Public Works, wherein the total appropriation asked for aggregates \$852,550.00, divided into 40 different items varying in amounts from \$300.00 to \$152,500.00.

The heads of different departments have had their experience in handling the work of their respective departments for nearly two years, as a practical guide in arriving at their estimates for the coming year. All of them, except the Department of Public Health and Charities, receive compensation that warrants the devotion of more time to the duties of their position than is reasonably expected from any member of this committee or of this body. The heads of these departments, with their experience and familiarity with the details of their respective departments, required many weeks to prepare their estimates of funds needed; but your committee has had about ten days for the same work. The time allowed us has been all too short, and it will be apparent to this body that much must be "accepted on faith." Even "faith," however, has its limitations, and your committee has deemed it proper to make material reductions in several items, because time and facilities were insufficient for gaining the fullest information.

For illustration: Your committee did not have the time to go as fully as prudence would demand into all the possibilities for a saving to the city in the purchase of an asphalt plant, in order that it might make its own repairs to asphalt pavements. It did, however, go into this question far enough to become convinced that there

were strong reasons for believing that a large saving might be made in this item, which is one of the large items in the budget.

Had this item been the only one your committee was called upon to consider, the time allowed, ten days, could hardly be deemed a sufficient time for the consideration of a matter of such importance as it is.

Your committee has, therefore, recommended several material reductions in the budget without recommending a proportionate reduction in the tax levy, because subsequent events may show these reductions to be ill timed and not opportune. This is true of the reduction recommended in the appropriation for repairs to permanently improved streets, as well as other items wherever reductions have been recommended. Future developments may make these appropriations advisable, and we deem it but sound business judgment to provide for the needs of taking care of them with special appropriations by not making a proportionate reduction in the levy recommended.

Of this character are reductions recommended by your committee aggregating \$92,300 reductions which it may become necessary to replace at some later date.

Your committee's reasons for recommending the reductions of this character are specifically set forth below. Other reductions recommended by your committee aggregate \$26,750.00, an amount a little in excess of the revenue produced by $1\frac{1}{2}$ cent tax levy.

BRIDGES.

We have reduced the appropriation asked for bridges from \$35,000.00 to \$12,000.00. The Mayor in his message to the Common Council has taken occasion to call attention to the law on this subject, providing that the Board of County Commissioners shall build all bridges, the cost of which exceeds \$500.00.

It is submitted that \$12,000.00 will be ample for all the needs of the city for the repair of bridges, the additional \$23,000.00 asked for being intended for use in the construction of new bridges. New bridges are needed in many places over Pleasant Run, Pogues Run and the Canal. We believe in placing the responsibility of these bridges where it properly belongs, with the Board of County Commissioners, and do not recognize their failure or refusal to do their plain duty, as a sufficient reason for the city assuming the burden of expending \$23,000.00 for county benefits, which means the addition of more than one cent to our tax levy.

The residents within the corporate limits of the city pay a per cent of the total taxes for county purposes, variously estimated at from 85 per cent to 90 per cent. If the citizens residing within the city pay from 85 per cent to 90 per cent of the cost of all bridges built over Bean Creek, Lick Creek, Eagle Creek and other streams outside of the city limits, it certainly is not unreasonable to demand that citizens resident of the county outside of the city should pay 10 per cent to 15 per cent of the cost of building bridges over Pleasant Run and Pogues Run within the city limits, and that is all they would be paying, should the county build their bridges.

It is certain that a greater per cent of the residents of the county outside of the city use the city bridges in their business within the city than do city residents use the bridges in the county outside of the city limits, and this is especially true of many bridges built in remote parts of the county, and seldom, if ever, used by any city resident, although the city pays 85 per cent to 90 per cent of the cost of every bridge even in the most remote corners of the county.

Therefore, we believe that the city should stand upon a determination to insist upon simple equity in this regard, and demand that the county assume its full share of the obligation in regard to the building of new bridges within the corporate limits of the city.

STREET SPRINKLING.

Your committee has reduced the item for street sprinkling from \$45,000.00 to \$30,000.00, a reduction of \$15,000.00. The amount appropriated for 1907 for this work was \$45,000.00, and a like sum is asked for 1908. This seems to your committee to be excessive for the purpose and under the conditions. There has been a large number of streets permanently improved during the year 1907, which are thus permanently removed from the sprinkling list.

In addition to this, the sprinkling has been discontinued in a large number of unimproved streets, most of which will probably not be included in the sprinkling for 1908.

Of the \$45,000.00 appropriated for this work this year, the sum of \$1,500.00 has been heretofore transferred by the Council, upon the recommendation of the City Comptroller, to the Contagious Disease Fund, under the Department of Public Health and Charities, yet with this deduction there was a balance of \$22,301.88 in this fund, on September 1st, with the end of the sprinkling season but one and a half months off.

On the basis of work done during the present year, making no deductions for streets that will be permanently improved during the coming year, your committee feels that the sum of \$30,000.00 will be more than sufficient to carry through this work for the year 1908, and has cut the appropriation to this figure.

LIGHTS.

In the item of "Electric, gas and vapor lights" wherein an additional \$10,000.00 is asked for, we find the city is using but 1,681 electric lights at an annual cost of \$74 per year for each light, and no gas or vapor lights are being used. This would make an annual expenditure of \$124,394.00, leaving a probable surplus in this fund of \$18,106.00. In addition to this sum the city now has an agreement with the railroad companies to pay one-third of the cost of lighting their crossings (and your committee claims they should pay the entire cost). This agreement will reduce the cost of lights to the city about \$2,000.00 in round numbers. This amount added to the \$18,106.00 excess of the current appropriation over amount needed for lights actually used, will give a sum in excess of \$20,000.00 as a balance in the fund. This excess would supply, at the contract price, 271 additional lights. This number of additional lights will clearly take care of all the additional lights which it is reasonable to assume the city will order installed during the coming year.

Therefore, the Finance Committee can not see any necessity for an increase of \$10,000.00 in this item of appropriation. The committee has therefore reduced this item by \$10,000.00, leaving the appropriation at the same figure as for the year 1907; this sum having proven more than sufficient for 1907, we can not see why it should be increased \$10,000.00 for 1908.

STREET REPAIRS.

For repairs to permanently improved streets, the budget as presented carries an appropriation of \$75,000.00. This is \$10,000.00 in excess of the amount appropriated for the year 1906, but is only equal

to the amount appropriated and asked for during the current year. The sum asked for in the budget is probably reasonable if the city should continue to make repairs to asphalt streets under the contract system, as heretofore. In this connection, however, your committee is of the opinion that the time has come when the city should discontinue the practice of doing this work under the contract system. We believe the city should use and operate its own plant for the purpose of making repairs to asphalt streets. We believe this plan would be not only more economical but eminently more satisfactory to the residents upon the streets to be repaired, as well as to the general public that uses them. The need for such a plant grows and has grown from year to year, as more and more of the asphalt streets pass out from the guarantee period and become a charge upon the city for repairs and maintenance.

During the current year there have been appropriations made and asked for amounting to \$75,000.00 for repairs to permanently improved streets. Of this sum approximately \$10,000.00 has been expended, or will be expended by the Street Commissioners in the repair of all other permanently improved streets than asphalt, leaving the sum of \$65,000.00 to be expended for the repair of asphalt streets alone.

At the current contract price of sixty-six cents per square yard, this means something more than 98,000 square yards of asphalt repairs. In very many cases extensive repairs have been made during the current year to asphalt streets upon which extensive repairs were made last year, and upon which repairs will be required next year.

Your committee is not fully advised as to the total square yards of asphalt pavement that will pass from under guarantee with the current year and become a charge upon the city for maintenance, but it is certain that the aggregate number of square yards of patching to be done in 1908 will be largely in excess of that done in 1907, which amounted to nearly 100,000 square yards. The appropriation asked for and made in the annual budget available for 1907 was \$50,000.00, and this has been found to be too little by \$25,000.00.

With the additional yardage for the maintenance of which the city will be chargeable in 1908 the \$75,000.00 asked for in the pending budget will probably prove too little for the purpose, and the Council will, no doubt (as it now is), be asked to make an additional appropriation for the purpose.

Without definite and specific figures before it, your committee is of the opinion that an asphalt plant can be purchased by the city, and all necessary repairs to asphalt streets be made for the coming year, for a sum less than the amount asked for in the pending budget, and the city will then own its plant, and the rapidly growing cost of this item can be materially reduced instead of being annually increased.

It seems to your committee that it will be many years before the total cost of this kind of work done by the city's own plant will amount to \$60,000.00 annually, the amount provided in the pending budget for repairs to asphalt streets.

If, however, a full and complete investigation of this matter should develop that it will not be economy for the city to own and operate its own plant for asphalt repairs, a special appropriation can be made to take care of the repairs before it will be possible to start the work next year.

CITY HOSPITAL.

The appropriations asked for this institution in the pending budget exceed those appropriated for use during the current year by \$18,163.50 but the matter for wonder is that the requests do not exceed

this year's figures by a larger sum rather than such an increase is asked. Members of this committee have visited the city hospital and do not hesitate to say that it is a disgrace that this institution should have been permitted to get into its present condition. The supply of bed clothing on hand is so scant that it is matter of wonder that the institution has been able to get along at all with what they have.

The needs of this institution are so many that it would probably become tiresome were your committee to attempt to enumerate them in this communication. It is safe to say that there is not a single line of supplies and utensils in which the city hospital has all that the needs of the institution demands. This applies to queensware, dry goods, surgical and medical supplies, buildings, repairs, etc. Largely increased appropriations have been asked for on many of these items and your committee does not deem it wise or safe to recommend a reduction in any single item for this institution.

DEPARTMENT OF PUBLIC SAFETY.

Your committee has recommended no reduction in the appropriations asked for in this department. It has carefully scrutinized all the items in the pending budget for this department and is of the opinion that the increases asked for are all warranted and necessary. Your committee believes that the efficiency of both the police and fire forces have been thoroughly demonstrated and that neither should be handicapped during the coming year by niggardly appropriations for their betterment.

PARK BOARD.

The budget contains no reference to this department of the city government, but it is referred to in the Mayor's message. Both the Mayor and the City Comptroller mention it in their communications to this body. Both call attention to a part of the Act passed by the last Legislature, entitled "An Act establishing a Department of Public Parks in cities of the first class," etc. Both officials, however, must have begun their reading of this Act in the middle thereof. They quote, or assume to quote from Section No. 5 of this Act, skipping over a previous and more explicit reference to the question of expenditures by this board in Section 3 of the same Act, but even their quotations do not follow the words of the Act, and do not set forth even one full sentence from the section quoted from. Your committee quotes from Section 3 as follows, to-wit:

"All moneys received by the Board shall forthwith be paid into the City Treasury, and all expenditures relating to the parks, parkways, and public grounds, boulevards, driveways and other avenues and places of such city, under the control of such departments shall be provided for by special levy of taxes, and shall be paid from the City Treasury, when required, *under the same rules and regulations governing the expenditure of other departments of such city.*" In connection with the above, your committee herewith quotes *in full* that part of Section No. 5 which was partially quoted by the Mayor in his message and referred to by the Comptroller in his communication to the Mayor. It is as follows, to-wit:

"The said Board shall have full, complete and exclusive authority to expend for and on behalf of such city all sums of money collected by the City Treasurer for park purposes, and all money that may be realized by such Board of Park Commissioners from the sale of privi-

leges in the parks, or from any other source, and money realized from the sale of bonds of the city, and set aside for park purposes; all gifts, donations, or payments whatsoever, which are given or paid to such city for park purposes, shall belong to the general park fund, to be used by said Board of Park Commissioners in the *same manner as hereinbefore stated.*"

The two references above quoted are the only ones in this Act relating to the expenditure of money by the Board. The latter section clearly refers to the former when it says "in the same manner as hereinbefore stated;" and the manner "hereinbefore stated" is "under the same rules and regulations governing the expenditure of other departments of such city."

If words and phrases in this Act have their common and accepted meaning, it seems clear to your committee that it means the Park Board shall have "full, complete and exclusive authority to expend" the money appropriated for park purposes; but nowhere in the Act is there any sentence or clause that warrants the violent assumption that authority to expend the money carries with it the authority to appropriate and apportion it for expenditure as well. All departments of the city government have "full, complete and exclusive authority to expend" all moneys appropriated for their respective departments.

For illustration: The Board of Safety has undoubted authority to expend all money appropriated for the use of the fire force. Therefore, it seems to your committee that this Act, partially quoted to us, means what it says, and that money expended by the Park Board "shall be paid, when required, under the same rules and regulations governing the expenditure of the other departments of such city."

The Act referred to fixes a minimum tax levy of four cents on each \$100.00 for park purposes. This rate, on a property valuation of \$174,000,000.00, in round numbers, would produce a revenue of \$69,000.00; to this sum should be added the \$30,000.00 paid annually by the Indianapolis Traction and Terminal Company, giving a total of \$99,000.00. This sum is exclusive of all income from park concessions, sales of products, etc., and your committee is not advised what these items of revenue produce. The amount that will be available for park purposes under a four cent levy, together with other sources of revenue, seems more than sufficient, in view of the returns that have been received from such expenditures, and is materially larger than the sum available for park purposes during the present year.

For these reasons your committee has recommended a levy of four cents on each \$100.00 for park purposes, and has apportioned the sums to be expended in the various parks, parkways, boulevards, etc., by such Board.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,
INDIANAPOLIS, IND., October 7, 1907.

To the President and Members of the Common Council:

GENTLEMEN—I return herewith with my approval Appropriation Ordinance No. 16, 1907, being "An ordinance appropriating moneys for the purpose of defraying current expenses of the city government of the City of Indianapolis, Indiana, and for the use of the several executive departments thereof, for the fiscal year beginning January 1, 1908, and ending December 31, 1908, including all outstanding claims and obligations which become due and payable within said period; and fixing a time when the same shall take effect."

It is with sincere regret that I notice the reductions made in the various items of appropriations asked for the Department of Public Works, but in the belief that we shall receive the co-operation of your honorable body in asking for such additional moneys for the use of this department as may be required during the year, I return the ordinance with my approval of each item contained therein.

I am at a loss to understand just why the appropriation for the salary of the Smoke Inspector should have been eliminated from this ordinance. Under the administration of Mr. Wamsley this department has rendered the most efficient service in its history. I am satisfied that a careful consideration of the work being done by the Smoke Inspector will lead you to recognize the importance of continuing the work during the ensuing year. Conditions in Indianapolis in respect to smoke are better today than ever before, and such improvement is due solely to the intelligent work of the inspector. It has not been the policy of the administration to make arbitrary arrests for violations of the smoke ordinance, but it has been the consistent effort by intelligent direction on the part of the inspector to induce violators of the ordinance to make such changes in the equipment in their plants as would reduce to a minimum the amount of smoke emitted from the various stacks. It is hardly necessary for me in this communication to particularize as to these improvements. In my opinion an examina-

tion of the records of Mr. Wamsley's office, in which you will find set forth the various changes brought about, will readily convince you of the beneficial effect of his efforts since January 1, 1906.

I must confess that I am both surprised and disappointed over your action in reducing the item of repairs to permanently improved streets to \$15,000.00. I am in thorough sympathy with the idea of installing a municipal plant to make such repairs, and have already, upon numerous occasions, discussed the question of the installation of such plant with both the members of the Board of Public Works and the City Engineer. Should it be determined to add a repair plant, I shall have submitted to your honorable body an ordinance providing that all repairs to permanently improved streets, whether the same are made necessary by natural wear or whether required because of street openings made for water, gas or sewer connections, shall be made by the city direct. It is my opinion that in addition to such repairs the work of replacing pavements where the same have been taken up by any public service corporation shall also be done by the city plant. By having all such work performed by city employes under the supervision of the City Engineer and Superintendent of Streets, I believe that the same can be done more promptly and more satisfactorily, while by requiring the deposit of an arbitrary sum per yard to cover the cost of such work, the repair plant itself can be made to return some revenue to the city treasury.

The reduction in the appropriation made for bridges can not result in any saving to the city treasury. The county should build the bridges as a matter of right and as a matter of law, but if the county will not build the bridges it will not be just to our citizens that we should permit the same to be closed to traffic. I shall from time to time transmit to your honorable body such recommendations relative to the construction of new bridges as may be deemed necessary by the Board of Public Works and the City Engineer.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,
Mayor.

From the Committee on Public Property and Improvements:

INDIANAPOLIS, IND., October 7, 1907.

To the President and Members of the Common Council of the City of Indianapolis:

Gentlemen—Your Committee on Public Property and Improvement, to which was referred General Ordinance No. 91, entitled "An ordinance providing for the appointment of an inspector of cellars, defining his duties and powers and fixing a time when the same shall take effect," begs leave to report that it has had the same under consideration and recommends that said ordinance be amended by substituting therefor the following, to-wit:

General Ordinance No. 91—1907. An ordinance providing for the appointment of an inspector of basements, cellars, sub-cellars and subways, defining his duties and powers, and fixing the time when the same shall take effect:

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, That there shall be appointed by the Board of Public Safety of said city a competent person as inspector of cellars. The person so to be appointed shall be nominated in writing to said Board by the Chief of the Fire Force of said city and shall rank and receive the same compensation as a captain of the fire force and shall be and continue to be a regular member of said fire force. It shall be the duty of such inspector to inspect and examine all basements, cellars, sub-cellars and subways in the city of Indianapolis, and to require that all ordinances pertaining to protection from fire in basements, cellars, sub-cellars and subways shall be enforced as provided for by ordinance now in effect and force, except such basements, cellars, sub-cellars and subways as are now equipped with automatic devices for the protection of said basements, cellars, sub-cellars and subways from fire, and he shall make written reports as to the condition of all such basements, cellars, sub-cellars and subways directly to

the Chief of the Fire Force of said city. The examination and inspection of basements, cellars, sub-cellars and subways by such inspector, and his report shall cover all conditions affecting the safety of such premises regarding fires or conflagrations.

SEC. 2. Such inspector shall have full power and authority to enter upon all cellars, sub-cellars, basements and subways for the purpose of making the inspection and examination herein required. Upon refusal by the owner, agent or occupant of any premises containing any cellar, basement, sub-cellar or subway to permit said inspector to enter the same said inspector shall thereupon obtain and present to said owner, agent or occupant a written order or authority by the Board of Public Safety, or by the Chief of the Fire Force, to enter upon, examine and inspect such cellar, basement, sub-cellar or subway and upon the refusal of said owner, agent or occupant thereafter to permit said inspector to enter and make such inspection and examination such owner, agent or occupant shall, upon conviction thereof, be fined in any sum not exceeding fifty dollars (\$50.00), and each refusal after presentation of such written order or authority of said inspector shall constitute a separate offense.

SEC. 3. This ordinance shall be in full force and effect from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun, a daily newspaper of general circulation printed and published in the City of Indianapolis.

Whereas, On the 23d day of September, 1907, the Board having met in regular session, took final action on said Improvement Resolution without modification; and

Whereas, On the 23d day of September, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said improvement of Barnes avenue, and

Whereas, On the 23d day of September, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the Board of Public Works of said city be, and the same is, hereby authorized and empowered to improve Barnes avenue, from the north property line of Thirty-second street to the south property line of Thirty-sixth street, except the crossings of Thirty-third street, Thirty-fourth street and Thirty-fifth street, by grading the roadway and walks in accordance with Improvement Resolution No. 5302, 1907, adopted by the Board of Public Works on the 6th day of September, 1907.

SEC. 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Permanent Improvements.

By Board of Public Works:

General Ordinance No. 98—1907. An ordinance ratifying, Confirming and approving a certain contract and agreement made and entered into on the 4th day of October, 1907, between the City of Indianapolis by and through its Board of Public Works and the Sun Vapor Street Light Company;

WHEREAS, on the 4th day of October, 1907, the City of Indianapolis by and through its Board of Public Works and the Sun Vapor Street Light Company, entered into a certain contract or agreement for the furnishing by said Sun Vapor Street Light Company to said City of Indianapolis, of gas for incandescent street lights on certain streets, alleys, squares, avenues and public places of said City of Indianapolis; and,

WHEREAS, said Sun Vapor Street Light Company duly executed its bond to secure the faithful performance by it of said contract; said contract and bond being in the words and figures following, to wit:

BOND.

KNOW ALL MEN BY THESE PRESENTS, That The Sun Vapor Street Light Company, a corporation created and existing under the laws of the State of West Virginia, as Principal, and the American Surety Company of New York, as Surety, are held and firmly bound unto the City of Indianapolis, Indiana, in the penal sum of Five Thousand Dollars (\$5,000.00), lawful money of the United States of America, to be paid to the said City of Indianapolis, its certain attorney or assigns, which payment well and truly to be made we bind ourselves, our successors or assigns, jointly and severally, firmly by these presents.

SEALED, with our seals this 4th day of October, A. D., Nineteen Hundred and Seven.

WHEREAS, The Sun-Vapor Street Light Company has entered into a contract with the City of Indianapolis, Indiana, dated October 4th, 1907, for supplying said City with gas for Incandescent street lights on certain alleys, streets, squares, avenues and public places in said City as per specifications therefor adopted by the Board of Public Works of said City on September 16th, 1907, and as set forth in said contract for the period of five years beginning November 1st, 1907.

NOW, THE CONDITION OF THIS OBLIGATION IS SUCH, That if The Sun Vapor Street Light Company shall and does, in all and every respect, fully and faithfully comply with all the terms, agreements, and conditions of said contract, and complete and execute the same in all respects, then this obligation to be null and void; otherwise to be and remain in full force and virtue.

THE SUN VAPOR STREET LIGHT COMPANY,

AMERICAN SURETY COMPANY OF NEW YORK,

By L. A. Loiehot, Resident Vice-President.

By W. H. SMITH, Resident Asst. Secretary.

THIS AGREEMENT, made and entered into this 4th day of October, 1907, by and between the City of Indianapolis, Marion County, State

of Indiana, party of the first part by and through its Board of Public Works acting by virtue of an Act of the General Assembly of the State of Indiana entitled: "An Act concerning Municipal Corporations" Approved March 6, 1905, and the Sun Vapor Street Light Company, a corporation organized under the laws of the State of West Virginia, and having its principal office and place of business in the City of Canton, in the State of Ohio, party of the second part,

WITNESSETH, That the party of the first part agrees to take from the said party of the second part and pay for as hereinafter mentioned, and the party of the second part agrees to furnish the said party of the first part, gas for incandescent street lights on certain streets, alleys, squares, avenues and public places of said party of the first part for and during the period of One (1) year from the 1st day of November, 1907, according to specifications therefor duly adopted by the Board of Public Works of said party of the first part upon the 16th day of September, 1907, which specifications are hereto attached and made a part hereof, as fully as if herein set forth at length.

And the said party of the first part agrees to pay the said party of the second part for the services rendered herein the sum of Twenty-seven and Twenty-five Hundredths (\$27.25) Dollars per year for each lamp so supplied with gas, payable monthly as the service is rendered. It being expressly agreed and understood that the minimum number of lights to be supplied and paid for hereunder shall be One Hundred (100); the said party of the first part having the right to require such additional lights as it may from time to time designate at the same price per light per annum as herein mentioned for the minimum number of lights herein specified;

It being understood that the said Board of Public Works shall have the right to discontinue or relocate the use of any lamps; provided, however, that not to exceed Twenty (20) lamps shall be discontinued or relocated in any one year; and provided, further, that the number of lamps in use shall at no time during the term of this contract be less than one hundred (100);

And the said party of the second part also agrees to indemnify and save harmless the said party of the first part against any and all claims which may be made by reason of any infringement of any patent right in the use of the lamp, apparatus or process which may be used in operating or maintaining the lamp furnished;

And the said party of the second part hereby agrees that in rendering the service herein provided for, it will in all things comply with said specifications and save the said city harmless from all claims or demands for damages to person or property caused by the said party of the second part to the full extent contemplated by said specifications.

In Witness Whereof, The said party of the first part by and through its Board of Public Works with the approval of its Mayor and the said party of the second part by its proper officers duly authorized, have caused this agreement to be executed with the attestation of their several corporate seals the day and year first above written.

CITY OF INDIANAPOLIS,

JOSEPH T. ELLIOTT,

P. C. TRUSLER,

F. J. MACK,

Board of Public Works.

Approved:

C. A. BOOKWALTER,
Mayor.

THE SUN VAPOR STREET LIGHT CO.,

Attest:

RUSSELL G. CHASE,
Secretary.

Sealed proposals will be received by the Board of Public Works of the City of Indianapolis up to 10 o'clock a. m. of the 30th day of September, 1907, for supplying said city with gas for incandescent street lights in certain alleys, streets, squares, avenues and public places at said city as hereinafter provided for.

(1) Bidders shall submit bids for furnishing gas per light per year on an all-night schedule. Said lights shall be lighted on or before one-half ($\frac{1}{2}$) hour after sunset and shall be kept lighted until one-half ($\frac{1}{2}$) hour before sunrise.

(2) Bidders shall accompany his or their bid with an affidavit that such bidder or bidders have not directly or indirectly entered into any combination, collusion, undertaking or agreement with any other bidder or bidders to maintain the price of any work or service bid upon or to be done or furnished under the proposed contract, or to prevent any other bidder or bidders from bidding, or to induce any bidder or bidders to refrain from bidding on such contract or work, and that such bid is made without regard or reference to any other bid or bids and without any agreement, undertaking or combination either directly or indirectly, with any person or persons with reference to such bidding in any way or manner whatever.

(3) Bidders shall submit bids for furnishing gas for incandescent lights for a period of five (5) years, beginning November 1, 1907.

(4) Each bidder shall file with his proposal or bid a certified check on any reputable bank of the City of Indianapolis for the sum of five hundred (\$500.00) dollars, payable to the order of the Board of Public Works of the City of Indianapolis, Indiana. No bid shall be considered unless accompanied by said check. Such check submitted with bid shall be so delivered to the Board of Public Works with an agreement between the Board of Public Works on behalf of the City of Indianapolis and the bidder that in case the said bidder to whom the contract to furnish gas for incandescent lights in strict accordance with the accompanying specifications has been awarded, executes said contract and files a bond as required by said specifications with a surety approved by the Board of Public Works, then said check shall be returned to the bidder; but if the party to whom the contract is awarded fails to enter into a contract with the City of Indianapolis, through its Board of Public Works, within a period of (10) ten days after the final award by the Board of Public Works, then in such case, the said check shall pass to and become the property of the City of Indianapolis, Indiana, as agreed and liquidated damages for failure of said party to execute and consummate the contract awarded. Certified checks of unsuccessful bidders shall be returned to them immediately upon awarding of the contract to the party who shall make the successful bid or upon the rejection of all bids.

(5) The party to whom the contract is awarded under these specifications shall be required to enter into bond in the sum of five thousand (\$5,000.00) dollars with surety to the approval and satisfaction of the Board of Public Works of the City of Indianapolis, Indiana, conditioned that said bidder shall perform said contract according to the terms therein and according to these specifications which shall form a part of the contract. Said bonds, it is understood, shall be renewed at any time the said Board shall require its renewal. The bidder must show to the satisfaction of the Board of Public Works that he is pecuniarily responsible and has the proper facilities to fulfill said contract that may be awarded to him. The contractor must agree to indemnify and save harmless the City of Indianapolis against any and all claims which may be made by reason of any infringement of any patent right in the use of a lamp apparatus or process which may be used in oper-

ating or maintaining the lamps furnished. The Board of Public Works reserves the right to reject any and all bids and to readvertise for bids if it deems it to the best interests of the City of Indianapolis.

(6) The contractor shall supply gas, connect gas lamps with gas mains and furnish and maintain lamps of at least sixty (60) candle power at such points as may be hereafter designated, and to such number and at such places, where there shall be gas mains in the street as may be designated by said Board of Public Works, provided that the number of lamps to be maintained by the contractor and paid for by the said city shall at no time during the continuance of the contract to be based upon these specifications be less than one hundred.

The proposals shall be submitted for furnishing gas for incandescent lights as before stated on an all-night schedule for a period of five (5) years, beginning November 1, 1907.

(7) Proposals shall include the furnishing of gas, laying of all services, including risers, the erection of all posts, the lighting and all work of maintaining lights at all times of at least sixty (60) candle power each.

(8) All lamps must be of the most approved construction for lighting, must be kept clean, well painted and bronzed and in good condition. The lanterns shall be of a form approved by the Board of Public Works, must be provided with glass or other transparent bottoms and surmounted with a top or dome of iridescent and light reflecting material. The lanterns must have proper wind guards so that the light will not be affected in any manner by high winds. All lanterns shall be constructed so as to properly and symmetrically hold segment glass street signs, and such lanterns as are erected at intersections of streets shall be each equipped with four (4) signs giving the names of such intersecting streets, such segment signs to be of glass with ruby letters upon a white back ground.

(9) The burners and globes on lanterns shall be kept at all times clean and free from deposit of any kind, and if not so kept, the contract price of the lamps having such unclean burners, globes or lanterns shall be forfeited for a period of time beginning with the day such lamps shall be reported to the contractor to be in such unclean condition and ending the day upon which said lamp is cleaned. Provided, however, That no such deduction shall be demanded by the city if such dirt or deposit be the accumulation of not more than forty-eight (48) hours' time.

(10) All labor and material and anything relative to or connected with the construction, operation, cleaning and maintenance of the same and all things connected therewith shall be done and furnished at the expense of said contractor, his successors and assigns. The intent and meaning of this part of the specifications being that the city shall not be put to any expense beyond the sum provided in the contract as drawn in conformity with these specifications for furnishing incandescent gas lights.

(11) All lamps, burners and other property furnished by the contractor shall remain the property of the contractor on the expiration of said contract or any renewal thereof.

(12) Said lamps shall be located at such points upon streets in which there are gas mains as shall be designated by the Board of Public Works in writing, and said Board of Public Works shall have the right to discontinue or relocate at any time the use of any lamp or lamps furnished by the contractor after thirty (30) days' written notice to said contractor of this intention. Provided, however, That not more than twenty (20) lamps shall be discontinued or relocated in

any one (1) year; and provided, further, that the number of lamps in use shall at no time during the continuance of the contract based upon these specifications be less than one hundred.

(13) All lamps ordered shall be located, in place and be ready for use within ten (10) days after written notice has been given to the contractor ordering said light by said Board of Public Works.

(14) All sidewalks, highways or public places that said contractor at any time may open or dig into shall be restored in as good condition and repair as the same were before being opened and to the satisfaction of the Board of Public Works.

(15) The contractor must agree to save the city harmless from any claims which may be made by reason of any infringement of any patent right in the use of a lamp apparatus or in maintaining the lamps furnished.

(16) The contractor must exercise in the prosecution or putting up of all lights ordered and maintaining the same all proper skill and care, he must guard all excavations or dangerous places made by him or his agents or employes, and shall use all due and proper precautions to prevent injury to any property, person or persons, what and whomsoever, for and during the entire period of the contract, and for and during such period, the contractor shall save the city harmless from any and all liability whatsoever growing out of any injury to property or persons and from all damage suits that may arise on account thereof, and shall pay any judgment with costs which may be obtained against such city growing out of any injury or damage whatsoever aforesaid.

(17) The contractor shall do no injury to shade trees or interfere with pipes of other companies, shall replace any sodding disturbed and shall fully indemnify and save harmless the City of Indianapolis from any claims for damages for any injury to streets whatsoever.

(18) All lights shall be at least sixty (60) candle power. Should the city desire to test the candle power of any lamp, the company shall give to the City Engineer all necessary assistance to properly test the candle power of said lamps. Each lamp shall be of sixty (60) candle power and such light where tested and measured by photometric apparatus in use by said city, shall give light of sixty (60) sperm candles each consuming one hundred and twenty (120) grains per hour.

(19) The contractor shall have a representative in the City of Indianapolis with an office and a telephone.

(20) Should the contractor fail to furnish gas for street lights and to maintain said street lights during the hours from one-half ($\frac{1}{2}$) hour after sunset to one-half ($\frac{1}{2}$) hour before sunrise each day, or to maintain said lamp lights in proper condition and of at least sixty (60) candle power, then the Board of Public Works may deduct from any moneys due said contractor for each night each light is not so lighted, a sum equal to twice the contract price per night per light for each night or part of night that said contractor fails to maintain said lights lighted.

(21) Should the contractor fail to make any repairs caused by digging into the streets, sidewalks or public places in the performance of this contract, on written notice from the Board of Public Works to make said repairs, then the Board of Public Works shall have the right within ten (10) days after giving notice to said contractors to make said repairs and to deduct the costs thereof out of any money due said contractor.

Whereas, said contract and agreement has been submitted through the said Board of Public Works to the Common Council of the City of Indianapolis for its action thereon; now, therefore,

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, That the said contract and agreement hereinbefore set forth made and entered into the 4th day of October, 1907, between the City of Indianapolis, by and through its Board of Public Works, and the Sun Vapor Street Light Company, be and the same is hereby in all things ratified, confirmed and approved.

Which was read a first time and referred to the Committee on Contracts and Franchises.

By Mr. Royse:

General Ordinance No. 99—1907. An ordinance amending Section Five (5) of General Ordinance Number Forty-five (45), 1907, entitled "A special ordinance regulating the keeping, operation and maintenance of intelligence offices and employment bureaus," passed June 3, 1907, and approved by the Mayor on the 13th day of June, 1907.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, That Section five (5) of General Ordinance number forty-five (45), 1907, entitled "A Special Ordinance" regulating the keeping, operation and maintenance of intelligence offices and employment bureaus, passed June 3, 1907, and approved by the Mayor on the 13th day of June, 1907, be amended to read as follows:

Sec. 5. Any person, firm or corporation so licensed shall in no case, collect, charge or receive fees or compensation in excess of the following:

| | |
|--|--------|
| From each female seeking employment..... | \$1.00 |
| From each male seeking employment..... | 1.00 |
| From each person applying for female help..... | 1.00 |
| From each person applying for male help..... | 1.00 |

In every case a receipt shall be given for the money paid to or received by such intelligence office or employment bureau, and in case no place of employment, or no help, as applied for, as the case may be, is obtained within ten (10) days from the date of payment, then upon demand being made therefor, the money so paid and received shall forthwith be refunded to the applicant.

The above schedule of rates, however, shall only apply to monthly positions, the compensation for which shall not be more than thirty dollars per month.

In case of positions, the compensation or salary for which shall be more than thirty dollars (\$30.00) per month, and not exceeding forty dollars per month, the person, firm or corporation so licensed may enter into a written contract with any applicant for employment as to the amount of fee or compensation, but the amount of compensation rates, however, shall not apply to a position, the salary or compensation for which is to be over five hundred dollars (\$500.00) per year.

SEC. 2. This ordinance shall be in full force and effect from and after its passage and approval by the Mayor and due publication for

two (2) consecutive weeks in a newspaper of general circulation printed and published in the City of Indianapolis.

Which was read a first time and referred to the Committee on Public Health.

By Mr. Cottey:

Special Ordinance No. 12—1907. An ordinance annexing to the City of Indianapolis the territory lying between the city limits and 50th street and Pennsylvania and Illinois street.

SECTION 1. Be it ordained by the Common Council of the City of Indianapolis, That the territory lying between the city limits and 50th street on the north, and the streets lying between the center lines of Pennsylvania street on the east, and Illinois street on the west, as projected between said city limits and said 50th street, be and the same is hereby annexed and made a part of the City of Indianapolis.

SEC. 2. This ordinance shall be in force from and after its passage.

Which was read a first time and referred to the Committee on Ordinance.

MISCELLANEOUS BUSINESS.

By Mr. Donavon:

Resolution No. 13—1907.

Whereas, The telegraphers employed by the Western Union Telegraph Company, a corporation chartered under the laws of the State of New York, and the Postal Telegraph-Cable Company, operated by a holding company under the style of the Mackay Companies; and the Associated Press, a voluntary association, organized for the purpose of furnishing its membership telegraph reports of current events in all parts of the habitable globe, went on strike August 9th, and

Whereas, This strike continues in operation and is so complete that the great telegraph companies are unable to handle even the most important messages without serious delay, and are actually forwarding by United States Mail an important percentage of the messages handed them for telegraphic transmission, and are doing this in a manner calculated to deceive the addressor and addressee of such mailed messages, and,

Whereas, The report of the Associated Press no longer has any real value, as a consequence of this strike, and is particularly deficient in its reports of the several markets, news of vital importance to the commercial world, and,

Whereas, Though the demands of these striking telegraphers seem reasonable, the Western Union Telegraph Company, The Postal Telegraph-Cable Company (operated by the Mackay Companies), and the Associated Press, declare they will not treat in any way, shape or manner with their striking employes, but express a determination to starve them into submission, and,

Whereas, The financial, commercial and general business interests of Indianapolis has for nearly ten weeks been subjected to great loss and annoyances in consequence of this partly telegraph and partly mail method of handling their most important and urgent communications: therefore, be it

Resolved, That the City Council of the City of Indianapolis deprecated the policy of these great companies in condemning their striking employes to starvation or submission, and the financial, commercial and general business interests of the City of Indianapolis to indefinite loss, vexation and annoyance; and the said City Council of the City of Indianapolis hereby declares it to be the duty of these three great employers to meet representatives of their striking employes and to do all that may reasonably be expected in order to adjust the differences to the end that normal telegraph service may be restored; and be it further

Resolved, That a copy of these resolutions be sent to Theodore Roosevelt, President of the United States; to Charles P. Neill, Commissioner of Labor, and the president, general manager and directors of the Western Union Telegraph Company, the Postal Telegraph-Cable Co. (operated by the Mackay Companies), and the Associated Press.

Which was read and referred to the Committee on Public Safety and Comfort.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT.

CITY OF INDIANAPOLIS,

INDIANAPOLIS, IND., October 8, 1907.

To the President and Members of the Common Council:

Gentlemen—I return herewith with my approval the following ordinances:

General Ordinance No. 85, 1907, being "An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis,

Indiana, to improve the first alley south of South street, from the east property line of New Jersey street to the west property line of East street with brick roadway."

General Ordinance No. 89, 1907, being "An ordinance providing for the transfer of \$1,000 from a certain fund to a certain fund to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

General Ordinance No. 90, 1907, being "An ordinance providing for the transfer of certain funds to certain funds to and for the use of the Department of Public Health and Charities, and fixing a time when the same shall take effect."

Appropriation Ordinance No. 17, 1907, being "An ordinance appropriating the sum of \$1,000.00 to and for the use of the Department of Finance, and fixing a time when the same shall take effect."

Appropriation Ordinance No. 18, 1907, being "An ordinance appropriating the sum of \$2,700.00 to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

Appropriation Ordinance No. 21, 1907, being "An ordinance appropriating the sum of \$1,000.00 to and for the use of the Department of Public Health and Charities, and fixing a time when the same shall take effect."

Resolution No. 14, 1907.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,
Mayor.

At 8:00 o'clock p. m. Mr. Royse entered the Council Chamber and took his seat.

EXECUTIVE DEPARTMENT.

CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., October 10, 1907.

To the President and Members of the Common Council:

Gentlemen—I return herewith with my approval General Ordinance No. 80, 1907, being "An ordinance amending Clause G of Section 6 of an ordinance concerning the compensation of all officers, etc., of the City of Indianapolis."

The effect of this ordinance, while it sets forth the salaries to be paid to all members of the Fire Department, only affects the compensation allowed to substitutes in such department. Heretofore these substitutes have been receiving compensation at the rate of \$480 per year, and have been compelled to devote all their time to the service of the city. As in many instances more than one year elapses from the time of the appointment of a man as a substitute to the time when he receives his appointment as fireman of the third grade, I consider it to be manifestly unfair that the city should pay such men the niggardly sum which has heretofore been provided. Therefore in approving this ordinance, providing as it does for this increase, I do not feel that I am committing myself to similar action on the question of other salaries paid to men in the various city departments.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT.
CITY OF INDIANAPOLIS.

INDIANAPOLIS, IND., October 21, 1907.

To the President and Members of the Common Council:

Gentlemen—There will be presented to your honorable body during this evening's session an ordinance providing for the appropriation of \$100,000.00 with which to complete the repairs to the city hospital property, and for the further purpose of constructing contagious disease pavilions for the care of children afflicted with diphtheria, scarlet fever and other ailments requiring quarantine.

The ordinance in question provides for the transfer from the moneys heretofore borrowed for city hall and auditorium purposes, the full amount of the proposed appropriation, it being most expedient in my opinion that the money we now have on hand should be used in preference to an attempt to float city obligations at the present time. The condition of the money market is such that I am convinced that should we make an effort to issue new bonds it would be impossible to sell the same at a rate of interest which would be satisfactory to the people of the city. Indianapolis has for many years borrowed money at less than $3\frac{1}{2}$ per cent interest, all city bonds bearing this rate, having been sold at a premium. Should we attempt to issue further bonds at present I do not believe that these favorable terms could be received.

The money we are now asking the Council to transfer and appropriate for the use of the hospital will not in any way affect the ability of the city to care for itself in the construction of a new city hall in any greater degree than has heretofore been considered. It has always been figured in every estimate of city hall expenditure that this additional sum would be required to complete the city hospital, and in thus taking the money from the cash on hand rather than attempting to issue new bonds, we do not in any way change existing conditions. I consider it much better business for us to use this money now because certainly it has remained inactive much longer than any one connected with the city government had ever expected.

I have requested the Board of Public Health to submit to your honorable body an itemized statement showing the purposes for which this money is to be used, and I submit such statement to you for your careful consideration.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,

Mayor.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE.
OFFICE OF CITY CONTROLLER.

INDIANAPOLIS, IND., October 21, 1907.

To the President and Members of the Common Council:

Gentlemen—I herewith submit communication from the Board of Public Works, requesting the transfer of the sum of \$100,000.00 from the City Hall and Auditorium appropriation, to a City Hospital Improvements fund.

The accompanying communication from the Department of Health and Charities gives a detailed statement as to what improvements are to be made. I recommend that the ordinance herewith submitted providing for the transfer, be passed.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD.

INDIANAPOLIS, IND., October 21, 1907.

George T. Breunig, City Controller, City:

Dear Sir—In accordance with the attached communication from the Board of Health, we respectfully request that you recommend to the Common Council the passage of an ordinance transferring the sum of \$100,000 from the City Hall Building Fund to the City Hospital Improvement Fund.

Very respectfully,

JOSEPH T. ELLIOTT.
P. C. TRUSLER.
F. J. MACK.
Board of Public Works.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,

INDIANAPOLIS, IND., October 21, 1907.

To the Board of Public Works, City:

Gentlemen—I have been requested by the Board of Public Health to send you the following itemized statement for additional funds required to complete the hospital as originally planned.

| | |
|--|----------|
| Mr. Clyde Powers, estimate for the necessary grading, dressing the soil, edging with sod, removal of trees, laying of water pipes, cement walks, asphalt or bitulithic roadways, and finishing grounds on the same plane as those around the Flower Mission building | \$12,500 |
| Mr. Scherer's estimate for three new cottages for contagious diseases, fire proof..... | 27,000 |
| Changes in old boiler house, enlarging present laundry and constructing a new morgue..... | 3,640 |
| Changes in the west wing, first story, and converting same into Hospital Ward | 2,650 |
| Changes in center building, connecting same with the new service building | 1,820 |
| Painting side walls, ceilings, and interior finish in hospital wards | 3,950 |
| Metal ceiling in corridors, east and west wing..... | 1,560 |
| Painting interior and exterior | 2,500 |
| Harry Callon, estimate of ice machine, consisting of one refrigerating machine for cold storage, and the necessary insulation rooms, and insulated doors for same, ready for operation | 2,800 |
| Plumbing and heating in the service building..... | 5,500 |
| In the proposed cottages for contagious diseases, plumbing and heating | 4,500 |
| Sewer from 12th street to take care of the boiler room, service building, and three cottages..... | 800 |

| | |
|--|--------|
| Boiler house plumbing | 100 |
| Additional plumbing in old building..... | 75 |
| Live steam line in kitchen..... | 200 |
| A vacuum steam heating, hot and cold water connections, in old building | 10,000 |
| Suction line to Fall creek | 500 |
| Repairing present elevator, the machinery of which is in first-class condition, only repairing auxiliary valve, new car, and cables and new wires..... | 1,000 |
| For furnishing the service building..... | 10,000 |
| Fence around Hospital | 4,000 |

Making a total of.....\$95,090

We believe that about \$100,000 will be required to complete the work at the City Hospital. The difference between the estimate and \$100,000 will pave the street around the City Hospital.

Very truly yours,

EUGENE BUEHLER,
Sec. Board of Health.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., October 21, 1907.

To the President and Members of the Common Council:

Gentlemen—I herewith submit a communication from the Department of Public Works in which they request the transfer of the sum of \$10,738.47 to the Collection and Disposal of Garbage fund as follows:

\$500.00 from the Levees fund,

\$1,738.47 from the Cistern fund, and

\$8,500.00 from the Sprinkling Unimproved Streets fund.

The said communication contains a full and complete statement of the reasons why this request is made, and believing that provision should be made for the payment of the deficit during the current year, I recommend the passage of the accompanying ordinance providing for the transfers as requested.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD,
INDIANAPOLIS, IND., October 9, 1907.

Geo. T. Breunig, City Controller, City:

Dear Sir—We wish to call your attention to the condition of the fund for "Collection and Disposal of Garbage." In preparing the estimate of expenses for 1907 the Clerk of the Board made an error in computing the amount needed for collection and disposal of garbage by using as a basis the amount paid out on contract for the year of 1906, while the old contract which expired May 26, 1907, provided for

the payment of a much larger amount for that period from January 1st, 1907, to May 26, 1907, than for the same period in previous years under the same contract; also the supplementary contract made each year for the territory not included in the original contract was for much more territory this year, and consequently at a greater cost. Besides these two contracts mentioned, which expired May 26, 1907, another contract was entered into upon the recommendation of the Board of Health for the removal of paper, bottles, tin cans, sweepings, etc., from May 26, 1907, to December 31, 1907, as this work had been done for 10 years under the old contract and not being included in the new contract, it was considered advisable to make a supplementary contract to take care of these materials until it was taken care of in an ash contract, or some other way.

The amount of money needed for all the contracts mentioned is as follows:

| | |
|--|-------------|
| Old contract for collection and disposal of garbage from January 1, 1907, to May 26, 1907..... | \$20,330.00 |
| Contract for territory not included in old contract, from January 1, 1907, to May 26, 1907..... | 4,866.00 |
| New 5 year contract for collection and disposal of garbage for all territory in city, May 26, 1907, from May 26, 1907, to December 31, 1907, at \$52,000 per year..... | 31,342.47 |
| Contract for removal of paper, sweepings, tin cans, bottles, etc., from May 26, 1907, to December 31, 1907..... | 4,200.00 |
| Total | \$60,738.47 |
| Amount appropriated | 50,000.00 |
| Deficit | \$10,738.47 |

We request that you recommend to the Common Council the passage of an ordinance transferring the sum of \$8,500.00 from the fund for Sprinkling Unimproved Streets, \$1,738.47 from the Cistern Fund, and \$500.00 from the Levees Fund, to the fund for Collection and Disposal of Garbage.

From City Controller:

DEPARTMENT OF FINANCE,
 OFFICE OF CITY CONTROLLER.

INDIANAPOLIS, IND., October 21, 1907.

To the President and Members of the Common Council:

Gentlemen—I herewith submit a communication from the Department of Public Safety requesting the transfer of \$100.00 from the Cleaning Buildings fund to the Current fund at the East Market; also, the transfer of \$1,200.00 from the Hose fund to the Horse Feed fund for the Fire Department.

I present herewith ordinances providing for the transfers asked for and recommend their passage.

Respectfully submitted,
 GEO. T. BREUNIG.
 City Controller.

DEPARTMENT OF PUBLIC SAFETY,
OFFICE OF THE BOARD.

INDIANAPOLIS, IND., October 19, 1907.

Geo. T. Breunig, Esq., City Controller:

Dear Sir—At a meeting of the Board of Public Safety held October 18, 1907, I was instructed to request you to please ask the Common Council to make the following transfer of funds in this Department:

East Market Funds—

\$100.00 from Cleaning Buildings Fund to Current Fund.

Fire Force Funds—

\$1,200.00 from Hose Fund to Horse Feed Fund.

East Market.—Seven stoves must be purchased to heat the buildings, the balance in Current Fund is \$57.99.

Fire Force.—This is asked on account of the high prices of all kinds of feed, and the immediate necessity of purchasing one car of oats and three cars of hay, the balance in the Horse Feed Fund is \$523.83.

Respectfully yours,

JOHN B. WOOD.
Secretary.

From City Controller:

REPORTS FROM CITY OFFICERS.

From City Controller.

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

INDIANAPOLIS, IND., November, 4, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I herewith submit a communication from the Department of Public Safety requesting the transfer of the sum of \$200.00 to the Bicycles and Repairs account, \$100 from the Fuel and \$100 from the Horseshoeing account, all among the appropriations for the Station House.

The Board of Safety and Chief of Police seem to believe that there is a necessity for the immediate purchase of a Motorcycle, to enable the police department to prevent Automobile scorching, and in their arguments have laid particular stress upon the possibility of pedestrians being killed or maimed by the scorched.

Although I am inclined to believe that the purchase of such a machine could be delayed until the 1908 appropriation becomes available, I am not willing to have the blame for an accident to any of our citizens laid at my door; I therefore recommend the passage of the accompanying ordinance providing for the transfers asked for.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

DEPARTMENT OF PUBLIC SAFETY.
OFFICE OF THE BOARD.
INDIANAPOLIS, IND., October 19, 1907.

GEO. T. BREUNIG, Esq.,
City Controller.

DEAR SIR: At a meeting of the Board of Public Safety, held October 18, 1907, I was instructed to request you to please ask the Common Council to make the following transfer of Funds in this Department.

POLICE FORCE FUNDS.

\$100.00 from Fuel Fund.

\$100.00 from Horseshoeing Fund

to

\$200.00 to Bicycles and Repairs Fund.

This is needed for the purchase of a Motorcycle for the Police Department, as the Board thinks this could be used to a good advantage, balance in the Bicycle and Repairs Fund is \$168.23.

Respectfully yours,

JOHN B. WOOD,
Secretary.

From City Controller.

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
INDIANAPOLIS, IND., November 4, 1907.

To the President and Members of the Common Council:

GENTLEMEN: I herewith submit an ordinance providing for a readjustment of the salaries of the officers and employees of the City Hospital, Detention Hospital and Flower Mission Hospital.

This ordinance provides for an increase in the salaries of several of the employees and creates some new positions made necessary by contemplated changes in the management of the hospital; such changes and new positions being provided for in the salary appropriation for the year 1908.

I respectfully recommend that the ordinance be passed to take effect from and after January 1st, 1908.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

By Board of Public Works.

General Ordinance No. 107—1907: An ordinance approving a certain contract granting to the Vandalia Railroad Company the right to lay and maintain additional tracks across Belmont Avenue, in the City of Indianapolis, Indiana.

WHEREAS, The City of Indianapolis, State of Indiana, by and through its Board of Public Works, and the Vandalia Railroad Company, a consolidated corporation under the laws of the State of Indiana and Illinois, have entered into the following agreement, to-wit:

THIS INDENTURE, made and entered into by and between the City of Indianapolis, in the State of Indiana, and the Vandalia Railroad Company, a consolidated corporation under the laws of the States of Indiana and Illinois, WITNESSETH:

1. The City of Indianapolis, by its Board of Public Works, in consideration of the covenants and agreements hereinafter set forth to be by the Vandalia Railroad Company kept and performed, and subject to the terms and conditions hereinafter specified, hereby grants to said Vandalia Railroad Company the right and privilege of constructing, maintaining and operating across Belmont Avenue, in the City of Indianapolis, the Eleven (11) tracks shown in red upon the blue print hereto attached as an exhibit marked "A" and made part hereof.

2. In consideration of the premises, said Vandalia Railroad Company hereby covenants and agrees that the rights and privileges above granted shall be exercised and enjoyed in the following manner and upon the following terms and conditions, to-wit:

Said tracks shall be constructed at the present grade of Belmont Avenue, under the supervision and to the satisfaction and approval of the Board of Public Works of the City of Indianapolis, and shall be so constructed and as long as Belmont Avenue continues to be a public street at the crossing of said tracks, shall be so maintained as to be safe for the passage of persons on foot, in vehicles, or otherwise, and shall be kept in repair and free from obstructions or defects of any kind. For the purpose of making said tracks safe, they shall at all times be subject to the orders of said Board of Public Works, and when ordered in writing by said Board, they shall be raised or lowered to conform to any grade of Belmont Avenue which may from time to time be established. No car or cars shall be permitted to obstruct the crossing on Belmont Avenue of said tracks, or to be thereon, except for such time as may be absolutely necessary in being moved back and forth on said tracks, and cars shall at no time be stopped and detained on any of said tracks in such manner as to obstruct travel on Belmont Avenue. The space between said

tracks on Belmont Avenue shall be planked or paved to the entire satisfaction of said Board of Public Works, and in case said crossings, or any of them get out of repair, or need reconstruction, or become in any way defective, of which fact said Board of Public Works shall be the exclusive judge, it shall be the duty of the Vandalia Railroad Company to promptly repair the same, failing in which, after notification in writing of ten (10) days, said Board of Public Works shall do, or cause the same to be done at the expense of said Vandalia Railroad Company, and for such expense and cost said Railroad Company shall be liable.

3. Said Vandalia Railroad Company hereby binds itself to hold the City of Indianapolis harmless against any and all claims for damages growing out of the construction, maintenance or use of said tracks across Belmont Avenue, and to pay any judgments with costs that may on that account be rendered against said City or said Board of Public Works.

4. Any violation of any of the provisions of this indenture by the Vandalia Railroad Company, or by anyone for it, at its instance or with its permission shall operate as an immediate and absolute forfeiture of the rights and privileges granted by this indenture, and upon such violation the Board of Public Works of said City of Indianapolis may cause said tracks to be removed at once, and the fact of such violation shall constitute a full defense to any action to prevent such removal, or to recover damages therefor.

5. Should the City of Indianapolis at any time, pursuant to the authority conferred upon it by law, order the separation of grades at said crossing of Belmont Avenue, the Vandalia Railroad Company hereby covenants and agrees that it will either remove the eleven (11) tracks which by the terms of this indenture it is authorized to construct, maintain and operate across Belmont Avenue, or will bear the entire cost of the said eleven (11) tracks as it may elect to retain.

IN WITNESS WHEREOF, The parties hereto have caused this indenture to be executed in duplicate, the City of Indianapolis by its Board of Public Works and the Vandalia Railroad Company by its proper officer, all done this 23rd, day of October, A. D. 1907.

General Ordinance No. 109, 1907—An Ordinance amending Section 204 of General Ordinance No. 34, 1904.

Section 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that Section 204 of General Ordinance No. 34, 1904, being "An Ordinance concerning, affecting or relating to the construction, alteration, repair or removal of buildings, structures and appurtenances thereof, erected or to be erected in the City of Indianapolis, Indiana," be amended to read as follows, to-wit.

Sec. 204. Every theater, opera house or building now, or hereinafter erected for theatrical, operatic or for any public amusement, or any building remodeled for the aforesaid purposes in Indianapolis, Indiana, shall have all entrances for patrons front upon a public street, and not upon an alley, and in such buildings above mentioned there shall be suitable means of entrance and exists for the audience to and from each floor, balcony and gallery.

Sec. 2. This ordinance shall take effect and be in force from and after its passage and publication once each week for two consecutive weeks in the Indianapolis Sun, a daily newspaper of general circulation, published in the City of Indianapolis, County of Marion, State of Indiana.

Which was read a first time and referred to the Committee on Public Safety and Comfort.

By Mr. Bangs.

General Ordinance No. 110, 1907—An Ordinance to fix the amount of the bond to be given by the City Treasurer.

WHEREAS; An act of the general assembly entitled "An Act concerning public funds, their deposit and safe keeping and the collection of interest thereon, etc. approved March 9, 1907, will take effect and be in full force after December 1, 1907;

AND WHEREAS, It is provided in said act that all city funds shall be deposited daily and kept in public depositaries, which depositaries are by said law requested to give bond to the approval of the proper board of finance in a sum not less than the maximum amount of funds to be kept on deposit at any one time;

AND WHEREAS, The Common Council is required to fix by ordinance the amount of the treasurer's bond, taking into consideration

the estimated amount of municipal taxes to be collected; therefore,

Be it ordained by the Common Council of the City of Indianapolis that, inasmuch as it is and has been estimated by the Common Council of the City of Indianapolis that the sum of three hundred thousand dollars will exceed one half of all taxes including delinquent to be levied for municipal purposes and collected in Indianapolis during the year 1908, and the year ensuing, the bond to be executed by the city treasurer of Indianapolis, for the year 1908 and 1909 shall be in the penal sum of three hundred thousand dollars.

Which was read a first time and referred to the Committee on Finance.

MISCELLANEOUS BUSINESS.

By Mr. Bangs.

Resolution No. 15, 1907.

WHEREAS, The present City offices are scattered in different parts of the city, thereby causing a great deal of inconvenience to citizens having business to transact in such offices, and since under the existing conditions it is necessary for the city to spend a considerable sum each year for rent

WHEREAS, The city has recently acquired an excellently located site for a City Hall, said site being already improved with three buildings, which buildings, this body believes, are amply large enough for the accomodation of our present city offices, this would bring them practically under one roof and in addition to this we are inclined to think that a considerable sum could be saved in rent, this arrangement to be kept in force until the city is financially able to erect a new City Hall, Now, therefore be it

RESOLVED, That the Mayor and Board of Public Works be instructed to proceed along the lines as set forth in this resolution.

Which was read and referred to the Committee on Ordinances.

By Mr. Neukom.

Resolution No. 16, 1907.

WHEREAS, The proper disposition of ashes from residences is a burden and a nuisance to all householders and such ashes are allowed

to accumulate in back-yards and alleys to the detriment of a clean city and good health.

WHEREAS, The City has by contract provided for the hauling away and disposition of garbage, and since the removal of ashes is as necessary as that of garbage, now, therefore, be it

RESOLVED, That the Mayor and Board of Public Works of the City of Indianapolis, be and are hereby requested to take immediate steps for the letting of a contract for the removal of all ashes from residences in the City of Indianapolis, without cost to the householder of said City.

Such removal of ashes to be paid for out of the City Treasury, in the same manner as is now done in the matter of the removal and disposition of garbage.

Which was read and referred to the Committee on Public Health.

By License Committee.

Resolution No. 17, 1907.

INDIANAPOLIS, IND., Nov. 4, 1907.

To the President and Members of the Common Council:

Your Committee on License beg to offer the following resolution:

RESOLVED, That the following applications for retail liquor license (saloon) in the City of Indianapolis be, and are hereby approved.

Resolution No. 18, 1907.

WHEREAS, It has come to our notice that the Virginia Avenue Viaduct is in a very serious condition, so serious in fact, that it is thought unsafe for more than one street car at a time to cross on it. Since it has come to this point it appears to us that it will be only a question of a short time until it will be unsafe for even one car to cross on it.

WHEREAS, A very large part of the population of this city must cross the Viaduct several times a day to their very imminent danger.

Now, therefore, be it

RESOLVED, That this body request the Mayor and Board of Public Works to take immediate steps to permanently eradicate this menace to life and limb.

Which was read and referred to the Committee on Public Safety and Comfort.

COMMUNICATIONS FROM THE MAYOR.

EXECUTIVE DEPARTMENT.
CITY OF INDIANAPOLIS.
Indianapolis, Ind., November 6, 1907.

To the President and Members of the Common Council:

Gentlemen—I return herewith with my approval the following ordinances:

Appropriation Ordinance No. 24, 1907, being "An Ordinance provid-

ing for the appropriation of the sum of \$20,000 to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

General Ordinance No. 101, 1907, being "An Ordinance providing for the transfer of the sum of \$10,738.47 from certain funds to certain fund, to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

General Ordinance No. 102, 1907, being "An Ordinance providing for the transfer of \$100 from a certain fund to a certain fund to and for the use of the Department of Public Safety, and fixing a time when the same shall take effect."

General Ordinance No. 103, 1907, being "An Ordinance providing for the transfer of the sum of \$1,200 from a certain fund to a certain fund, to and for the use of the Department of Public Safety, and fixing a time when the same shall take effect."

Resolution No. 17, 1907.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,

Mayor.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS,

Indianapolis, Ind., November 15, 1907.

To the President and Members of the Common Council:

Gentlemen—I return herewith without my approval General Ordinances Nos. 83 and 84, 1907, the same being respectively, "An Ordinance fixing the salaries and compensation of all officers and members of the police force of the city of Indianapolis," and "An ordinance grading certain members of the fire force of the city of Indianapolis, fixing the compensation of the members belonging to the several grades, and also fixing the compensation of certain officers and employes of said force, and repealing conflicting ordinances."

I have never been called upon to perform a public duty with such feelings of reluctance as I am laboring under in taking this action. My natural sympathies are with the man who works, and my natural desire has always been to approve all measures which would increase the compensation of such men, but in the discharge of this duty which I cannot escape, I withhold my approval of such ordinances for the reason that in my opinion the duty I owe to the taxpayers who bear all the burdens of government, outweighs that feeling of sympathy for the men affected. It is indeed a pleasant thing to be generous, but above all things in the discharge of public duty, we must be just, and justice, as between the parties, demands, in my opinion, that these ordinances should not become effective at this time.

In the message which I had the honor to send to your honorable body at your meeting on September 2d, transmitting to you the budget for the year 1908, in referring to the matter of salary increases, you will find these words:

"This matter of salary increases, even though in some instances men are working for less money than I would be glad to pay if they were working for me in my private capacity, must find an end somewhere. In my opinion, now is the time to call a halt, and I sin-

cerely trust that this word of kindly advice against promiscuous increases will not fall upon deaf ears. Do not let us, in our desire either to properly compensate public servants or to reward men towards whom we feel friendly, permit ourselves to overlook the interests of the thousands of our fellow-citizens who must bear these burdens. Were the city treasury in condition to pay additional money, no one would be more ready than myself to fix the compensation of every city official or employe at a higher rate, but this we dare not even contemplate.

I feel that I cannot state my opposition to these ordinances in language more forceful or unmistakable, but I believe that the logic of events which have transpired since September 2d, when this communication was sent to your honorable body, clinches beyond any question the proposition that salary increases should not now be made. I am not a pessimist, and I do not desire in an official communication to indulge in a wail of calamity, but I deem it to be my duty to call your attention to the deplorable situation in which our people find themselves today. With labor being cut off from employment; with factories curtailing their output and their forces; with a monetary situation such as the people of our country have never before been confronted; with banks and trust companies and savings institutions compelled to take advantage of every safeguard provided by law, and to even resort to extraordinary measures outside the law to protect their solvency, I again appeal to your deliberate judgment and ask each one of you, "Is this the time for the City of Indianapolis to assume an increased obligation of \$66,090.90 as provided for in these ordinances?" Dismissing the proposition of the advisability of the passage of these ordinances and looking only to the question of an equitable division of the increases, permit me in all kindness and sincere good feeling, not only towards the members of your honorable body, but toward every member of both the police and fire departments who so faithfully serve all the people, to direct your attention to the fact that of the total increase of \$36,624.90 made in the fire department, the one hundred and seventy-two men who are on the roll as privates receive only \$20,501 of benefit, while the ninety-three men who are called officers absorb \$16,123.90 of the whole sum.

In the police department the total increases amount to \$29,466. Of this amount, the one hundred and sixty-five patrolmen receive an increase in the aggregate of \$15,510, while the sixty-nine men who hold the better positions absorb the balance, amounting to \$13,956.

The percentages of increase are unfair in both departments, admitting the ordinances should pass, a thing I cannot do. In the police department the salary of the chief is increased nearly 50 per cent.; captains are increased 20 per cent.; lieutenants are increased 25 per cent.; sergeants and detectives 15 per cent.; bicycle men and plain-clothes men 20 per cent., while the patrolmen are increased about 11 per cent.

In the fire department the same inequitable distribution is made. The chief is increased nearly 50 per cent.; the first assistant about 15 per cent.; the second and third assistants nearly 20 per cent.; the clerk to the chief 15 per cent.; the superintendent of telegraph, who only within recent months received a material increase in salary, is again favored with nearly 15 per cent.; foreman of telegraph receives 15 per cent.; assistant foreman 17 per cent.; captains 15 per cent.; lieutenants 17 per cent., and engineers 12½ per cent, while the men in the ranks get 10 per cent. All of

these percentage figures are not exact, but are approximately correct, and if any other argument was needed to induce me to withhold my approval this unfair division would have furnished such argument. I wish to urge as an additional reason for my action to call to your attention the needs of the city treasury. In fixing the tax levy at the meeting of your honorable body on the 30th of September, your Finance Committee, in commenting on reductions made in certain items without corresponding reductions in the levy, said:

"Your committee has recommended several material reductions in the budget without recommending a proportionate reduction in the tax levy because subsequent events may show these reductions to be ill timed and not opportune. Of this character are reductions recommended by your committee aggregating \$92,300, which it may become necessary to replace at some later date."

Now, what are these reductions, and what is the possibility that additional appropriations covering the same must be made? One of the items eliminated entirely so far as asphalt streets are concerned was the item of repairs. We must take care of this, and we should take care of it through the purchase and installation of our own plant. To do this at least \$15,000 will be required, while to do the work not less than \$50,000 additional will be required. This takes up \$65,000 of the \$92,300 represented by the reductions. In the item of bridges we cannot escape the responsibility of additional money. The amount appropriated, \$12,000, will barely keep in repair the bridges now in use. While I believe that it is the lawful duty of the county commissioners to build all bridges costing more than \$500, still I am not willing to permit that opinion to blind me to the fact that if the county will not perform this duty, then the city must build bridges for the convenience of its people. So we can figure that the \$23,000 reduction made in this item will, of necessity, be appropriated during the coming year. This leaves us but \$4,300 balance from the reductions made September 30. But other needs of the city press upon us. We must collect tin cans, paper and other household rubbish if we desire to keep the city clean and healthful. Not only must we do this, but your honorable body at its last regular meeting adopted a resolution urging the Board of Public Works to enter into a contract for the disposal of ashes in addition to rubbish. This will require not less than \$30,000, and in view of the conditions set forth, I ask you in conclusion, "Where are you going to get the money to pay this \$66,000 of increase?"

But one thing more, let us remember that this increase is not for 1908 alone. It is for all time, and it represents a fixed charge upon public revenues equal to three and one-half cents upon every hundred dollars of taxables now in the City of Indianapolis. Is this the time for us to assume this burden?

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,

Mayor.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,
OFFICE OF THE BOARD.
Indianapolis, Ind., Nov. 18, 1907.

To the President and Members of the Common Council of the City of Indianapolis:

Gentlemen:—Members of the Board of Public Works, having made a personal examination of the condition of the Haughville Town Hall, find it to be in need of very extensive repairs, and are of the opinion that the amount to be expended is out of proportion to the income received from the property. We would, therefore, respectfully suggest that your honorable body seriously consider the propriety of disposing of this piece of property.

Respectfully yours,

JOHN L. DONAVON
JOHN F. WOOD.

Your Committee submits to the judgment of this body that it is not good business judgment for the city to pay rents for offices for city officers when the city owns quarters amply sufficient for housing all city officers. The recent purchase by the city of ground upon which it is contemplated building, at some future date, a city hall, has put the city into possession of buildings that can be made immediately available for use by the city officers. There are three buildings upon this ground. The present tenants of these buildings are already demanding that the city make extensive repairs and alterations in them. The revenue that would be produced for the city were all of these buildings permanently occupied would be about \$4,700, which is but \$700 in excess of the amount of rent the city heretofore paid for the use of the offices in the court house basement, and is more than \$700 less than the city is now paying for rent, exclusive of the rooms now occupied in the court house basement. Conservative estimates place the annual rental to be paid

by the city for office rooms at not less than \$6,500 to \$7,000, and this with the offices scattered to the four winds. By the expenditure of a very small sum, an amount considerably less than one year's rental, the city can make available for office purposes the buildings now owned by it and will be paying an annual rental but slightly in excess of that formerly paid for the use of offices in the court house basement.

This plan has the additional advantage of bringing all of the city officers together, practically in one building. It also appears to your committee that, if the city intends to build a city hall upon the site purchased, the sooner citizens become accustomed to going to that location for the transaction of city business, the better it will be for all concerned.

Mr. Bangs moved that the report of the Committee be concurred in. Carried.

From Committee on Public Health:

Indianapolis, Ind., October 23, 1907.

To the President and Members of the Common Council:

Gentlemen:—Your Committee, to whom was referred General Ordinance No. 99, 1907, having had the same under consideration, return the same herewith, and recommend that said Ordinance be amended as follows:

1. By adding after the word "the" in line 23 of the copy of Ordinance as printed, the word "monthly."
2. By adding after the word "forty" in line 25, the words and figures "One and 66-100 (\$41.66)."
3. By striking out the word "rates" on line 28.
4. By adding, after the word "rates," on line 28, the following: "so agreed upon shall not exceed ten per cent. (10 per cent.) of one month's salary or compensation of such position."
5. By striking out the word "however," on line 28, and insert after said word the following: "but the above schedule of rates."

Said Ordinance so amended reading as follows:

An Ordinance amending Section Five (5) of General Ordinance Number Forty-five (45), 1907, entitled, "A Special Ordinance regulating the keeping, operation and maintenance of intelligence offices and employment bureaus," passed June 3, 1907, and approved by the Mayor on the 13th day of June, 1907.

Section 1. Be it ordained by the Common Council of the City of Indianapolis, that Section Five (5) of General Ordinance Number Forty-five (45), 1907, entitled, "A Special Ordinance regulating the keeping, operation and maintenance of intelligence offices and employment bureaus," passed June 3, 1907, and approved by the Mayor on the 13th day of June, 1907, be amended to read as follows:

Section 5. Any person, firm or corporation so licensed shall in no case collect, charge or receive fees or compensation in excess of the following: From each female seeking employment, \$1.00; from each male seeking employment, \$1.00; from each person applying for female help, \$1.00; from each person applying for male help, \$1.00. In every case a receipt shall be given for the money paid to or received by such intelligence office or employment bureau, and in case no place of employment, or no help, as applied for, as the case may be, is obtained within ten (10) days from the date of payment, then

upon demand being made therefor, the money so paid and received shall forthwith be refunded to the applicant.

The above schedule of rates, however, shall only apply to monthly positions, the compensation for which shall not be more than Thirty Dollars (\$30.00) per month.

In case of positions, the monthly compensation or salary for which shall be more than Thirty Dollars (\$30.00) per month, and not exceeding Forty-one and 66-100 Dollars (\$41.66) per month, the person, firm or corporation so licensed may enter into a written contract with any applicant for employment as to the amount of fee or compensation, but the amount of compensation so agreed upon shall not exceed ten per cent. (10 per cent.) of one month's salary or compensation of such position, but the above schedule of rates, however, shall not apply to a position the salary or compensation for which is to be over Five Hundred (\$500.00) per year.

Section 2. This Ordinance shall be in full force and effect from and after its passage and approval by the Mayor and due publication for Two (2) consecutive weeks in a newspaper of general circulation printed and published in the City of Indianapolis.

And as so amended, we recommend that said Ordinance do pass.

INTRODUCTION OF GENERAL AND SPECIAL ORDINANCES.

By Board of Public Works.

General Ordinance No. 111, 1907. An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Linwood avenue from the north property

line of Washington street, to the south property line of Michigan street, with brick roadway and curbing.

Whereas, The Board of Public Works of the City of Indianapolis, Indiana, did on the 21st day of October, 1907, adopt Improvement Resolution No. 5356, 1907, for the improvement of Linwood avenue, from the north property line of Washington street, to the south property line of Michigan street, with brick roadway and curbing,

Whereas, The said Board of Public Works did at the same time fix the 8th day of November, 1907, at 10 o'clock a. m., as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 23d day of October, 1907, and the 30th day of October, 1907, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and,

Whereas, On the 8th day of November, 1907, the Board having met in regular session, took final action on said Improvement Resolution without modification; and,

Whereas, On the 12th day of November, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said Improvement of Linwood avenue, and,

Whereas, On the 18th day of November, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore,

Section 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the said Board of Public Works of said City be, and the same is, hereby authorized and empowered to improve Linwood avenue, from north property line of Washington street, to south property line of Michigan street, with brick roadway and curbing, in accordance with Improvement Resolution No. 5356, 1907, adopted by the Board of Public Works on the 21st day of October, 1907.

Section 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Public Property and Improvement.

By Board of Public Works:

General Ordinance No. 112, 1907. An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Arsenal avenue, from north property line of Roosevelt Avenue, to south property line of Nineteenth street, with brick roadway and curbing.

Whereas, The Board of Public Works of the City of Indianapolis, Indiana, did on the 23d day of October, 1907, adopt Improvement Resolution No. 5366, 1907, for the improvement of Arsenal avenue, from the north property line of Roosevelt avenue, to the south property line of Nineteenth street, with brick roadway and curbing,

Whereas, The said Board of Public Works did at the same time fix the 8th day of November, 1907, at 10 o'clock a. m., as a date to hear all persons interested or whose property is affected by said pro-

posed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 24th day of October, 1907, and the 31st day of October, 1907, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and,

Whereas, On the 8th day of November, 1907, the Board having met in regular session, took final action on said Improvement Resolution without modification; and,

Whereas, On the 14th day of November, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said Improvement of Arsenal avenue, and,

Whereas, On the 18th day of November, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore,

Section 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the Board of Public Works of said City be, and the same is, hereby authorized and empowered to improve Arsenal avenue, from the north property line of Roosevelt avenue, to the south property line of Nineteenth street, with brick roadway and curbing, in accordance with Improvement Resolution No. 5366, 1907, adopted by the Board of Public Works on the 23d day of October, 1907.

Section 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Public Property and Improvement.

By Board of Public Works:

General Ordinance No. 113, 1907. An ordinance authorizing and empowering the Board of Public Works of the City of Indianapolis, Indiana, to improve Tenth street, from west property line of West street, to northeast property line of Indiana avenue, with brick roadway and curbing.

Whereas, the Board of Public Works of the City of Indianapolis, Indiana, did on the 30th day of October, 1907, adopt Improvement Resolution No. 5368, 1907, for the improvement of Tenth street, from the west property line of West street, to the northeast property line of Indiana avenue, with brick roadway and curbing, and,

Whereas, The said Board of Public Works did at the same time fix the 15th day of November, 1907, at 10 o'clock a. m., as a date to hear all persons interested or whose property is affected by said proposed improvement; and the notice of the passage of said resolution and of the said time for hearing was published on the 31st day of October, 1907, and the 7th day of November, 1907, in the Indianapolis Sun, a daily newspaper of general circulation, printed and published in the City of Indianapolis, and notices by mail duly forwarded as provided by law; and,

Whereas, On the 15th day of November, 1907, the Board having met in regular session, took final action on said Improvement Resolution without modification; and,

Whereas, On the 15th day of November, 1907, a written remonstrance of the majority of the resident property owners was filed with the Board against the said Improvement of Tenth street, and,

Whereas, On the 18th day of November, 1907, the said Board of Public Works directed that said resolution be referred to the Common Council of the City of Indianapolis, with a request that said Council pass an ordinance authorizing and empowering the said Board of Public Works to make said improvement in accordance with said resolution; now, therefore,

Section 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the Board of Public Works of said City be, and the same is, hereby authorized and empowered to improve Tenth street, from the west property line of West street, to the north-east property line of Indiana avenue, with brick roadway and curbing, in accordance with Improvement Resolution No. 5368, 1907, adopted by the Board of Public Works on the 30th day of October, 1907.

Section 2. This ordinance shall be in full force and effect from and after its passage.

Which was read a first time and referred to the Committee on Public Property and Improvement.

To the President and Members of the Common Council:

Gentlemen—I return herewith with my approval the following ordinances:

General Ordinance No. 98, 1907, being "An ordinance ratifying,

confirming and approving a certain contract made and entered into on the 4th day of October, 1907, between the city of Indianapolis, by and through its Board of Public Works, and the Sun Vapor Light Company."

General Ordinance No. 99, 1907, being "An ordinance, amending Section 5 of General Ordinance No. 45, 1907, entitled 'A special ordinance regulating the keeping, operation and maintenance of intelligence officers and employment bureaus,' passed June 3, 1907, and approved by the Mayor on the 13th day of June, 1907."

General Ordinance No. 105, 1907, being "An ordinance providing for the transfer of the sum of \$200 from certain accounts to a certain account in and for the use of the Department of Public Safety, and fixing a time when the same shall take effect."

General Ordinance No. 110, 1907, being "An ordinance to fix the amount of the bond to be given by the City Treasurer."

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT,
CITY OF INDIANAPOLIS.

Indianapolis, Ind., Nov. 25, 1907.

To the President and Members of the Common Council:

Gentlemen—I return herewith without my signature, Resolution No. 18, 1907, the same being a resolution reciting the alleged unsafe condition of the Virginia avenue viaduct, and calling upon the Mayor and the Board of Public Works "to eradicate this menace to life and limb." During the past three months the Board of Public Works, under the supervision of the City Engineer, has been engaged in the repair of this structure, and at the time of the adoption of this resolution by your honorable body such repairs had practically been completed. The Engineer, to whom we must look in matters of this kind, reports this viaduct to be safe. I therefore feel that I cannot sign this resolution without indirectly confessing that the Board of Public Works, the Engineer and the Mayor had been derelict in the discharge of their duty, a part of such duty being to see that all public structures are rendered safe to public use.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,
Mayor.

EXECUTIVE DEPARTMENT.
CITY OF INDIANAPOLIS.

Indianapolis, Ind., Nov. 25, 1907.

To the President and Members of the Common Council :

Gentlemen—I return herewith without my signature, Resolution No. 15, 1907, the same having been adopted by your honorable body at its last session. I cannot sign this resolution because I do not recognize the right of the city council, under the provisions of our charter, to adopt resolutions instructing the Mayor and Board of Public Works as to their duty. As I understand it the intent of the Cities

and Towns Act was to create three branches of city government—the executive, the administrative and the legislative, and I do not consider the adoption of resolutions of the character of the one in question to be the proper exercise of the legislative function.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,
Mayor.

REPORTS FROM CITY OFFICERS.

From City Controller:

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

Indianapolis, Ind., Dec. 2, 1907.

To the President and Members of the Common Council

Gentlemen—I herewith present a communication from the Department of Public Works requesting the transfer of the sum of \$2,000.00 to the Bridge account; \$1,000.00 from the Cistern account, and \$1,000.00 from the Sewer account.

I herewith present an ordinance providing for the transfers as requested and recommend its passage.

Respectfully submitted,

GEO. T. BREUNIG,

as his sureties, are held and firmly bound unto the State of Indiana, and for the benefit of the City of Indianapolis and all persons concerned or aggrieved, in the penal sum of Three Hundred Thousand Dollars, for the payment of which, well and truly to be made, without relief from valuation or appraisement laws, we hereby bind ourselves, our heirs, executors and administrators, jointly and severally, firmly by these presents. Sealed with our seals, and dated this 16th day of December, 1907.

The condition of the above obligation is as follows, viz.:

Whereas, the above-named and bounden Edward J. Robison has been duly elected and commissioned County Treasurer in and for Marion County in the State of Indiana, aforesaid, for the term of two years from the first day of January, A. D., 1908, and by virtue of such election and the laws of the State of Indiana, said Robison is *ex-officio* treasurer of said city of Indianapolis;

Now, if the said Edward J. Robison shall honestly and faithfully perform and discharge the duties of his office, so far as they may relate to or affect said city, and safely keep and properly account for and pay over on demand to the persons entitled or authorized to receive the same, all moneys and property that may come into his hands as such treasurer of said city during his continuance in office; and further, that the Legislature may change, modify, or repeal any law now in force and enact any and all laws during the existence of the above obligation at the pleasure of said Legislature, without in any way or manner releasing the said officer of his said sureties on said bond; then, and in that case, the above obligation shall cease and be null and void; otherwise to be and remain in full force and virtue in law.

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,
Indianapolis, Dec. 16, 1907.

To the President and Members of the Common Council:

Gentlemen:—I herewith present two communications from the superintendent of the City Hospital. The one requesting that the salary or compensation of the custodian of the so called "annex" be increased to \$30.00 per month from \$10.00 per month, as now paid; and the other requesting that the salary of the head laundryman be increased from \$35.00 per month to \$50.00 per month.

The Finance Committee of your honorable body now having an ordinance before it, providing for readjustment of salaries for the City Hospital, and believing that the City Hospital authorities should be given all reasonable assistance to properly carry out the purposes for which such hospital is conducted, I respectfully recommend the reference of the subject matter contained in these two communications to said Finance Committee for their consideration, with my approval of such requests.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

Indianapolis, Ind., Dec. 10, 1907.

Geo. T. Breunig, City Controller, City:

I am directed by the Board of Health to call your attention to the condition and management of the so called "Annex", for contagious diseases. This comprises a cottage of seven rooms, which has been

looked after by a custodian, at the munificent salary of ten dollars (\$10) a month; the custodian is an unfortunate paralytic colored man; even though he were tidiness itself, his paralytic condition makes it utterly impossible for him to keep this in order, and even to look after his own personal appearance is an effort. The Annex and its keeping is a perpetual joke; it is not fit under the present conditions, for the abiding place of a cleanly man, much less persons who are ill. Last month a traveling man was taken from one of the hotels with the suspicion of diphtheria; I apologized to the man for being compelled to place him in our Annex, and assured him I would remove him from there as soon as it was clearly shown that he was not suffering with contagious disease. This man was from Chicago, and you can imagine what he thought of the provision made by the City of Indianapolis to care for such cases, and I don't believe the authorities could force those suffering of contagious diseases to occupy this building under the present conditions. I have recommended to the Board of Health, that the custodian's salary of the Annex be thirty dollars (\$30) per month, with the object in view of employing a woman to take charge of the same, and I shall then endeavor to put this place in the condition that at least one could not recover damages for having been an inmate of the same.

Owing to the shortness of time the Board of Health directed that I should take this up with you personally, that you might recommend to the Common Council at their meeting Monday night, next, such a change in the Custodian's salary.

Respectfully,

J. L. FREELAND,
Superintendent.

Indianapolis, Ind., Dec. 12, 1907.

Geo. T. Breunig, City Controller, City:

Dear Sir—The average wages of the head laundryman, in the leading hospitals, in the United States and Canada, is \$44.18 per month, and quarters.

I herewith enclose you letters from laundrymen of our city. We need more efficient service, and cannot secure it at the present salary. Would you kindly recommend to the Council, that laundryman receive \$50.00 per month.

Respectfully,

J. L. FREELAND,
Superintendent.

At 8:05 o'clock p. m., Mr. Portteus entered the Council Chamber and took his seat.

From Committee on Finance:

Indianapolis, Ind., Dec. 16, 1907.

To the President and Members of the Common Council of the City of Indianapolis:

Gentlemen—Your Finance Committee to which was referred General Ordinance No. 100, 1907, entitled: "An ordinance providing for the transfer of certain funds heretofore appropriated to the Department of Public Works," begs leave to report that we have had the same under consideration and recommend the following substitute in lieu of said General Ordinance No. 100, to-wit:

"An ordinance providing for the transfer of certain funds from certain funds to certain funds, to and for the use of the Department of Public Works, and fixing a time when the same shall take effect."

Section 1. Be it ordained by the Common Council of the City of Indianapolis, Indiana, that the sum of eleven thousand (\$11,000.00) dollars be, and the said sum hereby is transferred from the funds heretofore appropriated to and for the use of the Department of Public Works for repairs to permanently improved streets; that the sum of thirty-five thousand (\$35,000.00) dollars (being the unexpended balance of the sum of \$150,000.00, heretofore transferred out of the unexpended balance of the moneys heretofore appropriated under and by Appropriation Ordinance No. 21, 1906, and by Appropriation Ordinance No. 3, 1907), be and the said sum of thirty-five thousand (\$35,000.00) dollars hereby is transferred from said sum heretofore transferred for the purpose of acquiring, by purchase or condemnation, or both, real estate suitable for the erection of a city hall building for the public uses of said city, said transfer being made under and by virtue of General Ordinance No. 92, 1907; that the sum of five thousand dollars (\$5,000.00) be and the said sum hereby is transferred from the unexpended balance of moneys heretofore appropriated under and by virtue of Appropriation Ordinance No. 21, 1906, and Appropriation Ordinance No. 3, 1907, appropriated to the Board of Public Works, for the construction of a city hall building, containing offices for the several departments of the city government and an auditorium suitable for public meetings of the citizens of the city of Indianapolis, etc.; that all of said sums, heretofore above mentioned be, and the same hereby are transferred to and for the use of the Department of Public Works to be expended for the purposes hereinafter set forth, and not otherwise.

Section 2. The various sums and amounts herein transferred to and for the use of the Department of Public Works shall be expended by said Department of Public Works as follows, to-wit:

| | |
|--|-------------|
| For new building and equipment for a laundry at the City Hospital, the sum of fifteen thousand dollars..... | \$15,000 00 |
| For furnishing the new service building at the City Hospital the sum of ten thousand dollars..... | 10,000 00 |
| For a heating system in the old building at the City Hospital the sum of eight thousand dollars..... | 8,000.00 |
| For a heating system and for plumbing in the new service building at the City Hospital the sum of five thousand seven hundred dollars..... | 5,700 00 |
| For remodelling the interior of the old building at the City Hospital the sum of six thousand dollars..... | 6,000 00 |
| For installing a new elevator at the City Hospital the sum of | |

| | |

COMMUNICATION FROM THE MAYOR.

Indianapolis, Ind., December 23, 1907.

To the President and Members of the Common Council:

Gentlemen:—I return herewith without my approval General Ordinance No. 100, 1907, the same being "An Ordinance making certain appropriations on the account of the improvements contemplated in the City Hospital."

I cannot sign this ordinance because I am informed by the Corporation Counsel that the same is invalid because it attempts to appropriate by transfer moneys from funds heretofore created, such transfers being made without the recommendation of the departments affected thereby, and without the approval of the City Controller.

These improvements to the City Hospital are absolutely necessary, and I most earnestly urge upon your honorable body that proper legal steps be taken at once to provide the moneys necessary.

I have the honor to remain,

Yours very truly,

C. A. BOOKWALTER,
Mayor.

REPORTS FROM CITY OFFICERS.

From City Controller.

DEPARTMENT OF FINANCE,
OFFICE OF CITY CONTROLLER,

Indianapolis, December 23, 1907.

To the President and Members of the Common Council:

Gentlemen:—I herewith submit a communication from the Department of Public Works, in which they ask for the transfer and re-appropriation of certain sums as follows, to-wit: \$35,000 from the

appropriation heretofore made for City Hall Site, and the sum of \$16,000 from the appropriation heretofore made for City Hall and Auditorium; such sums to be transferred and re-appropriated to the City Hospital Improvement Account, and to be used by said department for sundry improvements at the City Hospital as fully shown and set out in the ordinance, which is herewith submitted with my recommendation for its passage.

Respectfully submitted,

GEO. T. BREUNIG,
City Controller.

From Board of Public Works:

DEPARTMENT OF PUBLIC WORKS,

Indianapolis, Ind., December 23, 1907.

George T. Breunig, City Controller, City:

Dear Sir:—I am directed by the Board of Public Works to write to you, requesting that you recommend to the Common Council the passage of an ordinance transferring the sum of \$16,000 from the City Hall Building Fund and \$35,000 from the City Hall Site Fund to the City Hospital Improvement Account.

Respectfully yours,

BOARD OF PUBLIC WORKS.
Per F. J. NOLL, JR., Clerk.

At 7:40 o'clock P. M., Mr. Hartmann entered the Council Chamber and took his seat.

REPORTS FROM STANDING COMMITTEES.

From Committee on Finance:

Indianapolis, Ind., December 23, 1907.

To the President and Members of the Common Council of the City of Indianapolis:

Gentlemen:—Your Finance Committee, to which was referred the bond tendered by Edward J. Robison, Treasurer-elect of Marion County, and ex-officio City Treasurer of the City of Indianapolis, in the penalty of \$300,000 together with Resolution No. 22, 1907, providing for the approval of said bond, reports that since the reference of said bond to said committee December 16, 1907, said bond has been merely strengthened by the addition thereto of two sureties, Thomas A. Fletcher and James L. Keach, and that with such additional sureties it is satisfied that such bond is sufficient and it recommends that the Resolution No. 22, 1907, be amended to read as follows, to-wit:

Be it resolved by the Common Council of the City of Indianapolis, that the bond of Edward J. Robison, Treasurer-elect of Marion County, and ex-officio City Treasurer of the City of Indianapolis, tendered by

him as such City Treasurer for the benefit of the City of Indianapolis in the penal sum of \$300,000, with sureties as follows, to-wit: Hiram W. Miller, Levi P. Harlan, James R. Henry, William S. Lockman, Edward G. Hereth, Granville S. Wright, Samuel W. Smith, Pearson Mendenhall, August M. Kuhn, J. E. Christian, Thomas A. Fletcher and James L. Keach, conditioned for the faithful performance of his duties as Treasurer of said City of Indianapolis, be and the same is hereby in all things approved.

HARRY E. ROYSE
JACOB H. HILKENE
JAS. F. SULLIVAN
